Special Board Recognition
Students Together Achieving Results (STAR) Program Graduates

Recommendation:
That the Conroe Independent School District Board of Trustees give special recognition to students who participated in the Students Together Achieving Results (STAR) Program, as submitted by Sarah Blakelock, Director of Communications, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:
Graduating seniors are being recognized tonight for their participation and commitment to the *Student Together Achieving Results (STAR) Program*. This is the thirteenth group of students to graduate and we want to honor them for their hard work and persistence.

High school counselors are asked to identify ninth grade students who struggled during their freshman year and invite them to participate in the program. STAR is focused on building strong relationships between counselors and the STAR students. As part of the program, the students are exposed to opportunities where they learn about themselves and how to plan for their future. The program has grown from a summer program to a year-round program. They hold monthly meetings and make visits to community colleges, technical schools, and four-year colleges. Students have also visited job sites, done community service, and heard motivational speakers.

Denise Cipolla, Coordinator of Guidance and Counseling, will share about this program and introduce JoBarre Reed, a student participant, who will offer a few brief remarks.

NAMM Foundation Best Communities for Music Education Award

Recommendation:
That the Conroe Independent School District Board of Trustees recognize Conroe Independent School District for receiving the National Association of Music Merchants (NAMM) Foundation *Best Communities for Music Education* (BCME) *Award* for the eighth year, as submitted by Sarah Blakelock, Director of Communications, and recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:
The NAMM Foundation is a non-profit organization committed to advancing music education through active participation. Established in 1999, the BCME survey is a nationwide search for communities who provide access to music education as an essential part of a complete education and exemplify commitment and support for music education. The twenty-third annual survey measured a variety of factors, including budgetary commitment to music, opportunities to learn music, the presence of highly qualified, certified music teachers, adherence to state and national standards, types of musical experiences offered and opportunities for performance and competition, among others. A community had to show they are committed to access and high standards for music education in all areas to be named a Best Community. The Board of Trustees is proud to recognize our Fine Arts Department and District as a whole for its commitment to excellence in music education.

Fine Arts Coordinator Dr. Robert Horton will share about this award on behalf of the Fine Arts Department and Conroe ISD.

Consider Approval of Conroe Regional Day School for the Deaf Shared Services Arrangement 2022-2023

Recommendation:
That the Conroe Independent School District Board of Trustees approve the Conroe Regional Day School for the Deaf Shared Services Arrangement 2022-2023 as submitted by Carrie Galatas, General Counsel and Dr. Curtis Null, Superintendent of Schools.

Explanation:
State law requires the establishment of regional day school programs for the deaf (RDSPD) in each of the state's regions. State law also requires all school districts to have access to RDSPD. The law states that any student who has a hearing impairment which severely impairs processing linguistic information though hearing, even with recommended amplification, and which adversely affects educational performance is eligible for consideration for the RDSPD. The law allows school districts to jointly operate RDSPD through "shared services agreements". This allows districts to provide special education services more efficiently and effectively. The Texas Education Agency requires that all RDSPDs submit their shared services agreements for the coming school year to the Agency. The attached agreement meets the requirements of state law and establishes an RDSPD in CISD. The agreement sets out the responsibilities of CISD and of the other participating district. The other participating districts are Willis, Montgomery, Coldspring-Oakhurst Consolidated, New Waverly, Splendora, Magnolia and Shepherd. The RDSPD programs are located at Oak Ridge High School, Irons Junior High School, Vogel Intermediate, and Houser Elementary.

