**Recommendation:**
That the Conroe Independent School District Board of Trustees give special recognition to Destination Imagination (DI) da Vinci Award recipients The Stacked Six and The Expanding Elephants, as submitted by Andrew Stewart, Director of Communications, and recommended by Dr. David Vinson, Superintendent of Schools.

**Explanation:**
DI is a global educational nonprofit dedicated to inspiring the next generation of innovators, leaders, and creative problem solvers. DI provides student-driven educational experiences across seven project-based challenge types: Technical, Scientific, Engineering, Fine Arts, Improvisational, Service Learning, and Early Learning. These challenges teach the creative process and encourage students to explore their passions, discover their talents, and develop new skills. Teams also participate in instant challenges—creative and critical thinking exercises that build teamwork and problem-solving abilities.

During the 2025–2026 school year, Conroe ISD had 140 teams participate in the Regional DI tournament, 26 teams at the state level, and 22 teams at the global level. Two teams representing The Woodlands College Park High School and AST received the prestigious da Vinci Award at Global Finals in May 2026.

Considered one of the highest honors a DI team can receive, the da Vinci Award is named for Leonardo da Vinci, one of history's most notable creative thinkers and innovators. This special recognition honors teams that demonstrate outstanding and adventurous risk-taking, originality, and exceptional creativity in their challenge solutions.

The Stacked Six, representing The Woodlands College Park High School and AST, is managed by Dr. Anita Bangale. Team members are:

As a mother of two and the wife of a former Conroe ISD teacher, coach, and administrator, Mrs. Dungan brought both a parent's perspective and a personal connection to education to her work on the Board. Her service involved the important responsibility of helping guide district decisions and represent the community's interests.

## Budget Amendment Executive Summary

The budget amendment for the month of October includes both budget amendments and budget transfers.

**Budget Amendment**

The budget amendment for the month of October totals $127,665.80 in revenues and $127,665.80 in appropriations. The budget amendment is broken down into two categories, 1) General Fund (the district's operating fund), and 2) All Other Funds.

1) The budget amendment in the General Fund for the month of October includes activity fund donations totaling $96,779.06.

    - Birnham Woods Elementary ($24,164.20 for Playground Equipment)
    - Coulson Tough Elementary ($72,614.86 for Shade Structure & Turf)

2) The budget amendment in All Other Funds of $30,886.74 includes amounts for new or revised state, federal and local grant allocations. Revised funding may be due to federal reallocations, roll forward and maximum entitlements. The roll forward is the unspent portion of the previous year's federal allocation. The maximum entitlement is the final distribution of total unallocated funding by the federal government.

The budget amendment contains an increase of $12,419.17 for the Teacher Training Reimbursement fund. As part of an incentive program enacted by the Texas Legislature, the Texas Education Agency subsidizes teacher training by up to $450 per teacher for teachers in grades 6-12 who attend approved AP or IB teacher-training workshops. To qualify, a teacher must be assigned to teach an AP or IB course or a course specifically designed to prepare students for success in a future AP or IB course. Also included in the amendment is the awarding of the 2026-2027 State Supplemental Visually Impaired (SSVI) grant in the amount of $18,467.57.

**Budget Transfers**

Budget transfers consist of funds transferred within the same fund but changing functions. These transfers are found within the General Fund and All Other Funds. The total amount of all transfers is $1,295,592.59. Approximately 85% or $1,101,515.59 of the transfers is found in the general fund. The remaining $194,077.00 is located within the District's grant funds.

# Consider and Possibly Approve Library Materials in Accordance with Texas Education Code §33.026, School Board Policy EFB, and Senate Bill 13

**Recommendation:**
That the Conroe Independent School District Board of Trustees consider and approve library materials that have been donated to or that are to be procured for use in the District's school libraries in accordance with Texas Education Code §33.026, School Board Policy EFB, and Senate Bill 13, as submitted by Deputy Superintendent, Dr. Ted Landry, and as recommended by Dr. David Vinson, Superintendent of Schools.

**Explanation:**
The Board of Trustees is required to consider and approve all library materials that have been donated to or are proposed to be procured for use in District school and classroom libraries in accordance with Texas Education Code §33.026, Board Policy EFB, and Board Policy EMB. This process begins with the Superintendent, who submits a list of recommendations that must include a certification that the materials adhere to the library standards in Texas Education Code §33.021. The list will include whether the Superintendent recommends adding library materials to the school library catalog or removing library materials from a school library catalog following a challenge under Texas Education Code § 33.027.

