Bus rider parents,

Unfortunately, Thursday October 8 is Mr. Heath's last day driving the Owl Bus. We will miss him dearly. With that said, we will be combining/rearranging the Eagle and Bobcat routes until we can hire another bus driver. The new schedule is listed below. We do apologize for the "farther away" bus stops for some students. We hope to have a new driver hired soon. Thank you for your patience and understanding! If you have any questions, please contact the Bus Barn at 719-783-9779.
