SCHOFIELD *Early Childhood Center*

Schofield students start their day with Morning Meeting. This daily activity helps students learn to be good communicators and helps us create positive classroom communities.

Math stations allow students to practice skills in fun and engaging ways! These students are matching the dots on the 5-frames to the number represented. This will help them as they learn increasingly difficult skills such as addition & subtraction.

SCHOFIELD *Early Childhood Center*

We were excited to welcome our preschool students to school on Monday! They have been busy learning classroom routines and discovering the Interest Areas in their classrooms.

CAR LINE REMINDER

Parents/Guardians who are dropping students off to school – please follow our drop-off procedures to ensure the safety of our students.

1. One way car line
2. Remain in your car! Please do not walk your child to the door.
3. Staff will open your car door and help your student into school.

Dear Westview Parents,

I want to thank everyone who attended our Title 1 Parent Meeting on Wednesday evening! It was a huge success! We had numerous families attend!

Westview hosted our first PBIS Student Assembly on Friday where our own Mr. Barrick presented what positive behavior looks like and how to be a proud Spartan!

Don't forget that Wednesday, September 16th is a PLC Day for all School Staff and dismissal is at 1:51pm.

Please also RSVP for our upcoming Science Night on Wednesday, September 23rd, see the flyer on the next slide!

Take a moment to contact LaDon Williams our Parent Liaison if you are interested in volunteering! ladwil@myfitz.net

Thanks, Dr. Lively