The list of proposed materials is made accessible to the public for review for at least 30 days. The Board then votes to approve or reject the list at the first open meeting held on or after the 30th day the list is available for public review, thus formally ensuring that all new or donated materials comply with both the law and Board Policy.

The requirement for Board approval does not apply to materials that are simply replacing a damaged copy, obtaining additional copies of a title already in the catalog, or materials previously approved for the same grade levels.

## Consider and Possibly Award Request for Proposal RFP #26-07-01-Automotive Parts, Equipment and Fleet Repair Services Vendor(s) and Authorize the Superintendent to Make Purchases in Accordance with Board Policy CH *Purchasing and Acquisition*

**Recommendation:**
That the Conroe Independent School District Board of Trustees consider awarding RFP #26-07-01-Automotive Parts, Equipment and Fleet Repair Services to the (26) twenty-six vendors listed on the attached sheets for an estimated annual expenditure of $3,077,084, and authorize the Superintendent to execute any documents necessary to effectuate the purchase, as submitted by Mrs. Karen Garza, Chief Financial Officer, Mr. Brian Broussard, Director of Purchasing and as recommended by Dr. David Vinson, Superintendent of Schools.

**Explanation:**
The District issued a request for proposal (RFP) to vendors registered through the Districts electronic bidding system for Automotive Parts, Equipment and Fleet Repair Services. Vendors were invited to submit pricing proposals for these parts and services. Proposals were evaluated by Marshall Schroeder, Exec. Director of Maintenance & Custodial, Riccardo Annese, Fleet Coordinator, Gary Foster, Vehicle Technician, Kevin Gaskill, Fleet and Parts Coordinator, Maria Johnson, Asst. Director of Transportation, Juan Melendez, Director or
Transportation, Miriam Flores, Assistant Director of Maintenance and Custodial, Elissa Rice, Operations Coordinator, Colby Moore, Asst. Director of Maintenance, and reviewed by Adam Czyzewicz, Buyer in the CISD Purchasing Department.

The District recommends issuing execution of offers to the list of vendors attached. The initial term shall be valid for one year, through October 2027, automatically renewing annually for two (2) additional one-year terms through October 2029. The execution of offer does not constitute a guarantee to do business with any listed vendor. Should the district choose to engage with a specific vendor, all transactions for goods or services must comply with applicable district Board Policies.

# WHAT WE HAVE LEARNED....

- Our calendar greatly affects family schedules and the county as a whole
- Had positive feedback on starting midweek.
- Excluding the first week, short weeks (3 days or less) are an attendance challenge
- Spring Break can be moved, we historically go with the majority of Texas universities
- December 28 is the common possession change date in divorce decrees
- The debate about balanced semesters is ever present
- The week off at Thanksgiving is popular
- People like three weekends in their Winter Break
- Attendance, on holidays turned inclement weather days has a negative impact

# CURRENT CALENDAR

- 173 current days of instruction (180 days is the state standard); 187 contract for teachers
- Early release - End of each semester
- Historically, we take off for Labor Day, Martin Luther King Jr. Day, Good Friday, and Memorial Day
- Our Staff Development Waiver use is currently 480 minutes of a possible 2,100 minutes
- Our normal amount of minutes per school day are as follows:
  - 435 minutes - Elementary, Intermediate, and Junior High Schools
  - 440 minutes - High Schools
- Adding 5 minutes to the school day results in approximately two additional school days

# Receive Information Regarding the Instructional Materials Selection Process for Instructional Materials Review and Approval (IMRA) Cycle 2026

**Recommendation:**
That the Conroe Independent School District Board of Trustees receive information regarding the instructional materials selection process as submitted by Dr. Ted Landry, Deputy Superintendent, and as recommended by Dr. David Vinson, Superintendent of Schools.

**Explanation:**
House Bill 1605, enacted by the 88th Texas Legislature, established an expanded process for the State Board of Education (SBOE) to approve High-Quality Instructional Materials (HQIM) and created two new funding entitlements to support HQIM purchases. In November 2026, the SBOE is scheduled to approve tier-one instructional materials for Advanced Mathematics 6–8, K–6 Spanish Mathematics, select Career and Technical Education (CTE) courses, and K–12 Fine Arts, as well as supplemental materials for K–5 Reading Language Arts. The District will also present status updates on the Amplify 6–8 Pilot, the Advanced Math Grade 6 Pilot, and the Spanish Math Pilot.

