1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

Proposition 28 requires that at least 80 percent of funds be used for staffing for arts and music instruction, with up to 20 percent available for training, supplies, and program support. Because our district has fewer than 500 students, we are exempt from the 80/20 requirement; however, our plan is to use the majority of funding to hire an Art Teacher two days per week for the full school year and to purchase necessary art supplies and instructional materials. This approach ensures students have access to consistent, high quality arts instruction while also providing flexibility to meet program needs.

2. Number of full-time equivalent teachers (certificated).	0.4
3. Number of full-time equivalent personnel (classified).	0.0
4. Number of full-time equivalent teaching aides.	0.0
