Fitzgerald STUDENT EXPECTATIONS after school

Students, we must again share with you an absolutely **IMPERATIVE** message... the **safety** and **well-being** of ***ALL*** our students is **our number one priority**, and we are very concerned with our students crossing Ryan by running through and in front of cars when they were not supposed to cross.

PLEASE CROSS RESPONSIBLY

WITH THE CROSSWALKS

Parents, please have conversation with your student about crossing the street before and after school. Please ask your student to cross only where there is supervision present at the intersection or where there is a crosswalk.

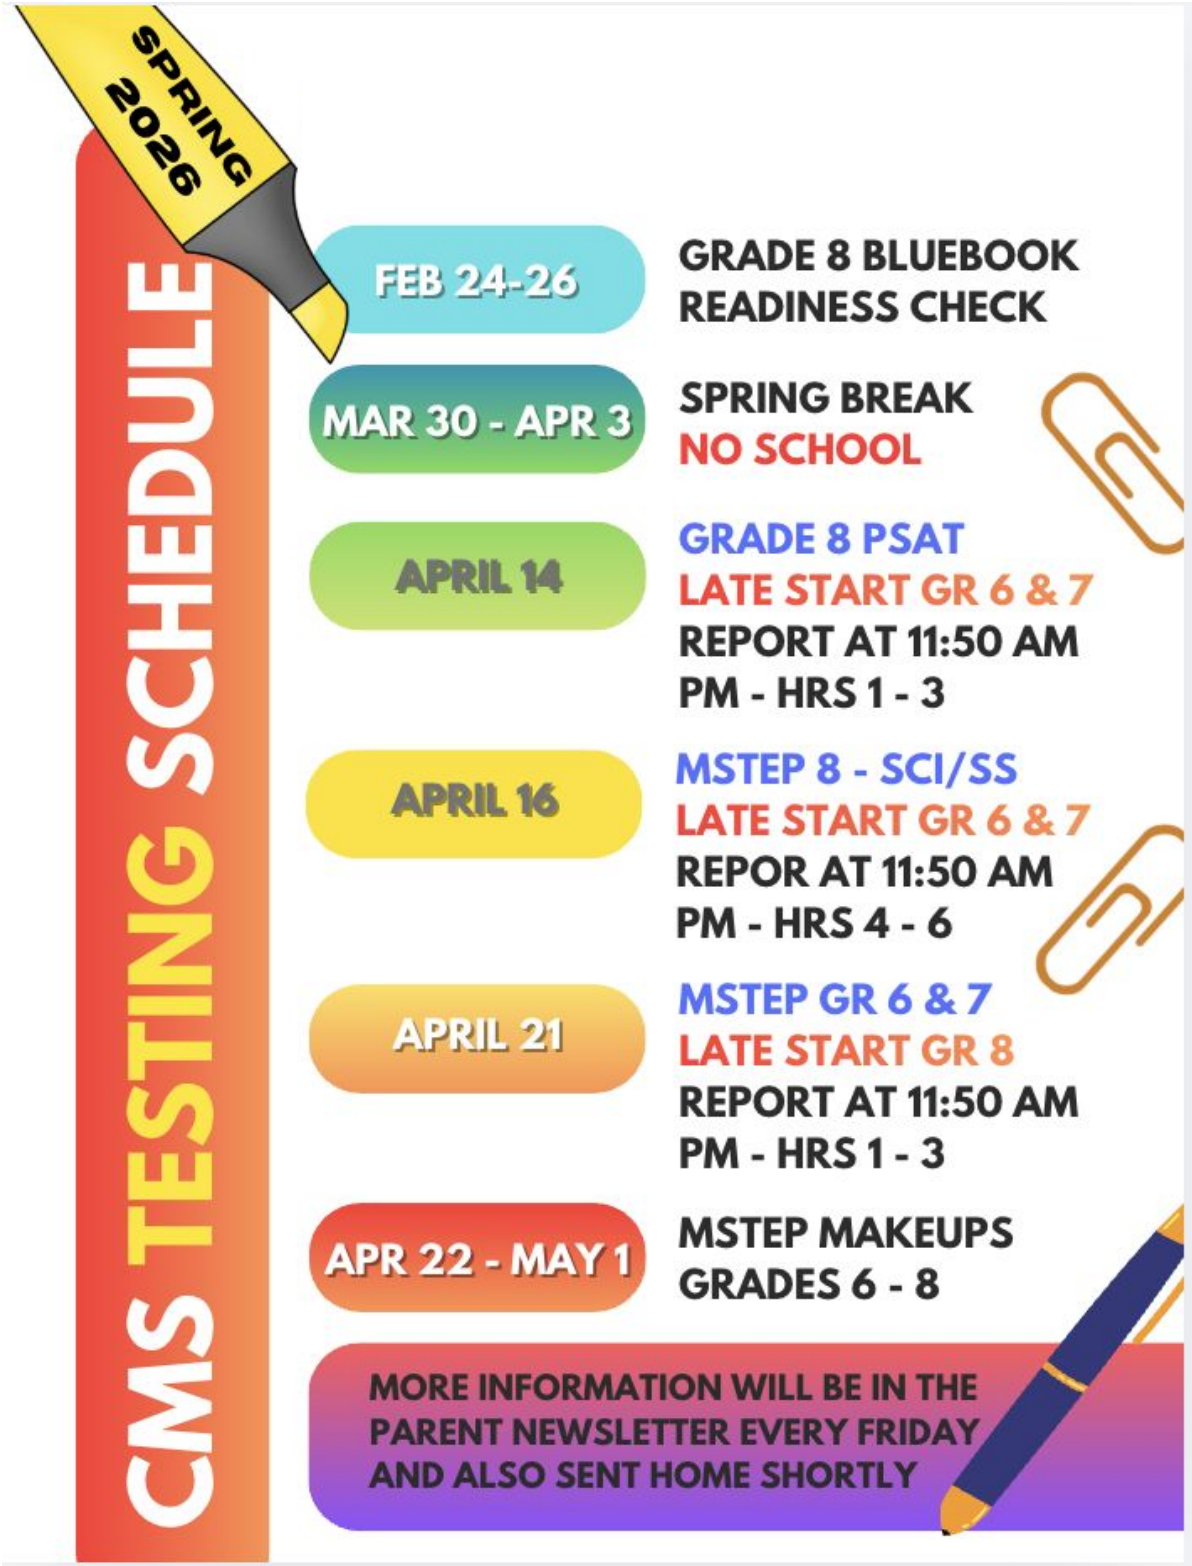

Students need to focus on using the crosswalks safely and should not be looking down at their cell phones when crossing. **SAFETY IS A PRIORITY**
