Closed Session Authorization During Meeting

If during the course of the meeting covered by this notice the board should determine that a closed or executive meeting or session of the board should be held or is required, then such closed or executive meeting or session as authorized by Chapter 551 of the Texas Government Code (the Open Meetings Act) will be held by the board at the date, hour, and place given in this notice or as soon after the commencement of the meeting covered by this notice as the board may conveniently meet in such closed or executive session concerning any and all subjects and for any and all purposes permitted by Section 551.071 through Section 551.089 inclusive of said Open Meetings Act. Should any final action, final decision, or final vote be required in the opinion of the board with regard to any matter considered in such closed or executive session, then such final action, final decision, or final vote shall be at either:

a) the open meeting covered by this notice upon the reconvening of this public meeting, or
b) a subsequent public meeting of the board upon notice thereof, as the board shall determine.

All final votes, actions, or decisions will be taken in an open meeting.

Please see the Texas Open Meetings Act, Tex. Gov't Code ch. 551.

Sec. 551.071. CONSULTATION WITH ATTORNEY; CLOSED MEETING. A governmental body may not conduct a private consultation with its attorney except: (1) when the governmental body seeks the advice of its attorney about: (A) pending or contemplated litigation; or (B) a settlement offer; or (2) on a matter in which the duty of the attorney to the governmental body under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with this chapter.

Sec. 551.072. DELIBERATION REGARDING REAL PROPERTY; CLOSED MEETING. A governmental body may conduct a closed meeting to deliberate the purchase, exchange, lease, or value of real property if deliberation in an open meeting would have a detrimental effect on the position of the governmental body in negotiations with a third person.
Sec. 551.073. DELIBERATION REGARDING PROSPECTIVE GIFT; CLOSED MEETING. A governmental body may conduct a closed meeting to deliberate a negotiated contract for a prospective gift or donation to the state or the governmental body if deliberation in an open meeting would have a detrimental effect on the position of the governmental body in negotiations with a third person.

Sec. 551.074. PERSONNEL MATTERS. (a) This chapter does not require a governmental body to conduct an open meeting:
(1) to deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee; or
(2) to hear a complaint or charge against an officer or employee. (b) Subsection (a) does not apply if the officer or employee who is the subject of the deliberation or hearing requests a public hearing.

Sec. 551.076. DELIBERATION REGARDING SECURITY DEVICES OR SECURITY AUDITS; CLOSED MEETING. This chapter does not require a governmental body to conduct an open meeting to deliberate: (1) the deployment, or specific occasions for implementation, of security personnel or devices; or (2) a security audit.
Sec. 551.082. SCHOOL CHILDREN; SCHOOL DISTRICT EMPLOYEES; DISCIPLINARY MATTER OR COMPLAINT. (a) This chapter does not require a school board to conduct an open meeting to deliberate in a case: (1) involving discipline of a public school child; or (2) in which a complaint or charge is brought against an employee of the school district by another employee and the complaint or charge directly results in a need for a hearing.

Sec. 551.0821. SCHOOL BOARD: PERSONALLY IDENTIFIABLE INFORMATION ABOUT PUBLIC SCHOOL STUDENT. (a) This chapter does not require a school board to conduct an open meeting to deliberate a matter regarding a public school student if personally identifiable information about the student will necessarily be revealed by the deliberation. (b) Directory information about a public school student is considered to be personally identifiable information about the student for purposes of Subsection (a) only if a parent or guardian of the student, or the student if the student has attained 18 years of age, has informed the school board, the school district, or a school in the school district that the directory information should not be released without prior consent. In this subsection, "directory information" has the meaning assigned by the federal Family Educational Rights and Privacy Act of 1974 (20 U.S.C. Section 1232g), as amended. (c) Subsection (a) does not apply if an open meeting about the matter is requested in writing by a parent or guardian of the student or by the student if the student has attained 18 years of age.

Sec. 551.089. DELIBERATION REGARDING SECURITY DEVICES OR SECURITY AUDITS; CLOSED MEETING. This chapter does not require a governmental body to conduct an open meeting to deliberate: (1) security assessments or deployments relating to information resources technology; (2) network security information as described by Section 2059.055(b); or (3) the deployment, or specific occasions for implementation, of security personnel, critical infrastructure, or security devices.

Budget Amendment Executive Summary

The budget amendment for the month of April includes both budget amendments and budget transfers.

Budget Amendment

The budget amendment for the month of April totals $7,264,969.70 in revenues and $7,264,969.70 in appropriations. The budget amendment is broken down into two categories, 1) General Fund (the district's operating fund), and 2) All Other Funds.

1) The budget amendment in the General Fund for the month of April includes activity fund donations totaling $219,060.70.

    - McCullough Junior High ($10,322.50 for a trailer for the color guard)
    - Snyder Elementary ($72,321.20 for a swing set)
    - Hines Elementary ($136,417.00 for playground equipment)

2) The budget amendment in All Other Funds of $7,045,909 includes amounts for new or revised state, federal and local grant allocations. Revised funding may be due to federal reallocations, roll forward and maximum entitlements. The roll forward is the unspent portion of the previous year's federal allocation. The maximum entitlement is the final distribution of total unallocated funding by the federal government.

The budget amendment contains final amounts, carryovers, and reallocations received for: Title I, Part A for $3,261,367; Title I, Part C for $4,635; Title I, Part D for $129,243; Title II, Part A for $409,572; Title III, Part A Limited English Proficient for $296,110; Title III, Part A Immigrant for $206,328; and Title IV, Part A for $316,545. The amendment also includes an increase for the 2025-2026 Texas Education for Homeless Children & Youth Grant in the amount of $69,018. In addition, the amendment also contains funding for the Texas Clean School Bus Program totaling $827,091. This program is designed to reduce school children's exposure to diesel exhaust from school buses by replacing or retrofitting school buses. Lastly, the budget amendment includes funding for the Learning Acceleration Support Opportunities (LASO) Cycle 4 Grant in the amount of $1,526,000. The LASO Cycle 4 program grants and allotments are focused on four of the five learning acceleration strategies: Curriculum & Instruction, Education & Training, More Time, and Innovative School Models. Conroe ISD received funding for Leadership & Instructional Foundations for Texas (LIFT) and Advanced Placement Computer Science Principles (APCSP).

Budget Transfers

Budget transfers consist of funds transferred within the same fund but changing functions. These transfers are found within the General Fund and All Other Funds. The total amount of all transfers is $443,772.07. Approximately 82% or $364,222.07 of the transfers is found in the general fund. The remaining $79,550 is located within the District's grant funds.

Consider and Adopt Revisions to Board Policy DBD (Local)

Proposal:
That the Board of Trustees consider and adopt revisions to Local Board Policy DBD Employment Requirements and Restrictions: Conflict of Interest

Explanation:
The Administration recommends consideration and adoption of the revisions to Board Policy DBD Employment Requirements and Restrictions: Conflict of Interest. The Administration recommends that the updated Local Board Policy DBD (Local) be adopted as presented.