Conroe Regional Day School for the Deaf
Shared Services Arrangement
2022-2023

The independent school districts of Conroe, Willis, Montgomery, Coldspring-Oakhurst Consolidated, New Waverly, Splendora, Magnolia, and Shepherd hereby agree to cooperatively operate their education programs for the disability condition of deaf hard of hearing under authority of Section 29.007 of the Texas Education Code and Section 791.001 et seq., of the Texas Government Code as Conroe Regional Day School Program for the Deaf (hereinafter referred to as Conroe RDSPD). Member Districts agree that:

1.0 Intent of Conroe Regional Day School Program for the Deaf
The intent and purpose of the Conroe RDSPD is to provide a quality education to deaf hard of hearing students, ages 0-21, in Conroe, Willis, Montgomery, Coldspring-Oakhurst Consolidated, New Waverly, Splendora, Magnolia and Shepherd. All educational alternatives for deaf hard of hearing students in Member Districts are combined into one RDSPD educational program. The combined student enrollment and needs justify the funding of a quality educational program including supportive and supervisory staff.

It is agreed and understood that any student who has a hearing impairment which severely impairs processing linguistic information through hearing, even with recommended amplification, and which adversely affects educational performance shall be eligible for consideration for the Conroe RDSPD, subject to the Admission, Review, & Dismissal (ARD) Committee recommendations.

Eligible students shall have access to a continuum of educational and related services. The continuum of services shall include parent-infant training, mainstream supportive itinerant services, and audiological management services for any RDSPD student, as well as speech therapy and interpreting services for those receiving instruction at site classes in Conroe ISD. In addition, educational evaluation services shall be available for enrolled students receiving instruction in Conroe ISD. Each student is placed in the least restrictive instructional environment to meet their individual needs, as determined by an ARD committee meeting in cooperation with the Student's Member District.

2.0 Participants in Conroe RDSPD
The school districts of Conroe, Willis, Montgomery, Coldspring-Oakhurst Consolidated, New Waverly, Splendora, Magnolia and Shepherd are Member Districts of the shared services agreement of Conroe RDSPD. Students birth through 21 can participate in the program. Entering into this Agreement, the Member Districts do not intend to create a separate or additional legal entity.

2.1 Participation in Conroe RDSPD
The Fiscal Agent provides suitable and sufficient classroom space to accommodate deaf hard of hearing students of Conroe RDSPD. The Fiscal Agent also shall provide office space for supportive personnel and storage space for materials and supplies.

2.2 Regulations
The special education program will be operated in compliance with federal and state law, including the Individuals with Disabilities Education Act, 20 U.S.C. 1401 et seq.; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794; The Americans with Disabilities Act, 42 U.S.C.12101 et seq.; Chapter 29 of the Texas Education Code; Chapter 30 of the Texas Education Code; implementing regulations for all applicable statutes; and the Conroe ISD policies and administrative guidelines.

2.3 Fiscal Agent of Conroe RDSPD
Conroe ISD shall serve as Fiscal Agent and program administration for the Conroe RDSPD. Change in Fiscal Agent is accomplished by action of the Management Board.

2.4 Entry into Conroe RDSPD

Any school district that wishes to become a member of the Conroe RDSPD may make application by letter to the Fiscal Agent special education director and must be approved by the Management Board. Deaf hard of hearing students of school districts may participate in the services offered by Conroe RDSPD only if the school district becomes a member of the Conroe RDSPD. Sending school districts must be in agreement with the Shared Services Arrangement of Conroe RDSPD.

2.5 Support Services to Other Districts within Conroe RDSPD
Should a Member District seek assessment and evaluation services for a student not enrolled in the Conroe RDSPD, written request for such services may be made to Conroe RDSPD and is contingent upon approval by the Management Board Chairperson. Should these services be granted, the Fiscal Agent shall bill applicable costs to the Member District requesting services. The costs will be negotiated, in writing, between the requesting district and the Fiscal Agent before the time of service delivery.

2.6 Withdrawal from Conroe RDSPD
To allow sufficient time for planning, a Member District withdrawing from participation in the Conroe RDSPD shall inform the Management Board, in writing by January prior to the school year in which they intend to withdraw. Any Member District which withdraws from Conroe RDSPD will forfeit any services and instructional materials which have been provided, effective the date of withdrawal from the program. Upon the effective date of withdrawal from Conroe RDSPD, the former Member District assumes total responsibility for the education of its students with auditory impairments.

