DAILY ATTENDANCE MATTERS

Beginning the month of November, students will earn prizes and incentives for being present at school daily!

Individual Incentive:
90% or more daily attendance = Prize Cart

Class Incentive:
100% attendance = Enter into a drawing

Made with PosterMyWall.com

Parents…join WES in increasing our student attendance this school year!

Our school goal is for 90% of our students to show up to school daily! To help with this, students will track their attendance daily at school and bring their calendar home at the end of the month.

Please sign and return calendars by December 1st for your student to earn a prize if they meet our attendance goals!

Student Drop-Off & Pick-Up Safety

Dear families,

As we begin Quarter 2, I'd like to remind everyone of the importance of **student safety during drop-off and pick-up times**. Please remember to use only the **designated drop-off and pick-up zones** around the school.

For everyone's safety:

- **Do not stop in the middle of the street** to let students in or out of your vehicle.
- **Do not drop off or pick up on the opposite side of the street.**
- **Do not block or park in neighbors' driveways**, and please avoid turning around in the middle of the street.
- **Follow all posted parking signs** as directed by the **City of Warren.**

Your cooperation helps keep all students, families, and staff safe during busy arrival and dismissal times. Thank you for your continued support and commitment to our school community.

DANCE RESCHEDULED

Thursday's dance will be rescheduled to this Friday. We will host a special SPIRIT DAY and the eligible students will be able to celebrate together! We are SO proud of all of our students for working towards their academic and behavioral goals!

Thursday we had almost 275 students eligible and we had four support staff out at a two day training. In order for our students to **safely** celebrate and enjoy, we had to reschedule for this week. We can not wait to enjoy a bonus spirit day and fall fest dance with those eligible.

Keep up the amazing work, Spartans!!

CHATTERTON

Taking accountability means recognizing how your actions affect yourself and others—and making choices to do better next time. In middle school, this looks like owning up to mistakes, accepting consequences without blaming others, and working to make positive changes.

Whether it's following classroom rules, treating peers respectfully, or completing assignments on time, being accountable helps build trust and maturity. When students take responsibility for their behavior, they show that they are growing into dependable, respectful individuals who can learn from their experiences.

This week we will again focus on ACCOUNTABILITY.

we need to make sure you are being ***respectful*** of the businesses and community

Nexus Policy

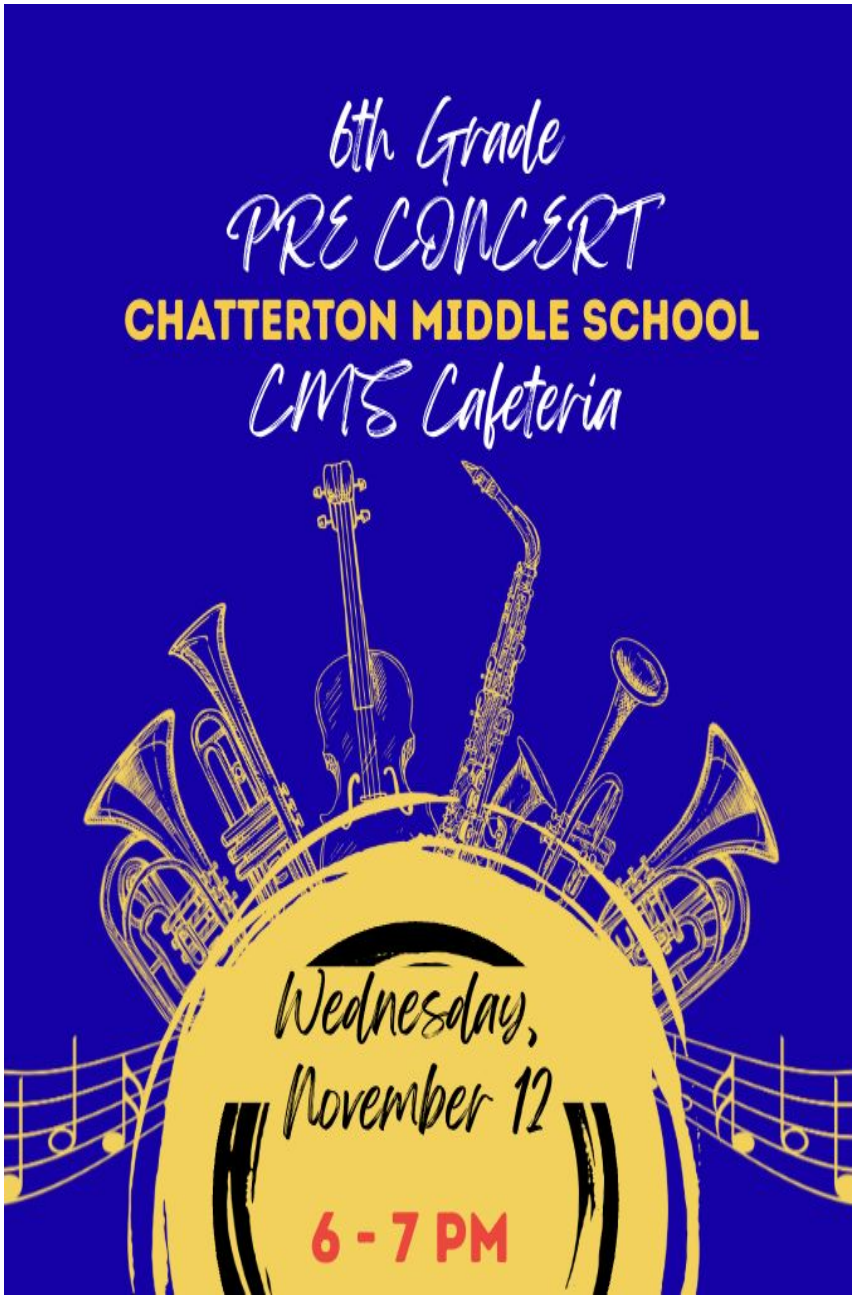

Occurs when a student (or group of students) commits an act which is a violation of the Student Code of Conduct off school grounds (for example, neighborhood and community incidents which violate law) and the act has a continued impact on students or staff on school grounds (or on school sponsored trips or on school buses) in terms of disrupting or preventing the normal flow of the educational process.