Policy Reference: DBD Local

Recommended by:

Dr. David Vinson
Superintendent of Schools

Conroe ISD (conroe-isd)

Employment Requirements and Restrictions: Conflict of Interest (DBD)

Policy Type: Local Policy

Date Issued: 2016-01-26

Version: 1

Note: For conflicts of interest and gifts and gratuities related to federal grants and awards, see CB and CBB.

Disclosure—General Standard

An employee shall disclose to his or her immediate supervisor a personal financial interest, a business interest, or any other obligation or relationship that in any way creates a potential conflict of interest with the proper discharge of assigned duties and responsibilities or with the best interest of the District.

Specific Disclosures

Substantial Interest

The Superintendent shall file an affidavit with the Board President disclosing a substantial interest, as defined by Local Government Code 171.002, in any business or real property that the Superintendent or any of his or her relatives in the first degree may have.

Any other employee who is in a position to affect a financial decision involving any business entity or real property in which the employee has a substantial interest, as defined by Local Government Code 171.002, shall file an affidavit with the Superintendent; however, the employee shall not be required to file an affidavit for the substantial interest of a relative.

Interest In Property

The Superintendent shall be required to file an affidavit disclosing interest in property in accordance with Government Code 553.002.

Annual Financial Management Report

The Superintendent, as the executive officer of the District, shall provide to the District in a timely manner information necessary for the District's annual financial management report.

[See BBFA]

Gifts

An employee shall not accept or solicit any gift, favor, service, or other benefit with a value of $50 or more from a vendor or other individual associated with the District, such as a student or parent, that could reasonably be construed to influence the employee's discharge of assigned duties and responsibilities. [See CAA, CB, and CBB]

Endorsements

An employee shall not recommend, endorse, or require students to purchase any product, material, or service in which the employee has a financial interest or that is sold by a company that employs or retains the District employee during non-school hours. No employee shall require students to purchase a specific brand of school supplies if other brands are equal and suitable for the intended instructional purpose.

Sales

An employee shall not use his or her position with the District to attempt to sell products or services.

Non-school Employment

An employee shall disclose in writing to his or her immediate supervisor any outside employment that in any way creates a potential conflict of interest with the proper discharge of assigned duties and responsibilities or with the best interest of the District.

Private Tutoring

An employee shall disclose in writing to his or her immediate supervisor any private tutoring of District students for pay.

Administrator Financial Benefit

Definition

For this section, an administrator means a person who has significant administrative duties relating to the operation of the District, including the operation of a campus, program, or other subdivision of the District.

The definition of administrator does not include:

1. A school district employee whose employment contract responsibilities primarily include the in-classroom instruction of students; or
2. A Board of Trustees member.

Financial Benefit

Except as provided by this policy, an administrator may not receive any financial benefit for the performance of personal services for:

1. Any business entity that conducts or solicits business with the District;
2. An education business that provides services regarding the curriculum or administration of any school district; or
3. Another school district, open-enrollment charter school, or regional education service center.

An administrator, other than a member of a Board of Trustees, superintendent, or assistant superintendent, may receive a financial benefit for the performance of personal services for (2) or (3) only if:

1. A written contract describing the services to be performed by the administrator is provided to the Board; and
2. The Board votes to approve the contract after determining that:
    a. The contract will not harm the District;
    b. The arrangement does not present a conflict of interest; and
    c. The services to be performed will be performed entirely on the administrator's personal time.

A contract provided to a Board under these conditions shall be subject to public disclosure.

An administrator who violates these terms may be liable to the state for a civil penalty in the amount of $10,000 for each violation.

The District shall adopt procedures to implement this policy.

Consider and Adopt Revisions to Board Policy FEA (Local)

Proposal:
That the Board of Trustees consider and adopt revisions to Local Board Policy FEA Attendance Compulsory Attendance

Explanation:
The Administration recommends consideration and adoption of the revisions to Board Policy FEA Attendance Compulsory Attendance. The Administration recommends that the updated Local Board Policy FEA (Local) be adopted as presented.

Policy Reference: FEA Local

Recommended by:

Dr. David Vinson
Superintendent of Schools

Conroe ISD (conroe-isd)

Attendance: Compulsory Attendance (FEA)

Policy Type: Local Policy

Date Issued: 2023-10-30

Version: 1

Students in violation of the compulsory attendance law shall be reported to the District attendance officer, who may institute court action as provided by law.

Excused Absences

In addition to excused absences required by law, the District shall excuse absences for the following purposes. A student shall be required to submit verification of these absences in accordance with administrative regulations.

Higher Education Visits

The District shall excuse a student for up to two days during the student's junior year and up to two days during the student's senior year to visit an accredited institution of higher education.

Career Investigation

The District shall excuse a student for up to two days during the student's junior year and up to two days during the student's senior year to visit a professional's workplace for purposes of exploring the student's interest in pursuing a career in that professional's field.

Armed Services Enlistment

The District shall excuse a student 17 years of age or older for up to four days during his or her enrollment in high school for activities related to pursuing enlistment in a branch of the U.S. Armed Services or Texas National Guard.

Early Voting Or Election Clerk

The District shall excuse a student for up to two days per school year to serve as an early voting or election clerk.

Learner Or Driver's License

The District shall excuse a student 15 years of age or older for one day during his or her enrollment in high school for each of the following:

- Visiting a driver's license office to obtain a learner license; or
- Visiting a driver's license office to obtain a driver's license.

[For extracurricular activity absences, see FM.]

Withdrawal For Nonattendance

The District may initiate withdrawal of a student under the age of 19 for nonattendance under the following conditions:

1. The student has been absent 10 consecutive school days; and
2. Repeated efforts by the attendance officer and/or principal to locate the student have been unsuccessful.

[For District-initiated withdrawal of students 19 or older, see FEA(LEGAL).]

Students Attending Homeschools

Students who are homeschooled are exempt from the compulsory attendance law to the same extent as students enrolled in other private schools.

Adequate documentation of homeschooling for withdrawal shall consist of either a statement of withdrawal in accordance with FD(LOCAL) indicating the date homeschooling began, or a signed and dated letter from a parent or guardian indicating that his or her child is being homeschooled and the date the homeschooling began.

The District may request from a parent or guardian a letter of assurance that a child is being educated using a curriculum designed to meet basic education goals of reading, spelling, grammar, mathematics, and a study of good citizenship.

Enforcing Compulsory Attendance

If a parent or guardian refuses to submit a requested statement or letter, or if the District has evidence that a school-aged child is not being homeschooled within legal requirements, the District may investigate further and, if warranted, shall pursue legal action to enforce the compulsory attendance law.

