Trinidad School District 1

Established 1866

Long standing history of pride and tradition!

August/September 2026

District Newsletter

Trinidad School District #1 Offers State of Art Anatomy and Science Opportunities to students!

Trinidad School District is excited to announce the implementation of the Anatomage Table at Trinidad High School! This amazing tool will allow students in grades 5-12 to learn through a hands on, 3-dimensial experience. This table is a real human based 3-D anatomy visualization and virtual dissection system used in medical education. Features include digitized cadavers and 1500+ clinical CT/MRI cases. With the implementation of our new Anatomy class at THS, our students will be able to experience this amazing tool. Middle School as well as fifth grade students from Fisher's Peak Elementary will soon be amazed by the capabilities of this innovative system. A special thank you to the Board of Education for offering this opportunity to our students!

Miners

Trinidad School District #1 Welcomes the 2026-2027 School Year with a New Theme!

TSD#1 kicked off the new school year with an exciting theme for the year. SMALL TOWN, BIG PRIDE will be our focus. We are celebrating the history of Trinidad School District and the tradition of MINER PRIDE! After all, we are COAL-BLOODED! We will celebrate all year by wearing our school colors at the end of the week, attending and supporting our athletic events and school sponsored activities, and of course our AMAZING STUDENTS AND STAFF! GO MINERS!

💙

Trinidad School District #1 is excited to announce our very own Colorado Teacher of the Year Finalist!

Jessie Russett, sixth grade English Language Arts Teacher at Trinidad Middle School has been named a finalist for the Colorado Teacher of the Year! We are so excited to share in her accomplishments. Her dedication to the students and the community of TSD1 is evident in her love for her profession. She is truly a leader of learning and creates an environment for students to grow and lead themselves. Hats off to Jessie Russett and Good Luck!

Attention all THS Staff Alumni! At the Coal Bucket Game on September 4th, THS Alumni will be honored! Hope to see you there! Go BIG Blue!

Trinidad School District #1 is a Colorado Attendance Challenge Champion! We are 1 of 18 districts in the state that have decreased chronic absenteeism by 51.8%! Look for the celebration by CDE on the website and social media! Congratulations Staff, Students, and Parents!
