Write the number of minutes that you read with an adult each night in the little apples. Complete the back of this calendar and turn it in to Dr. Lively by October 2, 2026 to be a part of our Reading Celebration. Keep reading Spartans!			

DAILY ATTENDANCE:

Being on time at school everyday is a wonderful way to support your students learning growth! Did you know that students who are absent just **2** days a month are considered chronically absent? Chronic absenteeism is a leading indicator of a students ability to read at grade level proficiency by 3rd grade. It is important for students to be in class learning every day for the entire school day.

Attendance counts when supporting your students academic growth!

DAILY READING CONVERSATIONS:

Reading at home every day with your child is an easy and effective way to help support your students reading growth. You can read a book aloud to your student, encourage your student to read aloud to you, or take turns reading to one another. Asking your student open ended questions about the story is a strong strategy to help your child recall important details about the story's main idea, characters, and events that took place. You can log your students reading each night on our Westview Reading Calendar. Students who turn in their monthly reading calendar get a free book to take home each month!

FITZGERALD High School

Hello everyone and welcome to the 2026-2027 school year. If you are a returning student, My Hrycaj and myself hope that you had a great summer and if you are a new student we Thank You for choosing Fitzgerald High School.

Just a few reminders. Our first day of school is Monday, August 31st . It is a half of day with a 10:35 am dismissal. School officially starts at 7:30 AM on a daily basis and goes until 2:33 pm on a regular day. The building is open for students at 6:30 am daily and breakfast is served each morning starting at 7:00 am until 7:25 am.

The parking lot will be sectioned off during dismissal to make sure that students can exit the building and campus safely. Please have patience the first few weeks in the parking and I would suggest speaking with your student to have a meeting place after school for pickup.

Our first home football game is on Thursday, September 3rd at 7:00 pm. Students can purchase tickets during their lunch on each game day for \$3.00. Students will not be able to purchase tickets at the window prior to the football game without a parent/guardian attending the game.

We look forward to seeing you on Monday, August 31st
