Welcome to Stroud High School Football

Dear Players, Parents, and Stroud Tiger Family,

Welcome to **Stroud High School Football!** We are excited to begin another season of Tiger football and look forward to the energy, commitment, and pride that our players, coaches, families, and community bring to the program.

Football is about much more than what happens on Friday nights. It is about character, discipline, teamwork, accountability, and learning how to overcome challenges together. Our goal is to help **o**ur players grow as athletes, students, teammates, and individuals who represent Stroud High School with pride both on and off the field.

To our players: embrace the opportunity in front of you. Work hard, encourage your teammates, listen to your coaches, and take pride in doing the little things the right way. Your effort, attitude, and character will define you far more than any scoreboard ever will.

To our parents and families: thank you for your support. Your encouragement, time, and commitment make our program stronger. We are grateful for the countless ways you support our athletes and our school.

And to the Stroud community: we need you! There is something special about Friday nights in a small-town community. We hope you will fill the stands, wear your Tiger gear, cheer loudly, and help us create an atmosphere our players will remember for years to come.

We are also proud to welcome our visiting teams, coaches, families, and fans to Stroud. We hope you enjoy your time at our facilities and experience the genuine hospitality and Tiger pride that make our community special.

As we begin this season, let's challenge ourselves to be tough, unselfish, disciplined, and proud to be Tigers. When we work together and represent Stroud the right way, great things can happen.

We are excited for the season ahead and proud to welcome you to **Stroud Tiger Football!**

Go Tigers!

PUBLIC SERVICE ANNOUNCEMENTS

Activity programs are primarily for the student participants. The purpose of this football game is to provide positive learning experiences and opportunities for personal growth of our student athletes. This competition is being conducted according to the rules of the Oklahoma Secondary School Activities Association. Players, coaches, officials, and spectators can, and are expected to assist in the promotion and achievement of good sportsmanship ideals by taking personal responsibility for keeping this contest at a high level of fair, clean, wholesome competition.
Good luck to both teams.

Your ticket to a football game is a privilege, a privilege to watch youngsters learn while participating. One of the lessons taught to players is one spectators can follow as well – that of good sportsmanship. Unruly behavior is unacceptable in the classroom, and the athletic field or court is a classroom. Sportsmanship is everyone's responsibility, do the right thing!
Respect of the opponent, spectators, coaches and officials is necessary at all levels of athletics and activity programs. At today's game, everyone's behavior should be characterized by generosity and genuine concern for others. Sportsmanship is everyone's responsibility, do the right thing!

Good sportsmanship is learned, practiced and executed. Respect for the opponent, spectators, coaches and officials are necessary at all levels of athletics and activity programs. At today's game everyone's behavior should be characterized by generosity and genuine concern for others. Display good sportsmanship. Sportsmanship is everyone's responsibility, do the right thing!

Role models are more important than ever in today's society. You can serve as a role model for others the next time you display good sportsmanship. Let's start now. Good sports are winners, so remember, be a good sport and act properly. Everyone appreciates the good values portrayed by acts of good sportsmanship. Sportsmanship is everyone's responsibility, do the right thing!

The Oklahoma Secondary School Activities Association encourages everyone to be a positive supporter of your local school activities. After all, sportsmanship is everyone's responsibility, do the right thing!

The opponent is not the enemy, cheer for your team, not against the opponent. Practice good sportsmanship, because sportsmanship is everyone's responsibility, do the right thing!

Diversity, Equity, and Inclusion
Promoting education and the understanding of groups that have social and cultural differences is an integral part of education-based activities. Every student participating in activities at an OSSAA member school is entitled to participate in a safe school environment that is free from bias. Any form of bias (included demeaning comments, racial, ethnic, or homophobic slurs) based on social or cultural differences will not be tolerated in education-based activities.
