THE COATESVILLE AREA SCHOOL DISTRICT
SUGGESTED SUPPLY LIST
2026-2027 SCHOOL YEAR

The Coatesville Area School District elementary schools are proud to provide materials and supplies needed for instructional purposes to all elementary students. Families are not required to purchase any materials; however, as many families enjoy shopping for school supplies with their children, below are optional items that could be purchased as students prepare for the start of school. Students are encouraged to bring in a refillable water bottle from home. Items that are supplied by home, including book bags, should have labels with your student's name and grade.
