### Parking Registration Form

**In order to help provide a safe and secure campus, the following guidelines are set for driving on the campus at Crawford County High School:**

1. If you are in 10<sup>th</sup> grade or above and you can drive, you must register your car on campus. Freshmen will be allowed to drive on campus on a case by case basis and with special approval of school administration.
2. The cost to park on campus is \$25.00 if purchased during the first semester and \$10.00 if purchased during the second semester.
3. **You must provide copies of the following documents:**  
**Vehicle Registration**  
**Valid Driver's License**  
**Proof of Insurance Card**  
**Completed Parking Registration Form (Reverse side of this form)**
4. Any vehicle that you drive must be included on the registration form. Driving to school is a **privilege** and you will need to adhere to the following guidelines:
  - a) The Valid CCHS Parking Permit must be fully visible at all times while on school premises.  
***(Previous parking permits are not valid)***
  - b) **I understand that my vehicle is subject to being searched at any time it is located on school property.** Further, I will cooperate by opening my vehicle or face punishment (*which could include ISS, OSS or suspension of my parking/driving privileges*).
  - c) I may only park in my assigned spot (designated by a red number on my parking pass and the parking spot number).
5. Parents must sign the CCHS Parking Permit application. If it is not signed, your driving privileges will be revoked until the application is returned with parental signature.
6. Driving recklessly on campus, boisterous behavior on campus/in the parking lot, loud radio/music, etc...will result in immediate suspension of driving privileges.
7. It is illegal for anyone to drive while talking on their cell phones.
8. Students will not transport students in the back of (i.e. bed) of trucks. Violation of this rule will be cause for immediate suspension of parking/driving privileges for a period of 10 school days on the first offense. A second offense could result in suspension of driving privileges for the remainder of the school year.
9. You must exhibit good behavior at all times by following all rules published in the CCHS Student Handbook.

**\*\*\*If you withdraw or change to another school, you will forfeit your CCHS parking space\*\*\***
