FAMILY GAME NIGHT

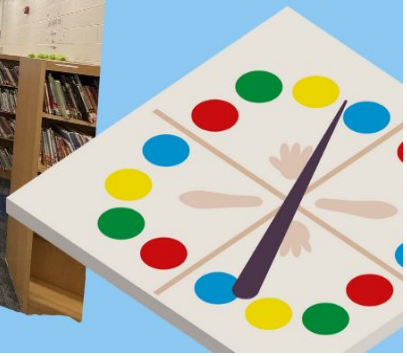

MOUND PARK

Dear Parents and Guardians,

We have been working diligently this school year and we are preparing to take the M-STEP after Spring Break. M-STEP (Michigan Student Test of Educational Progress) is a statewide assessment that measures student learning in key areas in English Language Arts, Mathematics, Science, and Social Studies. It provides valuable information about how well students are mastering grade level standards and helps guide instruction and support.

For your reference, **here is the M-STEP testing schedule.**

Date	Subject	Grade Level	Time
Tuesday - April 7, 2026	ELA	4th and 5th	8:45am - 11:15am
Thursday - April 9, 2026	Math	4th and 5th	8:45am - 11:15am
Monday - April 13, 2026	Science	5th	8:45am - 10:30am
Thursday - April 16, 2026	Social Studies	5th	8:45am - 10:30am

Families play an important role in helping students feel confident and ready. A consistent routine that includes a good night's sleep, a healthy breakfast, and arriving at school on time each day of testing makes a meaningful difference. Daily, and timely attendance during the testing window is essential so students can fully participate without interruptions.

Our students have shown strong growth, effort, and perseverance throughout the year. The progress seen across classrooms reflects their hard work and dedication, and this assessment is an opportunity for them to demonstrate what they have learned.

Thank you for your continued partnership and support. Please reach out with any questions.
