HOW TO ACTIVATE THE TEAM:

****Explain how the team will be activated for fastest response time**

Any student demonstrating one or more symptoms of sudden cardiac arrest including unexplained fainting, difficulty breathing, chest pains, dizziness, and abnormal racing heart rate will necessitate an activation of a team response to the event. The following protocol is to be followed:

- **Provide immediate attention and care to person at risk.**
- **Notify the nearest staff member of a possible emergency.**
- **Notify the Building Principal, Security Resource Officer, School Nurse of a possible emergency.**
- **Activate the appropriate RAVE Panic Button response or call 911.**
- **Initiate notification of all available members of the Sudden Cardiac Response Team.**
- **Notify the parent/guardian.**
- **Secure and isolate the area.**
- **Notify the Superintendent's Office-918-968-2541.**
- **Assign an individual to meet and escort the emergency medical responders to the scene.**
- **Provide the police/EMS emergency information.**
- **Accompany the student/staff to the hospital if the parent/guardian cannot be there.**

HOW WILL THE PLAN BE COMMUNICATED AND DISSEMINATED THROUGHOUT THE SCHOOL?

The plan will be disseminated throughout the Stroud Public Schools staff. The protocol will be available for review by parents/guardians, EMS providers, local police and other stakeholders. The plan will be available on the school website and posted in each school office.
