Gentle Parent Reminders

1. Arrival time for student drop-off will be between 8:00am - 8:15am.

- Please be mindful and **pull all the way up to the drop off signs** before letting your child out. The line will move faster if students can exit the entire length of the sidewalk. Please pull forward and follow parking lot signs.
- **Your child should exit on the passenger side**. This is important for safety. Cars will be exiting the parking lot on your left. We do not want children and cars in the same space.
- Your child should exit the vehicle and go directly to their assigned entry door to enter the school.

- **Any pick-up changes must be communicated in writing to the classroom teacher by 2:50pm.** Your student will be sent home via their regular mode of transportation unless a written note from the parent is received by the teacher or a phone call is received by the main office before 2:50pm.
- If an emergency arises and you must change your student's transportation home, you must call and notify the office by 2:50pm. Due to the age and number of students that ride the bus, **no transportation changes will be possible after 2:50pm** as last minute changes cause confusion and uncertainty for students.
- **Please be patient and understanding – our first priority is your student's safety.**

WESTVIEW

Gentle Parent Reminders

7. Early student pick-up from school.

- Only parents/guardians or adults listed on the students Emergency Contacts page in PowerSchool will be allowed to pick-up a student during the school day.
- Parents are discouraged from signing their child out of school early because this disrupts the students educational progress. Due to the age and number of students in the building, **early student pick-up is not possible after 2:50pm** as last minute changes in our dismissal routine cause confusion and uncertainty for students. We appreciate your help and understanding!
- Early parent pick-up from school counts as an absence and as such are included in student truancy referrals to the Macomb County Truancy Officer. We appreciate your help in ensuring your student regularly attends school so that they can participate in the important learning activities taking place within their classroom each day.
- **Photo IDs are required to pick up your child from school in the office. Please make sure your child's emergency contact information is updated in the Gateway system.** Parents/guardians will be asked to sign the student out in the logbook.
- Please plan for extra time when picking up your student for appointments as we are not able to have your child waiting for you in the office prior to verifying your photo ID in person.

7. Birthday / Class Treats & Gifts

- With prior teacher approval, students are only allowed to distribute individually packaged food/candy items that list product ingredients and allergen information for birthdays or holidays to classmates due to safety concerns regarding student allergies and medical concerns.
- Students are able to bring a non-food item (pencil, sticker, bookmark, etc) for all students in the classroom if they wish.