Under previous SBOE Proclamations 2015, 2017, and 2019, the District adopted primary instructional materials for K–12 Fine Arts, CTE, and 6–8 Language Arts. The District would like to establish a committee to review and evaluate instructional materials for potential adoption and implementation in Fall 2027. This committee will comprise District administrative staff, campus instructional leads, campus administrators, and teachers representing various grade levels and schools. All teachers who will utilize the materials will have the opportunity to review them and submit feedback to the committee. To ensure broad stakeholder engagement, instructional materials will be made available for public review and comment both in-person at the Conroe ISD Textbook and Assessment Center and online via the District website.

The District will share information on the instructional materials selection process and review a proposed adoption timeline.

# QUESTIONS

## Receive Information Regarding the Beginning of Year Northwest Evaluation Association Measures of Academic Progress Growth and Reading Fluency Assessment and Bluebonnet Learning ELAR K-5

**Recommendation:**
That the Conroe Independent School District Board of Trustees receive information regarding the beginning of year
(BOY) Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) Growth and Reading Fluency Assessment and Bluebonnet Learning ELAR K-5 as submitted by Dr. Ted Landry, Deputy Superintendent and as recommended by Dr. David Vinson, Superintendent of Schools.

**Explanation:**
Conroe ISD administers the NWEA **MAP Growth** and **MAP Fluency** assessments to measure student achievement and academic growth in reading, mathematics, and science. These nationally normed, computer-adaptive assessments provide actionable data on individual student progress, grade-level trends, and instructional needs. BOY data established baseline performance levels for all students. The update will summarize districtwide trends to date.

The Bluebonnet Learning Unit Assessments are standards-aligned, curriculum-embedded assessments administered at the conclusion of each instructional unit. These assessments are designed to measure student mastery of priority standards and provide timely, actionable feedback to teachers and campus leaders. They are aligned directly to the taught curriculum and state standards, measure depth of understanding, not just recall. include a variety of item types to assess conceptual knowledge, application, and problem-solving skills, and provide consistent data points across classrooms and campuses.

A specific update on Math High-Quality Instructional Materials (HQIM) will be presented at the November board meeting, as only one math assessment has been completed at this time. By November, the board will receive a comprehensive update including both Reading Language Arts (RLA) and Math assessment and walkthrough data.

**Recommendation:**
That the Conroe Independent School District Board of Trustees select Brown and Root as the Contractor to provide the best value for the District for the purchase of materials and services for the Resource Place Renovations Project, and authorize the Superintendent or Designee to negotiate and execute any documents necessary to effectuate the transaction as submitted by Easy Foster, Executive Director of Planning and Construction and as recommended by Dr. David Vinson, Superintendent of Schools.

**Explanation:**
On August 18, 2026 the board approved using CISD's Job Order Contracting (JOC) program as the procurement method for the Resource Center Renovation Project. The project involves renovating a portion of the existing, vacant space for use by The District, roofing and building envelope renovations as well as HVAC Improvements.

The District asks that the Board approve the selection of Brown and Root as the JOC vendor to provide both the materials and services for this project. The District, DLR Group and Brown and Root have been working together to develop the program of spaces for Special Education staff for the first renovation of available vacant spaces. In addition, the Team prepared the scope of work for the roof replacement for the entire building and the exterior façade work to remove former tenant signage from the building.

The estimated cost for the materials and services for this project is $2,506,803.00. Funding for this project comes from Capital Project Funds.

## Discuss and Possibly Approve the Sale of Water and Wastewater Facilities in the Caney Creek High School Feeder Zone and Authorize the Superintendent to Negotiate and Execute Documents Necessary to Effectuate the Transaction

**Recommendation:**
That the Conroe Independent School District Board of Trustees approve the sale of Water and Wastewater Facilities in the Caney Creek High School Feeder Zone and authorize the Superintendent to negotiate and execute documents necessary to effectuate the transaction as submitted by Easy Foster, Executive Director of Planning and Construction, and as recommended by Dr. David Vinson, Superintendent of Schools.

