Dear Parents/Guardians,

Welcome back to the 2025-26 school year. We hope you have had a wonderful summer with your family. We are so excited for this school year and starting all together as a school at Haven Bay. Yesterday, we had new student registration and we want to welcome our wonderful families that have moved into the area. There will be additional information shared in the next few weeks, but we wanted to get out a quick note with some of the things coming up.

First of all, we want to make sure you have the information you need so please use our website havenbay.wsd.net to get answers to questions and calendar information and to see some of the great things that are going on at our school. Our goal is to have pertinent information available for you and keep it up to date on our website.

Reminder: All students in Weber School District must register online each school year. Registration forms are available through your WSD PowerSchool Parent Portal at: <https://weber.powerschool.com/public>

We hope with all the fun things going on in the summer you have still found time to do some reading. At the beginning of the year we will collect Superintendent summer reading and math to prepare certificates for those who have participated. If you haven't been reading it isn't too late to start.

Please take note of the upcoming dates:

**Please see the Suggested Supply lists by grade level on our website under the parents tab.*

August 5th: Class assignments are available on Powerschool (except Kindergarten)
August 6th: Kindergarten assessments (If you don't have a time please call our office)
August 7th: PTA meeting at 9:00
August 14th: Back to School Night Open House 4:00-6:00
August 19th: First Day of School
August 19th-22nd: Early Release at 12:20

Sincerely,

Justin Skeen