Real Time Course

Definition

For the purpose of this section, released time course shall mean a course in religious instruction offered by a private entity.

Release Time Course Excused Absence

The District shall adopt a procedure for a parent or legal guardian to request their student to be excused from attending school to attend a released time course for at least one but not more than five hours per week. The District shall not interfere with the ability of the student's parent or legal guardian to request or access a released time course for their student.

As part of the District procedure, the District will require the student's parent or legal guardian to provide written consent for the student to attend the released time course.

District Prohibitions

The District shall prohibit:

1. The use of District or school funds, to facilitate the provision of a released time course, excluding de minimis costs.
2. The private entity from offering the released time course on District or school property, unless permitted under a neutral Board Policy or District procedure that provides equal access to community organizations to use District or school property. See School Board Policy GKD (Local).

Transportation

It shall be the responsibility of the private entity providing the course, the parent or legal guardian, or the student to arrange, assume responsibility, and provide transportation to and from the location where the released time course is offered. This shall include transportation for students with disabilities.

Private Entity Responsibility

The private entity offering the released time course shall:

1. Make appropriate provisions for and assume full liability for the student while the student is under its supervision and private care;
2. Monitor student attendance;
3. Report any student failure to attend the real time course to the District as soon as practicable; and
4. Maintain accurate attendance records and provide them on a regular basis to the District.

Student Responsibility

The student shall assume responsibility for any District schoolwork during the student's absence and for continuous attendance at the real time course.

The District shall adopt procedures to implement this policy.

District Prohibitions

The District shall prohibit:

1. The use of District or school funds, to facilitate the provision of a released time course, excluding de minimis costs.

Legislative Basis for the Policy Change

Origins of the Code Revisions: Senate Bill 1049

Education Code § EXCUSED ABSENCE TO ATTEND RELEASED TIME COURSE.

(a) In this section, "released time course" means a course in religious instruction offered by a private entity.

(b) A school district or open-enrollment charter school shall, on the request of a parent or legal guardian of a student enrolled at the district or school and subject to the policy adopted under Subsection (c), excuse the student from attending school to attend a released time course for at least one but not more than five hours a week.

(c) Each school district and open-enrollment charter school shall adopt a policy for excusing a student enrolled at the district or school from attending school to attend a released time course. The policy:

(1) must require:

(A) the student's parent or legal guardian to provide written consent for the student to attend the released time course;

(B) the private entity offering the released time course to maintain attendance records and make the records available to the district or school at which the student is enrolled;

(C) the private entity, parent or legal guardian, or student to assume responsibility for transportation, including transportation for a student with a disability, to and from any location at which the released time course is offered;

(D) the private entity to make provisions for and assume liability for the student enrolled in the released time course while the student is under the private entity's care; and

(E) the student to assume responsibility for any schoolwork issued during the student's absence;

(2) must prohibit:

(A) the district or school from using district or school funds, excluding de minimis costs, to facilitate the provision of a released time course; and

2. The private entity from offering the released time course on District or school property, unless permitted under a neutral Board Policy or District procedure that provides equal access to community organizations to use District or school property. See School Board Policy GKD (Local). **Transportation** It shall be the responsibility of the private entity providing the course, the parent or legal guardian, or the student to arrange, assume responsibility, and provide transportation to and from the location where the released time course is offered. This shall include transportation for students with disabilities. **Private Entity Responsibility** The private entity offering the released time course shall: 1. Make appropriate provisions for and assume full liability for the student while the student is under its supervision and private care; 2. Monitor student attendance; 3. Report any student failure to attend the real time course to the District as soon as practicable; and 4. Maintain accurate attendance records and provide them on a regular basis to the District. **Student Responsibility**	(B) the private entity from offering the released time course on district or school property, unless permitted under a neutral policy of equal access that allows community organizations to use district or school property; and (3) may not interfere with the ability of the student's parent or legal guardian to request or access a released time course for the student. Added by Acts 2025, 89th Leg., R.S., Ch. 1140 (S.B. 1049), Sec. 2, eff. September 1, 2025.

42

The student shall assume responsibility for any District schoolwork during the student's absence and for continuous attendance at the real time course. The District shall adopt procedures to implement this policy.	

Consider and Adopt Revisions to Board Policy FEC (Local)

Proposal:
That the Board of Trustees consider and adopt revisions to Local Board Policy FEC Attendance: Attendance for Credit

Explanation:
The Administration recommends consideration and adoption of the revisions to Board Policy FEC Attendance for Credit. The Administration recommends that the updated Local Board Policy FEC (Local) be adopted as presented.

Attendance: Attendance for Credit (FEC)

Policy Type: Local Policy

Date Issued: 2021-10-07

Version: 1

This policy shall apply to a student who has not been in attendance for 90 percent of the days the class is offered.

Absences Considered

Except as otherwise provided by law, all absences incurred while enrolled in the District shall be considered in determining whether a student has attended the required percentage of days under this policy.

Attendance Committees

The Board shall establish an attendance committee or as many committees as necessary for efficient implementation of Education Code 25.092.

The Superintendent shall make the specific appointments in accordance with legal requirements.

Parental Notice Of Excessive Absences

A student and the student's parent or guardian shall be given written notice prior to and at such time when a student's attendance in any class drops below 90 percent of the days the class is offered.

Methods For Regaining Credit Or Awarding A Final Grade

When a student's attendance drops below 90 percent but remains at least at 75 percent of the days the class is offered, the student may earn credit for the class or a final grade by completing a plan approved by the principal. This plan must provide for the student to meet the instructional requirements of the class as determined by the principal.

If the student fails to successfully complete the plan, or when a student's attendance drops below 75 percent of the days the class is offered, the student, parent, or representative may request award of credit or a final grade by submitting a written petition to the appropriate attendance committee.

Petitions for credit or a final grade may be filed at any time the student receives notice but, in any event, no later than 30 days after the last day of classes.

The attendance committee shall review the student's entire attendance record and the reasons for absences and shall determine whether to award credit or a final grade. The attendance committee may also, whether a petition is filed or not, review the records of all students whose attendance drops below 90 percent of the days the class is offered.

A student who has lost credit or has not received a final grade because of excessive absences may regain credit or be awarded a final grade by fulfilling the requirements established by the attendance committee.

Student Health Care and Personal Illness

In determining extenuating circumstances, ~~T~~the principal or attendance committee shall consider absence for appointments with health care professionals and absence resulting from a serious or life-threatening illness or related treatment as defined in Texas Education Code Section 25.087. The principal or attendance committee may require verification from a health-care professional ~~provider~~ in accordance with ~~administrative regulations~~ District procedure as a condition of classifying an absence for an appointment for health care or personal illness as one for which there are extenuating circumstances.

