

PINE FOREST HIGH SCHOOL

ACADEMY OF EMERGENCY MEDICAL SCIENCE

The Academy of Emergency Medical Science (AOEMS) at Pine Forest High School is a small learning community within the school for students interested in pursuing careers in medicine and health care. The course of study for Academy students integrates a variety of courses such as science, technology, and math curriculums. AOEMS is designed to integrate the learning of communication, technical and academic skills through real-world applications in pre-hospital, emergency settings or long-term care patient settings. The curriculum focuses on developing the knowledge and skills necessary for success in post-secondary schools and in the workforce. Students receive instruction from registered nurses with teaching credentials.
