North Carolina House Bill 805 (2025) allows parents or legal guardians to restrict their own child's access to "library books," which may also include titles accessed through online book subscriptions, reading apps, or digital libraries not fully controlled by Cumberland County Schools (e.g., Epic!, Sora, Audible, Kindle, etc.).

By completing this form, you may opt your child out of accessing one or more of these third-party online resources. Please note: A separate form must be completed for each individual teacher from which you wish to restrict your student's access to these resources.

## Digital Reading Subscriptions/Apps to Restrict

Please list the specific online library or reading resources or apps you do not wish your child to use:

1. _____
2. _____

(Attach additional pages if necessary.)

## Parent/Guardian Acknowledgment

- I understand this restriction applies only to my child and does not prevent other students from using these resources.
- I understand that opting out may limit my child's access to certain classroom assignments or enrichment opportunities.
