

Dear Parents/Guardians and Patrons,

The purpose of this letter is to provide information/resources that will help you prepare for your child to begin a new school year. On the following page is **a suggested list** of instructional items/school supplies our students will use in their grade during the 2026-2027 school year.

NOTICE: The items on this list will be used during the regular school day. These items may be brought from home on a voluntary basis, otherwise, they will be furnished by the school. A student may be required to replace supplies provided by the school which are lost, wasted, or damaged by the student through careless or irresponsible behavior.

We welcome any/all donations (supplies and/or \$) on behalf of our students! All donations we receive will be utilized during the regular school day, during instructional activities. Monetary/cash donations may be used to help us fund field-trips and/or other learning activities we feel are important in helping our students grow and develop and to purchase instructional resources for our students. Monetary/cash donations in any amount under \$250 may be mailed/dropped off to the school office. Donations over \$250 must run through the Weber School Foundation for tax-related purposes. When donating to the Weber School Foundation, indicate you'd like the donation to benefit Farr West Elementary and your student's grade.
