PO Box 810
Whiteville, NC 28472

304 Jefferson Street
Tele: 910-640-6615
Fax: 910-640-1088

Let's Get Vaccinated!

Columbus County Health Department will be visiting Columbus County Schools to offer Tetanus, Diphtheria, and Pertussis (Tdap) and Meningococcal vaccines to rising 7th and 12th graders. This is an excellent opportunity for students to receive their state required vaccines. If you are interested in your child receiving these vaccines while at school, please complete the attached paperwork and sign the consent. All forms will need to be turned in to your child's school by **March 31, 2026.**

Vaccine Information Sheets will be provided. Please reach out to your child's school nurse or the pediatric nurses at Columbus County Health Department(910-640-6615) if you have any questions or concerns.

We look forward to working with you and your child.