2.7 Dissolution of Conroe RDSPD
If the Conroe RDSPD dissolves, any remaining assets become the property of the Fiscal Agent.

3.0 Government of Conroe RDSPD and the Management Board
Conroe RDSPD shall be governed by the Conroe RDSPD Management Board and directly administered by the Fiscal Agent. (Refer to 3.2 Administrative Responsibilities of Fiscal Agent).

3.1 The Management Board
The Management Board is comprised of the Special Education Directors, or their designees, from the Member Districts, and the Fiscal Agent. Management Board decisions are made on the basis of majority vote with each having one (1) vote. Non-voting members may be included in the Management Board.

Duties of the Management Board
The Management board will meet, at least two times yearly, to review the SSA Agreement and to consider matters pertaining to the program.

Chairperson of the Management Board
The representative of the Fiscal Agent, or designee, serves as chairperson of the Conroe RDSPD Management Board.

Responsibilities of the Chairperson
The Chairperson presides over meetings of the Management Board and calls meetings upon the request of any committee member. The Chairperson is responsible for establishing the meeting date, place and time. Written notification to all Management Board Members is made at least five working days in advance of such meetings. A tentative agenda is included in such notification for consideration by Management Board members. Management Board members may add items to the agenda by contacting the Chairperson prior to the meeting. The agenda may include questions and concerns arising during the course of the meeting. The Chairperson ensures minutes are recorded of each official meeting.

Committees of the Management Board
The Management Board Chairperson may establish committees as needed.

3.2 Administrative Responsibilities of the Fiscal Agent

The Fiscal Agent functions as agent for and on behalf of the Member Districts and:

d) supervises program personnel
e) maintains program records
f) performs other duties as assigned

3.3 Local Boards of Education
Local boards of education of the Member Districts maintain ultimate responsibility for the education of students within their district (Resident ISD). If a deaf hard of hearing student from a school district outside Conroe ISD is served by Conroe RDSPD, the sending district remains ultimately responsible for the education of the student and is considered the Resident ISD under this Agreement. Therefore, matters may be referred to local boards of education when deemed appropriate by the Management Board.

3.4 Responsibilities of the Resident ISD
The Resident ISD has the responsibility for the education of all deaf hard of hearing students within its district whether the student is served in the local program, the RDSPD, or the Texas School for the Deaf. The Resident ISD is responsible for following referral procedures as outlined in SBOE rules.

Each Member District will maintain locally and separately its own residential placement set aside as described in 19 T.A.C. 89.61. Each Member District will be liable for costs associated with its residentially-placed students.

The Resident ISD is represented at ARD committee meetings to consider the educational needs of deaf hard of hearing students from the Resident ISD. The Resident ISD representative shares in the decision-making responsibilities of the ARD committee.

The Resident ISD has written policies and procedures for providing due process rights and the handling of grievances of parents and/or deaf hard of hearing adult students from the Resident ISD. Member Districts will maintain legal liability insurance for their individual districts. Conroe RDSPD employees shall be covered on the legal liability insurance policies of the Fiscal Agent who employs them. If a due process hearing pursuant to the Individuals with disabilities Education Act is filed on behalf of a student, the Resident ISD is responsible for all legal costs associated with the case, as well as the costs associated with any program, placement or relief resulting from the case.

It is agreed that legal costs, court costs, costs of relief awarded and attorneys fees arising out of a suit brought pursuant to the IDEA lawsuits brought against the Conroe RDSPD, the Member Districts agree to bear legal costs, actual damages, court costs and attorneys fees, not covered by insurance. The cost will be divided proportionately in a ratio of the number students from the Member District who participated in the program last school year.

