MOUND PARK Upper Elementary School

Dear Families,

What a fantastic first week at Mound Park! Our students made new friends, learned and practiced procedures and routines, and settled into the school year beautifully.

We are especially proud of how phenomenally our students responded during Friday's weather alert - even though we have not yet practiced our tornado shelter drill. They listened carefully, followed directions, and showed what it means to be safe and prepared!

Thank you to all the families who attended our Title I Parent Orientation. I look forward to collaborating with you throughout the year to support our students' success.

This week was a true testament to our district motto: **All Students. All Families. All the Time.** We are officially **ALL IN** for an amazing year ahead!

Friendly reminder: Please send your child to school each day with a labeled, refillable water bottle so they can stay hydrated and ready to learn.

Be sure to check the calendar for upcoming events and important dates!
