HOME ACCESS CENTER & STUDENT SCHEDULES

The Home Access Center is scheduled to be available today (Wednesday, August 19) after 5:00pm for you to view your student's schedule. Questions and more information about Home Access Center can be reached at the following link:

[Home Access Center | Coatesville Area School District](#)

Please note that schedules are still being reviewed by guidance and there may be changes prior to the first day of school. As we prepare for the start of the school year, we want to share some important information about how schedule change requests will be handled.

Please do not call or email your student's counselor directly to request a schedule change. Our school counselors will be attending teacher in-service training next week, which may affect response times. All requests must be submitted through the form below so they can be logged and processed in order. A counselor will reach out to you once your request has been processed.

Schedule changes WILL be made for:

- A missing major subject (a required core class the student is not currently scheduled for)
- An incorrectly scheduled major subject (for example, the wrong level or a course already completed)
- A gap in the schedule

CASH Principal:
Assistant Principals:

Brian M. Chenger
Jeff Colf
Justin Keller
Erin McDonnell

CAIHS Principal:
Assistant Principals:

Clifford J. Maloney III
Peter Altland
Jack Chain
Kristin Kotler

Schedule changes CANNOT be made for:

- Lunch period preference
- A specific teacher request
- Being scheduled with friends

Priority: Requests involving major/core subjects (English, math, science, social studies, etc.) will be prioritized and addressed first.

Electives: Elective change requests will be considered, but they are not guaranteed, as many elective courses are already at capacity. If your student did not list alternate choices when selecting electives, an elective was assigned on their behalf.

Other concerns: Any additional scheduling concerns will be reviewed individually by our administration.

Please note: Your student's official, final schedule will be provided on the first day of school.

To submit a schedule change request, please use the form linked below.

In an effort to appropriately document necessary changes students should make such requests by using one of the following links:

COLLEGE & CAREER CENTER:

The College and Career Center serves as a resource hub where students can explore, prepare for, and pursue their plans after high school. Whether a student is interested in attending college, entering the workforce, joining the military, pursuing an apprenticeship, or exploring other career pathways, our goal is to provide the guidance, resources, and opportunities needed to make informed decisions about the future.

Through college planning, career exploration, industry speaker presentations, job placement assistance, resume development, interview preparation, workplace learning experiences, and connections with local businesses and community partners, we help students discover their interests, develop valuable skills, and build a pathway toward success. We are committed to empowering every student to confidently pursue their goals and prepare for life beyond graduation. Our College & Career Center advisors, Mrs. Domsohn and Ms. Lewis, will be working with students in grades 9 -12 throughout the school year. For more information on our College & Career Center please visit their website at the following link: [College and Career Center Website](#)

STUDENT COUNCIL NEWS:

Canvas Announcement Hub:

Next week, students will receive an invitation in their school email to join "The Announcement Hub," a central location for information related to Student Council, Yearbook and more. Students should accept this invitation so they can stay informed about special events and activities happening throughout the year such as Homecoming, Student Section Themes, Positive Behavior Initiatives, etc.

Homecoming Early Information:

The Homecoming game is scheduled for October 9th in Coatesville Memorial Stadium. We will recognize the Homecoming Court and crown the 2026 Homecoming Queen at this game.

The Homecoming Dance will be on Saturday, October 10th at CASH's Max Stuber Gymnasium from 7:00pm to 10:00pm.

Students will only be eligible to attend the dance if they are enrolled in a high school program grades 9 – 12; NO Graduates may attend the dance. To purchase tickets all students are required to complete a registration form on the Family ID website. Students must also have the "Student Emergency Procedure Form" submitted and not on the obligation list for any reason. This registration is how we collect and maintain emergency contact information for all dance attendees. The link will be posted on the Canvas Announcement Hub, CASH/CAIHS website, and social media accounts. Tickets will be sold through Hometown Ticketing. Please be sure to continue to monitor Monday Morning Messages, Canvas, and social media accounts for more information about Homecoming week activities, and dance tickets.