Best Interest Standard

In reaching consensus regarding a student's absences and how the student can be awarded credit or a final grade, the attendance committee shall attempt to ensure that its decision is in the best interest of the student. The Superintendent shall develop administrative regulations to document the attendance committee's decision.

Guidelines On Extenuating Circumstances

The attendance committee shall consider whether a student has mastered the essential knowledge and skills and maintained passing grades in the course or subject.

When makeup work is completed satisfactorily, the attendance committee shall consider extracurricular absences and other excused absences as days of attendance for award of credit or a final grade. [See FEA]

The attendance committee shall consider whether the reasons for the absences were out of the parent's or student's control and whether documentation for the absence is acceptable.

The student or parent shall be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit or be awarded a final grade.

Imposing Conditions For Awarding Credit Or A Final Grade

The attendance committee shall consider the student's unique circumstances and, if necessary, shall impose conditions for awarding credit or a final grade that permit the student to meet the instructional requirements of the class rather than assigning a student to attend a specified program for an amount of time equivalent to the student's absences. Conditions may include:

1. Maintaining attendance standards for the rest of the semester.
2. Completing additional assignments, as specified by the committee or teacher.

3. Attending tutorial sessions as scheduled.
4. Completing other instructional programs, as specified by the committee.
5. Taking an examination to earn credit. [See EHDB]

In all cases, the student must earn a passing grade in order to receive credit.

The District shall adopt procedures to implement this policy.

Appeal Process

A parent or student may appeal the decision of the attendance committee in accordance with FNG(LOCAL).

Legislative Basis for the Policy Change

Origins of the Code Revisions: House Bill 367 and Senate Bill 207.

Education Code § 25.087. EXCUSED ABSENCES.
(a) A person required to attend school, including a person required to attend school under Section 25.085(e), may be excused for temporary absence resulting from any cause acceptable to the teacher, principal, or superintendent of the school in which the person is enrolled.
(b) A school district shall excuse a student from attending school for:
(1) the following purposes, including travel for those purposes:
(A) observing religious holy days;
(B) attending a required court appearance;
(C) appearing at a governmental office to complete paperwork required in connection with the student's application for United States citizenship;
(D) taking part in a United States naturalization oath ceremony;
(E) serving as an election clerk;
(F) if the student is in the conservatorship of the Department of Family and Protective Services, participating, as determined and documented by the department, in an activity:
(i) ordered by a court under Chapter 262 or 263, Family Code, provided that it is not practicable to schedule the participation outside of school hours; or
(ii) required under a service plan under Subchapter B, Chapter 263, Family Code; or
(G) attending a course under Section 25.0875;
(2) a temporary absence resulting from an appointment with health care professionals, including mental health professionals, for the student or the student's child if the student commences classes or returns to school on the same day of the appointment; or
(3) an absence resulting from a serious or life-threatening illness or related treatment that makes the student's attendance infeasible, if the student or the student's parent or guardian provides on a form adopted by the district under Subsection (g) a certification from a physician licensed to practice medicine in this state specifying the following information, as determined by the physician:
(A) the student's illness;
(B) a statement that the illness is serious or life-threatening;
(C) the anticipated period of the student's absence relating to the illness or related treatment; and
(D) a statement that the illness makes the student's attendance infeasible during the anticipated period of absence described by Paragraph (C).

	(b-1) A school district may adopt a policy excusing a student from attending school for service as a student early voting clerk in an election. (b-2) A school district may excuse a student from attending school to visit an institution of higher education accredited by a generally recognized accrediting organization during the student's junior and senior years of high school for the purpose of determining the student's interest in attending the institution of higher education, provided that: (1) the district may not excuse for this purpose more than two days during the student's junior year and two days during the student's senior year; and (2) the district adopts: (A) a policy to determine when an absence will be excused for this purpose; and (B) a procedure to verify the student's visit at the institution of higher education. (b-3) A temporary absence for purposes of Subsection (b)(2) includes the temporary absence of a student diagnosed with autism spectrum disorder on the day of the student's appointment with a health care practitioner, as described by Section 1355.015(b), Insurance Code, to receive a generally recognized service for persons with autism spectrum disorder, including applied behavioral analysis, speech therapy, and occupational therapy. (b-4) A school district shall excuse a student whose parent, stepparent, or legal guardian is an active duty member of the uniformed services as defined by Section 162.002 and has been called to duty for, is on leave from, or immediately returned from continuous deployment of at least four months outside the locality where the parent, stepparent, or guardian regularly resides, to visit with the student's parent, stepparent, or guardian. A school district may not excuse a student under this subsection more than five days in a school year. An excused absence under this subsection must be taken: (1) not earlier than the 60th day before the date of deployment; or (2) not later than the 30th day after the date of return from deployment. (b-5) A school district shall excuse a student who is 17 years of age or older from attending school to pursue enlistment in a branch of the armed services of the United States or the Texas National Guard, provided that: (1) the district may not excuse for this purpose more than four days of school during the period the student is enrolled in high school; and (2) the district verifies the student's activities related to pursuing enlistment in a branch of the armed services or the Texas National Guard. (b-6) Each school district shall adopt procedures to verify a student's activities as described by Subsection (b-5). (b-7) A school district may excuse a student who is 15 years of age or older from attending school to visit a driver's license office to obtain a driver's license or learner license, provided that: (1) the district may not excuse more than one day of school during the period the student is enrolled in high school for each of the following purposes:

	(A) obtaining a driver's license; or (B) obtaining a learner license; and (2) the district verifies the student's visit to the driver's license office in accordance with procedures adopted by the district. (b-8) A school district may excuse a student from attending school for a career investigation day to visit a professional at the professional's workplace during the student's junior and senior years of high school for the purpose of determining the student's interest in pursuing a career in the professional's field, provided that: (1) the district may not excuse for this purpose more than two days during the student's junior year and two days during the student's senior year; and (2) the district adopts: (A) a policy to determine when an absence may be excused for this purpose; and (B) a procedure to verify the student's visit at the professional's workplace. (c) A school district may excuse a student in grades 6 through 12 for the purpose of sounding "Taps" at a military honors funeral held in this state for a deceased veteran. (d) A student whose absence is excused under Subsection (b), (b-1), (b-2), (b-4), (b-5), (b-7), (b-8), or (c) may not be penalized for that absence and shall be counted as if the student attended school for purposes of calculating the average daily attendance of students in the school district. A student whose absence is excused under Subsection (b), (b-1), (b-2), (b-4), (b-5), (b-7), (b-8), or (c) shall be allowed a reasonable time to make up school work missed on those days. If the student satisfactorily completes the school work, the day of absence shall be counted as a day of compulsory attendance. (e) A school district may excuse a student for the purposes provided by Subsections (b)(1)(E) and (b-1) for a maximum of two days in a school year. (f) For purposes of excusing a student from attending school to observe a religious holy day under Subsection (b)(1)(A), a school district: (1) may not require documentation from a clergy member or other religious leader; and (2) shall accept a note from the student's parent or person standing in parental relation verifying the purpose of the student's absence. (g) For purposes of excusing a student with a serious or life-threatening illness from attending school under Subsection (b)(3), a school district: (1) shall adopt a form to provide the certification described by that subsection; and (2) may not require the student or the student's parent or guardian to provide more documentation or information than is required by the form adopted under Subdivision (1).

