On Friday, Mound Park celebrated **Heritage Day!** Our students [and staff] filled the parade with pride as they wore cultural clothing and shared items that represent their families and traditions. In their classrooms, they gave presentations about their heritage and learned from one another.

Together, we celebrated connections to Bangladesh, Mexico, the Choctaw Nation, African American heritage, Jamaica, Italy, Poland, Africa, Israel, the United States, Macedonia, Ireland, India, and Laotian American heritage. Thank you to our families for helping students share their stories and making this such a meaningful day for our school community!

Parents,

We wanted to take a moment to highlight the importance of positive behavior in the hallways at school. The time students spend transitioning between classes is brief, but it plays a key role in maintaining a safe, respectful, and orderly learning environment for everyone.

When students walk calmly, keep noise levels down, and show respect to peers and staff during these transitions, it helps reduce distractions, prevents accidents, and sets a tone of mutual respect throughout the school day. The image to the right displays our building focus for hallway and overall behavior this week.

We appreciate your continued support in reminding your student(s) about the importance of positive behavior at all times—including in the hallways.

Thank you,

CMS Administration & Support Staff
