Course Description:
AFJROTC, Aerospace Science, is for students who voluntarily enroll in the program. Designated as Aerospace Science (AS1), AS2, AS3,and AS4. The course consists of three components: Aerospace Science, Leadership Education, and Wellness/Physical Fitness. JROTC is a Fall and Spring course.

Rules and expectations:
See DD Form 3203 JROTC Code of Conduct. Adhere to grooming and dress and appearance standards while in uniform. JROTC is a cadet led program, and cadets are expected to follow the orders of cadets' senior in rank or position.
NOTE: The SASI/ASI can disenroll any cadet for failure to adhere to JROTC rules and standards. Failure to pass a semester of JROTC is grounds for dismissal from the program for up to one year. Treat everyone with respect and decency. Cellphones will be put away at the beginning of each class. Bad behavior outside of the JROTC classroom will affect their weekly grade. No eating or chewing gum in the classroom.
Note: There is **no** obligation to military service to join JROTC.

Materials:
Uniforms and physical training gear will be issued to cadets. Course work will be accessed digitally through school issued Chromebooks and are required daily.

CCS Cell Phone & Personal Device Policy:

Students may not display, use, turn on or make visible personal devices (cell phones, earbuds & smartwatches) during instructional time unless specifically authorized.

*Our classroom procedure is for cadets to place their cellphones in phone holder at the beginning of class.

JROTC Opportunities:

Color Guard Team
Drill Competitions
Saber Team*
Raider Team*
Awareness Presentation Teams
Curriculum in Action Field Trips**
Cadet Leadership Course
Cadet Staff Positions

*Based on need or cadet participation.
**Must be passing all classes to attend.

Make-up work:

It is the responsibility of each cadet to make-up any work missed. Missed uniform inspections will be made up on the first day back to school. Missed drill and pt, a typed one-page paper will be turned in. Cadets have three school days from the date they return to school to submit papers.

Note:

The syllabus is a snapshot of JROTC course outline, rules and standards. Cadets should become familiar with **all** materials and guidelines given/accessible to them.

JROTC partners with CTE

-Statewide initiative to recognize the military as a viable career path for students.
-No change in curriculum content or delivery.
-Cadets must complete JROTC I through III to be considered a CTE concentrator.
-Opportunity to earn **Leadership and Employability Skills Credential** during third/fourth year.