The District currently owns and operates the water supply and transmission facilities and wastewater collection and treatment facilities which provide water and wastewater services to Creighton Elementary, Caney Creek High School, Veteran's Memorial Intermediate School, Ben Milam Elementary, Grangerland Intermediate, Moorehead Junior High School and Caney Creek Transportation Center.

Together with outside counsel, the District has prepared a draft agreement that outlines the sale of District owned water production and wastewater treatment facilities to PERENfra, the private utility provider for MUD 173. The transaction will relieve the District of the ongoing obligation to maintain and operate facilities to provide clean drinking water and wastewater treatment at these locations. Once complete, the District will become a customer of MUD 173.

The agreement was prepared by outside counsel.

Section 2.1. Conveyance of Assets to PERENfra. Subject to the terms and conditions set forth herein, at the Closing, CISD shall sell, assign, transfer, convey and deliver to PERENfra, and PERENfra shall purchase from CISD, free and clear of any Encumbrances, but otherwise on an "as-is, where-is" basis, all of CISD's right, title and interest in the Creighton Water Plant, the Main Campus Water Plant, the Remote Water Wells and the Wastewater Plant (collectively, the "Assets"), including, without limitation, the following:

(a) all rights of access to lands included within the fenceline of the Assets, as described in Exhibits "A," "B," "C", which shall be conveyed at the Closing via easements to the Sites;

(b) all improvements, equipment, furniture, fixtures, and other tangible personal property currently owned, leased, held, or used by CISD in the Operations (the "**Acquired Tangible Personal Property**"), located at the Sites, or located _____, with the exception of an electrical generator located at the Site described in Exhibit "_;"

**Commented [HK1]:** There are three generators on the property that CISD would like to keep. At least two of them must stay on the property, but one of them should be kept by CISD.

(c) all written or oral agreements and contracts (other than Governmental Permits) pertaining to the ownership, operation and maintenance of the Assets or the Operations or used or held for use in the Operations (the "**Acquired Contracts**"), as described on Schedule 2.01(b);

(d) all Governmental Permits pertaining to the Operations, to the extent they are transferrable (the "**Acquired Governmental Permits**") as described on Schedule 2.01(d);

(e) all historical and present water rights associated with the CISD Lands and Facilities, including without limitation, the water rights associated with all historic and present production from the Water Plants and Remote Water Wells;

(f) all books and records relating to the Assets and Operations, including records from any third-party operator of the Assets;

(g) all rights of CISD to causes of action, lawsuits, judgments, claims and demands of any nature and all counterclaims, rights of setoff, rights of indemnification and affirmative defenses to any claims that may be brought against PERENfra by third parties related to the Assets or Operations; and

(h) all other or additional intangible assets, privileges, rights, interests, properties, and assets of CISD, of every kind and description and wherever located, that are currently used in connection with or that are necessary to the continued conduct of the Operations.

(i) non-exclusive easements encompassing the Water Lines (as defined below) and the Wastewater Lines (as defined below), as well as any water lines connecting the Main Campus Water Plant to the Remote Water Wells, except for those Water Lines and Wastewater Lines located in general utility easements or public rights-of-way, in an "as is, where is", condition and will include the right for PERENfra to utilize such easements in the future for the construction, maintenance, repair and operation of water lines, wastewater lines and associated equipment to serve District customers.

Section 2.2 Reserved.

Section 2.3 Conveyance of Additional Facilities. At the Closing, the District shall cause (i) Grangerland Meadows to convey to the District the water lines described in the attached Exhibit "F" and grant to the District the Grangerland Easements (as defined in Section 6.1(l) in a form reasonably acceptable to CISD; (ii) the Texas Department of Transportation to convey to the District the water lines described in the attached Exhibit "G" and grant to the District the TXDOT Easement (as defined in Section 6.1(m) in a form reasonably acceptable to CISD: (iii) Meritage to convey to the District the water lines described in the attached Exhibit "H" and grant to the District the Meritage Easement (as defined in Section 6.1(n) in a form reasonably acceptable to CISD; and (iv) the District shall grant PERENfra the District Easements (as defined in Section 6.1(o)) in a form reasonably acceptable to CISD.

