Robotics Club

I would like to congratulate the Coatesville Raiderbots for your hard work and for representing both our robotics club program and the Coatesville Area School District so well this year. With many of you dedicating over 475 hours to design, development, programming, and community outreach, your commitment has been truly impressive.

The team concluded the competition season with two of our high school teams qualifying for the PA State Championship. Only 40 of the 163 teams in Pennsylvania go to the state championship. Among those 40, only 13 teams were school based teams.

Thank you Coach Andy Moscarelli, Coach Octavia Warren-Ward, and Coach Joe Hughes for your hard work and dedication with our students.

Congratulations Winter Sports

Congratulations to all of the CASD Winter Sports Teams on all they have accomplished this season. What an honor it is to see how each of you represented the CASD name at each competition. We are proud of you and how well you competed this season. Thank you to all the coaches, parents and volunteers for all the long nights and sacrifices you made to make sure our students were a huge success!

Thank You