The Fiscal Agent district shall prepare the application for funding and program approval and submit it for review and approval in accordance with guidelines established by the Texas Education Agency, state law, and the Financial Accounting Module. The Conroe RDSPD Management Board shall have active participation in the process in order to ensure efficient and effective programming for participating students.

Application amendments shall be necessary from time to time as student enrollment and program focuses change. The Fiscal Agent shall be responsible for submission of all amendments in accordance with state law, Texas Education Agency guidelines and the Financial Accounting Module.

4.1 Budget Guidelines
The program budget is prepared by the Program Director in accordance with guidelines set forth by state laws and regulations. To the extent that any member district makes any monetary payments as a result of this agreement, such member district verifies that such payments are made from current revenues available to the

member districts. If funding for the Conroe RDSPD does not cover the educational needs of all students, the program shall follow the guidelines below:

An annual payment schedule will be developed. Each of the Member Districts will contribute per pupil costs to offset the deficit of the Conroe RDSPD budget. The per pupil cost will be calculated by dividing the total deficit amount by the number of full and part time students enrolled in the RDSPD on PEIMS Fall Snapshot (total deficit costs divided by the number of students on Snapshot date). Should uncontrollable costs be incurred by the shared service agreement, they will be divided among the member districts based on per pupil costs.

4.2 Personnel Salaries
Personnel of the Conroe RDSPD staff shall be paid according to the salary schedule of the Fiscal Agent.

4.3 Materials, Supplies and Services
The Program Director will request funding for all materials, supplies, and services needed by the Conroe RDSPD. Any costs associated with loss or damage to these supplies will be the responsibility of the Fiscal Agent. Assistive Technology devices recommended by the ARD committee for students attending Conroe RDSPD site campuses are the responsibility of Conroe RDSPD (i.e., purchase, repair, replacement) Member Districts are responsible for all costs related to AT devices for students attending campuses in the Resident ISD.

4.4 Evaluation Services

The Program Director/campus administrator interviews the applicant. Recommendations concerning employment are made to the Human Resources department of the Fiscal Agent. The Fiscal Agent issues the employment contract.

5.2 Job Descriptions
Job descriptions comply with guidelines provided in state and federal laws and regulations and Texas Education Agency, Division of Services for the Deaf. Job descriptions for each position will be kept on file at the Fiscal Agent Human Resources department.

5.3 Director
The supervisor of the program (Program Director) is selected and hired by the Fiscal Agent. The Program Director is responsible to the Fiscal Agent Special Education Director. The Program Director of Conroe RDSPD schedules support staff to program sites on a needs basis as determined by student IEPs. Personnel may be assigned and reassigned to program sites depending on the educational needs of deaf hard of hearing students. The Program Director makes recommendations for assignment to the Fiscal Agent Special Education Director and campus administrator.

5.4 Local Responsibilities
Conroe RDSPD personnel assigned to sites are an integral part of the site faculty and are responsible to campus administrators. Conroe RDSPD personnel perform duties assigned to site classroom teachers as long as they do not interfere with the primary mission of the special assignment. Instructional programming decisions are the responsibility of the Program Director. The Campus Administrator, Fiscal Agent Special Education Director, and the Program Director make clarification of role assignments jointly.

6.1 Pupil Appraisal
The Program Director arranges for appraisal services in combination with services available from Member Districts and/or contracted appraisal services with outside agencies. The Program Director is responsible for coordinating appraisal services. Appraisal services are secured first from program personnel, second from site personnel, and third from the student's Resident ISD. If the services are not available, the Program Director arranges for contracted services from outside agencies. Appraisal for students already enrolled in the Conroe RDSPD is the responsibility of the Conroe RDSPD.

6.2 Referral Process
Initial referral of a student to the Conroe RDSPD is the responsibility of the student's Resident ISD. Resident ISD may choose to request Conroe RDSPD personnel to assist in the referral process. Requests must be made in reasonable time to allow for scheduling and must be approved by the Conroe RDSPD.

    c. communication assessment performed by a licensed speech language pathologist or certified teacher of the deaf

The Resident ISD is financially responsible for the assessments that must be obtained during the referral process, but can be contracted with fiscal agency.