Section 2.4 Excluded Assets. The Assets shall not include any of the following (the "Excluded Assets"):

(a) water lines and wastewater lines outside the "fenceline" of the Assets, which are currently owned by CISD and described in the attached Exhibit "I" (the "CISD Lines");

(b) Any amounts owing and unpaid through the Closing under the Acquired Contracts; and

**Commented [HN2]:** We would like both parties to be on the same page as to which permits are being transferred, which will include the TPDES permit and Lone Star well permits

**Commented [HK3R2]:** It is our understanding that PERENfra is not interested in taking the wastewater permit. CISD will need an indemnification provision in the Transition Services Agreement so that CISD is not liable for PERENfra's operation of the Wastewater Plant in the time before PERENfra shuts down the plant.

(c) all items described on Exhibit "J".

Section 2.5 Assumed Liabilities. Effective from and after Closing, PERENfra assumes and shall pay, discharge, and perform the following (the "**Assumed Liabilities**"): (a) all obligations and liabilities under that certain [DESCRIBE THIRD PARTY OPERATOR CONTRACT] (the "**Operator Agreement**") and the Acquired Governmental Permits but only to the extent that such obligations and liabilities thereunder are required to be performed after the Closing Date; and (b) all obligations and liabilities arising out of PERENfra's ownership of the Assets after Closing.

Section 2.6 Excluded Liabilities. Except only for Assumed Liabilities, PERENfra does not assume, and shall not have any responsibility for, any liabilities or obligations of CISD, or any of its Affiliates, including liabilities, or obligations other than the Assumed Liabilities (collectively, the "**Excluded Liabilities**").

Section 2.7 Purchase Price.

(a) The aggregate purchase price to be paid by PERENfra for the Assets shall be $1,000,000.00, payable as follows: at Closing, $250,000.00 shall be immediately due and payable, and PERENfra shall execute and deliver to CISD three (3) promissory notes, each in the amount of $250,000.00, in a form reasonably acceptable to CISD and PERENfra. The first promissory note shall be due and payable upon the first (1st) anniversary of the Closing Date, the second promissory note shall be due and payable upon the second (2nd) anniversary of the Closing Date, and the third promissory note shall be due and payable upon the third (3rd) anniversary of the Closing Date. The value of each promissory note shall be deposited in an escrow account with [INSERT NAME OF BANK] in the amount of $750,000 to secure payment of each promissory note. In the event that PERENfra defaults on the payment of any promissory note, and following a 15-day notice and cure period commencing from the date CISD provides written notice to PERENfra of the default, CISD shall be entitled to draw the equivalent amount of the defaulted promissory note from the escrow account.

(b) The Parties acknowledge and agree that they intend the easements granted by CISD to PERENfra with respect to the Sites and the Remote Wells not to give rise to separate ad valorem tax liability for PERENfra. If, following a final determination by the applicable taxing authority, ad valorem taxes are imposed on PERENfra solely as a result of its ownership of such easement interests and not as a result of its ownership or operation of any other property or improvements, PERENfra shall be entitled to an offset against the unpaid balance of the Purchase Price equal to the amount of such taxes actually paid by PERENfra. PERENfra shall use commercially reasonable efforts to contest any such assessment before claiming any offset under this Section.

Section 2.8 Intended Tax Treatment; Allocation of Base Purchase Price.

(a) The Parties agree to treat the Transactions as a taxable purchase and sale of the Assets under Section 707(a)(2)(B) of the Internal Revenue Code of 1986, as amended (the "**Code**") in return for the Assumed Liabilities determined in accordance with Treasury Regulation Section 1.707-5 (collectively, clauses (i) through (ii), the "**Intended Tax Treatment**"). Neither

**Commented [HN4]:** What is expected to be on this Exhibit?

**Commented [HK5R4]:** We had a similar question as this was included in the original draft.

**Commented [HN6]:** PERENfra would prefer to deposit the $750,000 Purchase Price balance following Closing into an escrow account

PERENfra nor CISD shall take any actions which are inconsistent with the Intended Tax Treatment unless required by Legal Requirement. Neither PERENfra nor CISD shall take any position on any tax return or other similar document, or take any other tax reporting position, for United States federal, state and local income tax purposes, that is inconsistent with the Intended Tax Treatment.