Consider and Adopt Revisions to Board Policy GC (Local)

Proposal:
That the Board of Trustees consider and adopt revisions to Local Board Policy GC Public Notices

Explanation:
The Administration recommends consideration and adoption of the revisions to Board Policy GC Public Notices. The Administration recommends that the updated Local Board Policy GC (Local) be adopted as presented.

Legislative Basis for the Policy Change

Origins of the Code Revisions: Senate Bill 1062

Texas Government Code § 2051.0441. TYPE OF NEWSPAPER REQUIRED FOR PUBLICATION IN CERTAIN COUNTIES.

(a) This section applies only to a notice published by a governmental entity or representative in a county:

(1) with a population of at least 30,000 and not more than 42,000 that borders the Red River; or

(2) that does not have a newspaper described by Section 2051.044 published in the county.

(b) Except as provided by Subsection (b-1), the newspaper in which a notice is published under this section must:
(1) devote not less than 20 percent of its total column lineage to general interest items;
(2) be published at least once each week;
(3) be entered as periodical postal matter in the county where published or have a mailed or delivered circulation of at least 51 percent of the residences in the county where published; and
(4) have been published regularly and continuously for at least 12 months before the governmental entity or representative publishes notice.

(b-1) In lieu of publishing a notice in a newspaper under Subsection (b), a governmental entity may publish a notice in a digital newspaper if that digital newspaper:
(1) has an audited paid-subscriber base;
(2) has been in business for at least three years;
(3) employs staff in the jurisdiction of the governmental entity;
(4) reports on local events and governmental activities in the jurisdiction of the governmental entity;
(5) provides news of general interest to people in the jurisdiction of the governmental entity; and
(6) updates its news at least once each week.

(c) A weekly newspaper has been published regularly and continuously under Subsection (b) if the newspaper omits not more than two issues in the 12-month period.

Approval of the Texas Commission on Environmental Quality (TCEQ) Required Water Conservation and Drought Contingency Plan for the Conroe ISD Moorhead/Caney Creek Water Plant Facility

Recommendation:

That the Conroe I.S.D. School Board of Trustees approve the Water Conservation Plan and Drought Contingency Plan for the Moorhead/Caney Creek Water Plant Facility as required by the Texas Commission on Environmental Quality (TCEQ) under 30 TAC Chapter 288. The plans, prepared by Baxter Woodman Consulting Engineers and signed by Licensed Professional Engineer Anthony E. Sarman (P.E. No. 94692), establish the District's policies and operational targets for water conservation and drought response at the Moorhead/Caney Creek groundwater supply and treatment facility serving District campuses in the Moorhead area.

Explanation:

The Moorhead/Caney Creek Water Plant provides drinking water to five Conroe ISD campuses, including Caney Creek High School, Moorhead Junior High, Veterans Memorial Intermediate, Grangerland Intermediate, and Ben Milam Elementary. The plant serves approximately 6,800 students and staff on a daily basis. The facility draws from three underground wells, stores up to 309,000 gallons on-site, and uses four pumps to distribute water across the previously mentioned campuses. Wastewater from these schools, and Creighton Elementary, is treated on-site under a state-issued permit, with day-to-day operations managed by a contracted utility company, Hydro Tech Utilities.

Water Conservation: The District currently uses about 9.75 gallons per person per day and has set a goal to keep that figure at or below 10 gallons through at least 2036. To get there, the District will regularly test and calibrate water meters, conduct leak inspections, audit unexplained water loss (targeting less than 5%), and explore replacing irrigated athletic fields with synthetic turf to reduce outdoor water use.

Drought Response: If well usage climbs too high the District will activate one of three drought response stages, ranging from voluntary conservation to strict restrictions on non-essential water use. Campus irrigation would shift to direct District control during any drought stage, and state agencies would be notified as required.

Both plans must be accepted by the Board of Trustees and are being presented as required for formal approval in accordance with TCEQ requirements under 30 TAC §288.

Information on the Water Conservation Plan and Drought Contingency Plan will be provided to the Conroe Independent School District Board of Trustees by Mr. Chris McCord, Assistant Superintendent of Operations, and Dr. David Vinson, Superintendent of Schools.

Reconsider and Approve the Campus Mascot for Lynn Cartwright Junior High School

Recommendation:

That the Conroe Independent School District Board of Trustees receive information regarding the campus mascot for Lynn Cartwright Junior High School as submitted by Dr. Paula Klapesky, Assistant Superintendent of Middle Schools, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

The District implemented a mascot nomination process and communicated the process to the future students and families of Lynn Cartwright Junior High School. The mascot selection process included solicitation of nominations from students and families for potential school mascot names. Families received a survey with the following top nominees: Chargers, Colts, Cougars, and Mustangs. Though there was limited participation in the survey, the largest majority selected the Cougars. The Cartwright family would like the board to reconsider the mascot and select the Colts. The family is extremely involved in raising and breeding horses, participation in 4H, the Montgomery County Fair and Rodeo events, and has owned Conroe Western Wear since 1955.

Receive Information on Senate Bill 546 State Requirement for Texas School District Boards of Trustees to Review Current Fleet Seat Belt Status

Recommendation:
That the Conroe I.S.D. School Board of Trustees receive information on SB 546 and the current seat belt status of the District fleet. Not later than the end of the 2025-2026 school year, Senate Bill 546 of the 89th Legislature requires school systems that make a budget limit determination under Transportation Code 547.701 submit to the Texas Education Agency the estimated cost to equip each school bus operated by and/or contracted for use by the District with three-point seat belts. If a school district in Texas cannot ensure all buses are equipped with three-point seat belts for every passenger by the September 1, 2029, compliance deadline, a presentation on the fleet seat belt status must be presented in open session to the Board of Trustees by May of 2026.

Explanation:
The presentation must include the number of buses not equipped with seat belts, two-point seat belts, and three-point seat belts. Additionally, this presentation must include a cost estimate to bring districts into full compliance with Senate Bill 546. This presentation will provide comprehensive bus fleet background on the current status of the bus fleet, including potential methods to accomplish the tenets of Senate Bill 546 for the Board of Trustees to consider. Information will be provided to the Conroe Independent School District Board of Trustees by Mr. Chris McCord, Assistant Superintendent for Operations, Juan Melendez, Director of Transportation, and Dr. David Vinson, Superintendent of Schools.

