7.0 PUBLIC COMMENT

This is one of the opportunities we provide to hear the views and receive the advice of community members. The members of the Board appreciate hearing from interested citizens and will take your comments into consideration, even though it is not our practice to act at this time on issues which are raised. When appropriate, we will refer your concerns to the Superintendent for follow-up by the staff.

While we encourage public input on policy, programs, and practices within the purview of this Board and this school system, this is not the proper avenue to address specific student or employee matters, or to comment on matters that do not relate to public education in the Trinidad School District. We encourage everyone to utilize existing avenues of redress for complaints. I would like to remind the public that inappropriate personal remarks or other behavior that disrupts or interferes with the conduct of this meeting is out of order.

The Board of Education requests that you observe your time and adhere to the three minutes. Ms. Dominguez, Secretary of the Board, shall serve as timekeeper. She will warn you when you have one-minute left to speak and stop you when three minutes

have elapsed. Please conclude your remarks when the one-minute warning is given.