(b) PERENfra and CISD acknowledge that, under Section 1060 of the Code, PERENfra and CISD must report information regarding the allocation of the Purchase Price for federal income tax purposes (collectively, the "**Allocable Consideration**") by attaching IRS Form 8594 to PERENfra's and CISD's federal income tax returns for the taxable period which includes the Closing Date. PERENfra and CISD will work in good faith to mutually agree upon an allocation of the Allocable Consideration (the "**Allocation Schedule**") and agree that they shall report for all federal income tax purposes in a manner consistent with such agreed-upon allocation of the Allocable Consideration; provided, however, that nothing contained herein shall prevent PERENfra, CISD or their respective Affiliates from settling any proposed deficiency or adjustment by any Governmental Authority based upon or arising out of such allocation, and neither PERENfra, CISD, nor their respective Affiliates shall be required to litigate before any court any proposed deficiency or adjustment by any Governmental Authority challenging such allocation. The allocation of the Allocable Consideration shall be revised to take into account subsequent adjustments (e.g., any remedies exercised by PERENfra and/or CISD) in a manner consistent with the Allocation Schedule.

Section 2.9 Bulk Sales. Each of PERENfra and CISD waives compliance by the other with Legal Requirements relating to bulk sales applicable to the Transactions.

Section 2.10 Transfer Taxes. All transfer, documentary, conveyance, registration, recording, filing and similar taxes, fees and charges arising from the Transactions shall be the liability of and for the account of PERENfra, who shall indemnify and hold CISD harmless from and against all losses arising therefrom.

Section 2.11 Exclusion from Extraterritorial Jurisdiction. The Parties acknowledge and agree that the CISD Lands and Facilities are within the extraterritorial jurisdiction of the City of Conroe (the "**Conroe ETJ**"), and that, in order for the District to provide retail water and wastewater services to the CISD Lands and Facilities, CISD must seek and obtain exclusion for the CISD Lands and Facilities from Conroe ETJ prior to Closing. Notwithstanding the foregoing, the Parties intend and agree that the CISD Lands and Facilities shall continuously receive retail water and wastewater services while CISD seeks exclusion for the CISD Lands and Facilities from the Conroe ETJ. Under no circumstances shall water and wastewater services be withheld from the CISD Lands and Facilities on the basis that the CISD Lands and Facilities remain in the Conroe ETJ at any given point in time.

Section 2.12 Operating Costs.

(a) After the Closing, any and all costs associated with the ownership, operation, maintenance, repair and replacement of the Assets shall be the responsibility of PERENfra and PERENfra hereby agrees that CISD shall not be responsible for any costs relating to the ownership, operation, maintenance or replacement of the Assets following the date of the Closing.

(b) At Closing, PERENfra and CISD will enter into a side letter agreement, pursuant to which, following Closing, PERENfra shall maintain and repair the water lines described in the attached Exhibit "D," (the "**Water Lines**") and the wastewater lines described in the attached Exhibit "E," (the "**Wastewater Lines**") in exchange for reimbursement by CISD of PERENfra's costs plus 15% (the "**Post Closing Maintenance Side Letter**").

.

Commented [HK7]: The Water Lines and Wastewater Lines will only include those lines that are inside the "fenceline" of the Assets. PERENfra will have no obligations to maintain any lines outside of that fenceline. The definition of Water Lines and Wastewater Lines; however, will include the submeters.

# Retired Employee Surcharge

For any employee hired July 1, 2025 or thereafter, the District shall collect any surcharge and other required fees it must pay to the Teacher Retirement System (TRS) or any other retirement program on behalf of any employee who is currently receiving benefits from TRS or another retirement program.

Because the District does not incur such expenses in the employment of other staff members, the affected employee's pay will be reduced to offset this expense.

## Exemption

Employees hired prior to July 1, 2025 are exempt from this provision and the District shall continue to pay the surcharge and other required fees.

## Pay Protection

Deductions shall not reduce the employee's pay below the applicable state minimum salary schedule (if the minimum salary schedule applies to the employee's position) or below the applicable minimum wage rate for hourly employees.

## Payment Of Excess Amounts

If the amount owed by the employee exceeds the amount that can be deducted from the employee's paycheck, the employee shall submit payment to the District by personal check.

## Non-Payment Consequences

If, after receiving notice, the employee fails to reimburse the District the amount owed, the employee may be terminated or suspended without pay until all outstanding balances are paid.

## Employee Responsibility

It is the employee's responsibility to understand when and how surcharges will be applied. Detailed information regarding employment after retirement is available in the TRS publication "Employment After Retirement". Employees may contact TRS at 800-223-8778 or 512-542-6400, or visit the TRS website for additional information.