SB 546 Reporting on School Bus Seat Belt Costs

CONROE ISD
TRANSPORTATION

Senate Bill 546 Background

- Senate Bill 546 (passed by the 89th Texas Legislature) updates Texas Transportation Code §547.701 regarding school bus safety.
- Requires school buses operated by or contracted for a school district to have three-point seat belts for every passenger, including the driver.
- If a district cannot ensure all buses have three-point seat belts by September 1, 2029, a report must be presented at a public meeting.
- *No action is needed tonight other than this informational presentation being given*
- The report must include:
  - Number of buses without seat belts
  - Number of buses with two-point (lap) seat belts
  - Number of buses with three-point seat belts
  - Estimated cost to equip all buses with three-point seat belts
- The report and Board item must also be submitted to the Texas Education Agency (TEA) via the Sentinel portal

Current Fleet Status

- A Texas law enacted in 2017 mandates that all newly purchased school buses be equipped with three-point seat belts.
  - All buses manufactured in Texas from 2019 onward are equipped with seat belts.

- Through Bond 2023 bus purchases, the district added 128 new buses all equipped with three-point seat belts.
- The latest price given for a school bus is $175,000

Retrofitting Costs:

- Retrofitting 71–77 Passenger Buses (No Seat Belts)
  - Estimated cost per bus: $34,000
  - 246 buses require retrofitting
  - Estimated total cost: $8,364,000
  - Cost estimate includes parts and labor

- Retrofitting 14–54 Passenger Special Needs Buses (Two-Point Lap Belts)
  - Estimated cost per bus: $25,000
  - 74 buses require retrofitting
  - Estimated total cost: $1,850,000
  - Cost estimate includes parts and labor

- Grand Total to retrofit all buses: $10,214,000

- Cost Considerations
  - Actual cost for retrofitting may vary depending on:
    - Bus capacity
    - Seat mounting configuration
    - Whether flooring replacement is required during retrofitting.

Alternative Options for Bus Replacement

- Buying All New Buses
  - The estimated total cost to purchase 320 new Regular Education and Special Needs buses would amount to $54,093,910, replacing all buses that lack seat belts or lap belts.

- Hybrid Option
  - The total expense for retrofitting any buses from 2013 (116 Regular and Special Needs buses) or newer, while also replacing 2012 (204 Regular and Special Needs buses) or older models with new ones, would be $40,871,000.

- Considerations:
  - Certification Issues: Installing seat belts in existing buses requires removing and reinstalling new seats, which could void the manufacturer's certification of structural integrity
  - Retrofitting Older Models: Investing in buses from 2011 and earlier are at or beyond the industry standard for bus longevity
  - Manufacturers generally will only retrofit their own brand of buses
  - The cost of retrofitting many of the buses without three-point seat belts exceeds the value of the bus as a whole

Consider and Possibly Adopt the Purchase of a Virtual School Learning Platform

Recommendation:
It is our recommendation that the Conroe Independent School District Board of Trustees approve the use of the Learning Platform Subject to utilize at The Conroe Virtual School and for future remediation and first-time offerings for all of our high schools, as submitted by Dr. Mark Murrell, Assistant Superintendent for High Schools, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:
The Conroe Virtual School is experiencing positive growth, and there is a need to update the delivery of instruction and management of students and their performance. Subject is a virtual curriculum that is engaging. The curriculum is TEKS-based and Subject is engaged in the process to become an HQIM. This will allow staff to enhance curriculum to the level expected by our Conroe ISD community, monitor students effectively, increase parent contact/involvement, provide effective tutoring and mentorship. Also, it allows the TCVS to an asynchronous model at most levels to provide flexibility to families. We anticipate that we will be able to recapture students lost to other virtual programs around the state.

The Conroe Virtual School: Hybrid Option

Athletics, Fine Arts and CTE

- Participation is at their zoned campus and must attend the class period for attendance purposes.
- If we expand to open enrollment, students Zoned districts would have to make a determination on student participation for extra-curricular activities.
- It would not be practical for the Virtual School to have it's own programs for extra-curricular as there would be a facility and staffing need that would create an inefficient model.

Receive Information Regarding District Staffing Plan

Administration is excited to present our final draft of central office reorganization that we believe can be the Texas Standard for Campus Support. This presentation will provide details of Conroe ISD's strategic alignment plan to achieve a district "A" rating by 2027.

Core Strategic Goals
The Board of Trustees has established four primary goals to drive academic achievement:

- Academic Excellence: Master academic standards and close existing learning gaps.
- Workforce Quality: Recruit and retain a high-quality workforce.
- Financial Stability: Maintain a balanced budget and ensure long-term fiscal stability.
- Communication: Strengthen public trust through transparent, two-way communication.

Key Barriers to Success
The district identifies several challenges that may impede these goals:

- Resource Pressures: Fiscal pressures combined with the "Growth Paradox" and rapid growth in special populations.
- Organizational Gaps: Data and strategic gaps, change overload, and issues regarding general advisement versus ownership.
- Operational Timing: Challenges related to the timing of implementation.

Implementation Framework: Define, Manage, Model
The strategy relies on a three-pronged framework to structure academic support:

- Define: Establish clear roles, responsibilities, and decision-making structures while setting implementation goals through data analysis.
- Manage: Ensure all staff have access to necessary materials, receive sufficient training, and follow consistent assessment procedures with frequent progress reviews.
- Model: Provide "Great Service" and a "Consistent Product" to foster a hopeful message across the district.

Organizational Restructuring
The district is transitioning from its 2025-26 structure to a redesigned 2026-27 model focused on a single level of accountability. Key changes include:

- Structural Alignment: Shifting from "Advisement" to "Subject Area Ownership" based on grade-level expertise.
- Departmental Focus: Organizing support into two primary areas: Curriculum & Instruction and Counseling, Outreach & Behavioral Support.
- Campus Support: Streamlining leadership so campus principals report through a redesigned district support system.

"Drive 2 90" Strategy
This initiative emphasizes a Guaranteed and Viable Curriculum (GVC) where the written, taught, and tested curriculum are fully aligned with Texas Essential Knowledge and Skills (TEKS). Success will be measured through an effective assessment system and a redesigned district support model that prioritizes relationships and a positive climate

QUESTIONS?

Consider and Possibly Approve Library Materials in Accordance with Texas Education Code §33.026, School Board Policy EFB, and Senate Bill 13

Recommendation:

That the Conroe Independent School District Board of Trustees consider and approve library materials that have been donated to or that are to be procured for use in the District's school libraries in accordance with Texas Education Code §33.026, School Board Policy EFB, and Senate Bill 13, as submitted by Assistant Superintendent of Teaching and Learning, Dr. Hedith Sauceda-Upshaw, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

The Board of Trustees is required to consider and approve all library materials that have been donated to or are proposed to be procured for use in District school and classroom libraries in accordance with Texas Education Code §33.026 and Board Policy EFB.

