Principal

Tracy Roberson
Assistant Principal

Dear Parent/Guardian,

We are excited to announce that JW Coon Elementary School has partnered with Concentric Educational Solutions, Inc. (CES) to enhance our support for students, families, and the school community. This partnership aims to strengthen the connection between the home and the school by providing evidence-based solutions that address academic and social needs.

Through our collaboration with CES, we will enhance existing support and resources while identifying effective strategies to improve your child's attendance and academic success.

One of the most exciting aspects of this partnership is the opportunity to learn about the barriers impacting our families so that we better understand and address any needs you may have. For the remainder of the school year, at the recommendation of the Student Services Department, CES representatives will be conducting informational home visits. These visits will help us gather valuable insights from you and your child, allowing us to create an enriching learning experience focused on improving attendance, fostering appropriate social-emotional behaviors, and boosting academic achievement.

If you have any questions or concerns, please don't hesitate to reach out to the school. We are looking forward to a productive and engaging partnership with you and your child!

Contact Shannon Sykes, School Social Worker, 910-425-6141 or shannonsykes@ccs.k12.nc.us

Warm regards,

Constance Thomas, Principal
