Fitzgerald STUDENT EXPECTATIONS after school

Students, we must again share with you an absolutely **IMPERATIVE** message... the **safety** and **well-being** of ***ALL*** our students is **our number one priority,** and we are very concerned with our students crossing Ryan and Stephens in front of cars when they were not supposed to cross.

PLEASE CROSS RESPONSIBLY AND WITH THE CROSSWALKS.

Parents, please have conversation with your student about crossing the street before and after school. Please ask your student to cross only where there is supervision present at the intersection or where there is a crosswalk.

Students need to focus on using the crosswalks safely and should not be looking down at their cell phones when crossing. **SAFETY IS A PRIORITY**

EARLY COLLEGE of MACOMB

Early Entrance

At the Early College of Macomb (ECM), 11th grade students enter a college program while still in high school.

They benefit from a curriculum that enables them to earn their high school diploma and attend a 13th year of school after graduation, earning an Associate's Degree ***with no cost to themselves for tuition, fees and books***.

Early Exit

Students in the ECM may complete the program with an Associate's Degree in three years (grades 11, 12 and 13).

Early College of Macomb students attend high school classes in their home schools, as well as career-focused classes on the Macomb Community College campus. Students engage in an exciting curriculum taught by both high school and college instructors that will move them ***ahead of a traditional schedule*** toward degrees or technical certificates that match the students' chosen career pathways.

Early Success

Once students complete the program, they are poised for immediate success.

They may earn up to the 60 college credits required for their associate's degree or technical certificate. These credits may also be transferred to a four year college program. They have the option to begin work immediately in their chosen field, or continue with their education a year ahead of their peers toward a Bachelor's degree.

Who is eligible to attend the Early College of Macomb?

Mature, highly motivated students who are ready for the challenges of college coursework leading to high demand careers are eligible if they meet the following criteria:

Application and Qualification

- Are registered in one of the Macomb County public high schools housed within the participating districts
- Will be entering 11th grade in fall 2026
- Have met the criteria requirements
- Have submitted all application materials online
- Have been approved by their home high school

Application materials are available online at **ECMacomb.org**. The application link will be available under the "Prospective Students" tab during the application period of November 20, 2025–January 10, 2026.

2) Two Math grades will be averaged:
- 2nd semester of 9th grade and 1st term of 10th grade
- The GPA for these two courses must be at least 2.5