This process begins with the Superintendent, who submits a list of recommendations that must include a certification that the materials adhere to the library standards in Texas Education Code §33.021. The list will include whether the Superintendent recommends adding library materials to the school library catalog or removing library materials from a school library catalog following a challenge under Texas Education Code § 33.027.

The list of proposed materials is made accessible to the public for review for at least 30 days. The Board then votes to approve or reject the list at the first open meeting held on or after the 30th day the list is available for public review, thus formally ensuring that all new or donated materials comply with both the law and Board Policy.

The requirement for Board approval does not apply to materials that are simply replacing a damaged copy, obtaining additional copies of a title already in the catalog, or materials previously approved for the same grade levels.

Consider and Possibly Adopt District's Special Education Homecoming Project Plan

Recommendation:
That the Conroe Independent School District Board of Trustees approve the adoption of the Special Education Homecoming Project Plan as submitted by Dr. Ted Landry, Deputy Superintendent, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:
In an effort to continue to provide Conroe ISD students with the best possible continuum of services in the best possible environment, it is recommended that, when available, students receive services at their local zoned school. The purpose is to create a balanced learning environment across the district. This plan ensures that students are distributed in a way that allows every campus to provide the individualized attention and resources necessary for student success. The district requests the Board's approval of the Special Education Homecoming Project Plan.

Recommended by:

Dr. David Vinson
Superintendent of Schools

Submitted by:

Dr. Ted Landry
Deputy Superintendent

THE HOMECOMING PLAN

and Special Education Allocation Update

The "Homecoming" Vision

Return students in specialized programs to their zoned neighborhood school.

The “Homecoming” Vision

CORE GOAL	Ensure every student feels connected to their local zoned school community.
PHILOSOPHY	Students shouldn't have to leave their home campus to receive the high-quality services they deserve.
DISTINCTION	This is a ***structural shift***, not a ***budget cut***. It uses existing resources more effectively to keep kids closer to home.

Benefits of Homecoming

A win-win-win for Conroe ISD

STUDENTS	Stay in their school communities with their peers and siblings. Students can receive their full continuum of services on their home campus.
THE DISTRICT	Providing a continuum of services on every campus and developing long-term relationships with familes. Anticipated transportation savings and better geographic balance across campuses.

Staff and Leadership Training

LEADERSHIP TRAINING	In-depth SpEd training for Principals and APs will begin in May and will continue through the summer.
STAFF TRAINING	Specialized training plans are in place for all staff transitioning to new assignments to ensure "stretch" does not equal "thin."

Addressing Implementation & Quality

"Quality over Quantity" in Program Delivery

CAMPUS READINESS	All campuses are already equipped for these programs. Minor adjustments are being addressed.
CONCENTRATED SUPPORT	Our goal is to create a balanced learning environment across the district. This plan ensures that students are distributed in a way that allows every campus to provide the individualized attention and resources necessary for student success.

Financial and Operational Efficiency

Moving students closer to home isn't just better for their social development; it is a more responsible use of taxpayer funds.

Financial and Operational Efficiency

METRIC	IMPACT
Bus Routes Reduced (estimated)	8 Routes
Savings per Route (estimated)	$100,000
Total Savings (estimated)	$800,000
Staffing Benefit	Potentially free up to **8** CDL drivers for other district needs

Student Orientation Nights

Throughout the month of May, campuses will provide opportunities for parents to visit, connect, and become familiar with their receiving home campuses.

Special Education Population Growth

To meet the needs of our growing Special Education population.

- **15%** average annual growth over the last five years
- **2023–24:** 8,417 students
- **2024–25:** 9,977 students
- **2025–26:** 11,911 (as of 4/10/26) current students (11,240 at child count)
- **Pipeline:** 1,084 initial evaluations currently in progress.

New Allocations and Growth Support

Additional Funding for Special Education

- **The Homecoming Plan is separate from these new hires.**
  - $2,500,000 "add" focuses on assessment and dyslexia growth
  - Homecoming Plan focuses on the geographic location of services using existing classroom staff.

- An additional investment of $700,000, alongside targeted position realignment, allowed the district to reestablish 24 classroom teacher roles to further support.

- Total investment: $3,200,000

New Allocations and Growth Support

Proposed $2.5 Million Investment Includes:

15	New Dyslexia Teachers
4	New Speech Pathologists
4	New Diagnosticians
4	New School Psychologists

Special Education Budget Planning 26-27
Strategic Personnel Reallocation

THE "WHY"	Growth in student numbers requires more certified teachers in the classroom to maintain high standards of service.
THE CHANGE	District-level Facilitators, Homebound teachers, and Adapted PE teachers are transitioning back into the classroom.
THE IMPACT	Positions are not being cut. We are repositioning our experienced, certified educators directly to the "front lines" to have a greater daily impact on student outcomes in hard to fill positions

QUESTIONS?

Receive Information Regarding The Texas Standard Character Education Program

We are proud to provide you an overview of **The Texas Standard**, a districtwide movement within Conroe ISD for the 2026-2027 school year aimed at fostering student success.

Overview and Goals

The Texas Standard is a unified framework designed to equip students for success in school, careers, and life. By providing a consistent structure across all campuses, the initiative helps students understand their identity, build strong relationships, and confidently plan their futures. The primary goals are to:

- Increase student hope, well-being, engagement, and achievement.
- Ensure every student graduates with the purpose, direction, and skills needed to thrive.
- Meet state requirements (Texas Education Code Sec. 29.906) to integrate character traits and personal skills into K-12 instruction.

The 4 Core Strands

The initiative is built upon four research-based pillars designed to set students on a path toward achievement:

1. **Cultivating Meaningful Relationships**: Ensuring every student is connected to a trusted adult who provides advocacy and support.
2. **Recognizing Strengths & Interests**: Identifying individual strengths, exploring personal interests, and leveraging personal gifts.
3. **Your Future, Your Path**: Connecting student strengths to career opportunities and developing skills for a productive adulthood (e.g., "Future Friday" career exposure).
4. **Building Character**: Modeling integrity, responsibility, gratitude, and resilience through district-aligned character traits.

Relational Practices and Classroom Culture

Strong relationships are viewed as the foundation of an effective classroom. The Texas Standard emphasizes **Relational Practices**, a mindset that:

- Puts relationships at the center of every interaction to strengthen trust and improve performance.
- Prioritizes belonging over exclusion and connection over control.
- Uses tools such as **Respect Agreements**, **Class Meetings**, and **De-escalation** techniques to manage emotions and build community.

