NATIONAL SCHOOL RESOURCE OFFICER APPRECIATION DAY

We recognize National School Resource Officer (SRO) Appreciation Day — February 15. CASD honors the dedication of our School Resource Officers and School Police who work every day to keep our students, staff, and schools safe.

We are sincerely grateful for their commitment and the positive impact they make in our school community.

NATIONAL SCHOOL COUNSELING WEEK

CASD Celebrates Our School Counselors

During National School Counseling Week (February 2-6), we want to take a moment to acknowledge our incredible school counselors for the compassion, guidance, and encouragement they provide every single day. Your dedication helps students grow academically, socially, and emotionally, and your impact reaches far beyond the classroom.

We honor and appreciate all that you do to support and inspire our school community.

Students in our elementary schools celebrated the 100th day of school with lots of creativity and fun. From dressing up as 100-year-olds to completing special classroom activities focused on the number 100, the day was full of smiles and learning. Rainbow Elementary honored their school tradition and celebrated the 101st day of school, and students could dress up like the characters of a certain movie with the number 101 in it.

Surrounded by family, friends, teammates, and coaches, these students marked an important milestone that reflects years of hard work, perseverance, and dedication. We are incredibly proud of their accomplishments and look forward to watching them represent Coatesville at the next level.
