Steps for Completing the Summer Reading Challenge

1. Read and keep track of your minutes. For every 15 minutes read, cross off one state symbol. Make sure to read enough to cross off all fifty! That's 750 minutes of reading over the summer!

2. Get your Summer Reading Tracking sheet signed by an adult that has seen you read over the summer.

3. Turn in your completed Summer Reading Tracking sheet to your teacher no later than Friday, September 4th.

Prizes Awarded

All students who complete the challenge will receive a certificate, locker tag and fun mystery prize.

All students who complete the challenge will be invited to partake in a half day of fun activities at Pine Lake Camp!

" Top Reader" awards will be given to students for each grade level. These are for students competing to read the most minutes during the summer months.