Implementation and Outcomes

The district rollout involves campus-based **Positive Behavior Interventions and Supports (PBIS)** teams that work with all staff to create safe, supportive environments. Key implementation strategies include:

- **Balancing Accountability with Support**: Protecting the learning environment while supporting students through clearer systems of accountability.
- **Tier 1 Best Practices**: Utilizing structured routines, a 3:1 ratio of positive interactions, and standardized attention signals.
- **Expected Outcome**: By aligning culture, climate, and standardized systems, the district aims to reduce behavioral issues and increase overall student engagement and wellness.

Why This Work Matters

- Unified practices and expectations across campuses
- Required by Texas Education Code (Sec. 29.906. Character Traits and Personal Skills Instruction) to integrate character traits and personal skills into K–12 instruction
- Provides a tool to support busy administrators, teachers, and staff
- Brings clarity, structure, and efficiency to better meet student needs

4 Core Strands

Research-based and designed to set our students on the path to achievement in every area of their lives. It is built on the foundations of:

- Cultivating Meaningful Relationships
- Recognizing Strengths & Interests
- Identifying Your Future, Your Path (K–12)
- Building Character (District Core Values)

Cultivate Meaningful Relationships

Every student will have the ability to connect to a trusted adult.

- Advocacy and support for success
- Relationships drive achievement

Recognize Strengths & Interests

Identify individual strengths:

- Explore personal interests
- Leverage gifts and develop growth areas

Your Future, Your Path

Explore career pathways

- Foster strengths and opportunities
- Develop skills for productive adulthood
- Future Friday career exposure

Building Character

Model integrity and responsibility

- Teach gratitude and resilience
- District-aligned character traits

District-wide standardized systems for structures and procedures

- Principal-led training

4 Core Strands

Collectively, these efforts will increase student hope, well-being, engagement, and achievement by fostering learning environments that support both academic success and overall wellness.

Building Character

District Core Values

- Respect and Responsibility
- Caring and Giving
- Grit and Preparation
- Gratitude and Celebration

Balancing Accountability with Support

- Dr. Vinson helped pass House Bill 6 (HB 6)
  - Restore balance
  - Strengthen and clarify systems
  - Support students and teachers
  - Protect the learning environment
  - Ensure consistency and high expectations

District Rollout

This work encompasses culture, climate, and relationships, as well as systems and processes. When these areas work together, they lead to increased engagement.

Consider and Approve the Selection of a Construction Manager-at-Risk for The Woodlands 9th Grade and College Park High School Renovations Project and Authorize the Superintendent or Designee to Negotiate and Execute the Construction Manager-at-Risk Documents

Recommendation:

That the Conroe Independent School District Board of Trustees approve the selection of Marshall Construction Company, as the construction manager-at-risk for The Woodlands 9th Grade and College Park High School Renovations Project, and authorize the Superintendent or Designee to negotiate and execute the construction manager-at-risk documents as submitted by Easy Foster, Executive Director of Planning and Construction, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

Board Policy CV Local Facilities Construction deems construction manager-at-risk the project delivery/contract award method that provides the best value to the District for construction projects valued at or above $100,000. Accordingly, the District's architect for the project, HKS, prepared and CISD published a request for qualifications for a construction manager-at-risk. Seventeen companies responded to the request for qualifications. In accordance with state law, after review of each responder's qualifications, five companies, Anslow Bryant, Brookstone, LP., Ellisor Constructors, Inc., Joeris General Contractors, Ltd., and Marshall Construction Company, were asked to participate in the second step of the two-step procurement process.

Marshall Construction Company, was selected as the offeror who submitted the proposal determined to be the best value for the District based on the District's published criteria and its ranking evaluation. Texas Government Code Chapter 2269.254(d) requires that the District make the rankings of the offerors public within seven days of the contract being awarded. Although the contract has not yet been awarded, the District is publishing the rankings as determined by the selection committee. The rankings by the committee are attached.

The selection committee for these projects included the following: Ms. Cyndi Westrup, Director of Finance; Mr. Marshall Schroeder, Executive Director of Maintenance; Mr. Easy Foster, Executive Director of Planning and Construction; and Mr. Ryan Attebery, Assistant Director of Construction. Mr. Brian Broussard, Director of Purchasing, served as Facilitator. Mrs. Ana Davila of HKS served as advisor to the committee.

Upon selection by the Board, the District will begin contract negotiations.

Consider and Approve Annexation of San Jacinto Elementary Site into MUD 111 and Authorize the Superintendent to Negotiate and Execute Documents Necessary to Effectuate the Transaction

Recommendation:

That the Conroe Independent School District Board of Trustees approve the annexation of the San Jacinto Elementary site into Montgomery County Municipal Utility District No. 111 (MUD 111) and authorized the Conroe ISD Superintendent to negotiate and execute documents necessary to effectuate the transaction as submitted by Easy Foster, Executive Director of Planning and Construction, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

When originally constructed, San Jacinto Elementary did not have access to municipally supplied public utilities. San Jacinto Elementary water and wastewater utilities are currently provided by Conroe ISD with facilities on the property, owned and operated by Conroe ISD. The annexation into MUD 111 will allow for access to water and wastewater utilities provided by MUD 111 and will allow for the decommissioning of Conroe ISD owner utilities. Upon connection to MUD 111 and decommissioning of the existing utilities, Conroe ISD will regain land area that will allow for further development of the existing school building associated with the 2023 Bond program.

This Certificate of Authority document provides the necessary documentation for MUD 111 to present the documents for consent to annexation executed by the Superintendent of Schools according to Board Policy CV Local, to the City of Conroe; it also provides documentation required by the Texas Attorney General during legal review of MUD 111's future bond issuances.

CERTIFICATE OF AUTHORITY

We, the undersigned, being all of the members of the Board of Trustees of Conroe Independent School District ("CISD"), a public independent school district and political subdivision of the State of Texas, do hereby certify that CISD is the legal and beneficial owner of the property (the "Property") described on Exhibit "A" attached hereto and incorporated herein by this reference; and

WHEREAS, the Board of Trustees of CISD has determined that annexing the Property into the boundaries of Montgomery County Municipal Utility District No. 111 is in the best interest of CISD.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees does hereby delegate authority to Dr. David Vinson, the Superintendent of Schools and chief administrative officer for CISD, to execute and deliver, in his capacity as Superintendent of Schools and chief administrative officer for CISD, a Petition for Addition of Certain Land to Montgomery County Municipal Utility District No. 111 to be filed with the Board of Directors of Montgomery County Municipal Utility District No. 111 and a Petition for Consent to Include Additional Land in Montgomery County Municipal Utility District No. 111 to be filed with the City of Conroe.

FURTHER BE IT RESOLVED, that Dr. David Vinson, acting in the capacity as Superintendent of Schools, is hereby authorized to execute the Petitions for the annexation of the Property to Montgomery County Municipal Utility District No. 111 and any other instruments including, without limitation, amended petitions, that may be necessary or desirable for the annexation to occur.
