Dear Parents,

It is that time of year again. The Pretzel Angel Tree is ready to help you and your family through the holiday season. We serve the Unit District 16 children not only during the holidays but throughout the year.

We ask that you complete the attached form in great detail and legibly. The information we ask for is the child's age, name, shirt and pant size, the child's favorite color and what the child is interested in.

Your information is NEVER shared with the public. Rather, our committee members will assign your family a letter and number. We put the wish list items on a tag and place it on a tree at New Berlin Elementary School. The public can then pick the tag and buy for that child.

This year, the Island Grove Woman's Club will be providing food boxes again! Please list the number of kids and adults in your family on the form provided, to ensure the boxes are filled appropriately.

We are offering two ways of submission this year. You may either complete the attached form and return to New Berlin Elementary by **October 23rd.** Or you may go to https://angeltree.burgertechnologies.com/request.html and complete the online submission form electronically by **October 23rd.** The QR code is below. If we do not have your form back, your child/children will not be put on the tree. We cannot stress how important it is to have the form returned to us by **October 23rd**.

Gift pick-up will be on **December 16th** at 600 W Birch Street, New Berlin, IL from 5:00PM-7:00PM.

If you have questions or concern you may call Kacie Wyatt at 217-691-9088 or Angie Marr at 217-341-1997. You may also contact us via Facebook messenger. Our Facebook page is Pretzel Angel Tree

Thank you,

Pretzel Angel Tree Committee