Referral to the Program
If the student is new to the Resident ISD, and has received services in another RDSPD, the Resident ISD representative verifies that the student may receive service in the Conroe RDSPD while data for placement is collected. The Resident ISD representative contacts the Program Director and establishes an ARD committee to consider referral to the Conroe RDSPD.

Accounting Procedures

Students placed in the Conroe RDSPD Site Campuses will be coded by Conroe RDSPD for ADA purposes in accordance with PEIMS procedures established by TEA. If the student is part of the Conroe RDSPD but placement remains in the Resident ISD, the Member District in which the child receives services for ADA purposes will count the student. Member districts agree to code PEIMS data to reflect the student's membership in the Conroe RDSPD. Agreement to these policies by the Member Districts constitutes an agreement for student accounting purposes.

6.3 Admission, Review and Dismissal Committees
The Resident ISD establishes the ARD committee when considering a student for placement in Conroe RDSPD. The Resident ISD establishes the ARD committee for continuing students receiving Conroe RDSPD services in the Resident ISD. Conroe RDSPD establishes the ARD committee for continuing students receiving Conroe RDSPD services at a Conroe RDSPD site campus. The Resident ISD representative will be considered a member of the ARD committee.

Consider Approval of Application for Renewal of Professional Development Waiver

Recommendation:
That the Conroe Independent School District Board of Trustees consider approving the submission of an application to the Texas Education Agency to renew its Professional Development Waiver for the 2022-2023 school year, as submitted by Dr. Chris Hines, Deputy Superintendent, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:
For the last 14 years, the District has submitted a request to the Texas Education Agency for approval of a *Professional Development Waiver*. This waiver allows the District to count four staff development days that include October 7, November 8, February 17, and March 20 toward the required number of instructional minutes mandated by Texas Education Code §25.081. Specifically, the waiver allows the District to count up to a maximum of 2,100 minutes toward the required 75,600 minutes of operation. The District requests your approval to renew this waiver for 2022-2023 school year. As part of the calendar development process, the waiver was submitted to the District Level Planning and Decision Making Committee for comment as required by Texas Education Code §7.056(b)(2) and Board Policy BF.

Consider Approval of Application to the Texas Education Agency for a Low Attendance Waiver for Patterson Elementary School, Bozman Intermediate School, and Stockton Jr. High School

Recommendation:
That Conroe Independent School District Board of Trustees approve the application to the Texas Education Agency to seek a low attendance waiver for Patterson Elementary, Bozman Intermediate, and Stockton Jr. High for low attendance due to an extended power outage on May 2, 2022, as submitted by Dr. Bethany Medford, Assistant Superintendent for Middle Schools, and as recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:
The Texas Education Agency (TEA) makes available to school districts a waiver to excuse any instructional days from average daily attendance and foundation school funding calculations if attendance is at least 10 percentage points below the last school year's overall average attendance. Such a waiver is available in circumstances such as inclement weather or for health or safety issues.

Patterson Elementary, Bozman Intermediate, and Stockton Junior High were all without power from 4 p.m. on Sunday until 3 p.m. on Monday. This created a safety issue at each of the campuses. As a result, attendance was very poor and met the threshold for submitting an application to TEA for a low attendance waiver. Most parents either did not send their children to school or picked their children up shortly after arriving at school.

If the Board of Trustees approves the District's submission of an application to TEA for a waiver, and if the waiver is approved by TEA, the campuses' attendance will not be negatively affected by the absences due to the extended power outage.

Consider Withdrawing May 2, 2022 Proposal to Nonrenew the Term Employment Contract of Oriekose Osemele and Authorize the Superintendent to Give Ms. Osemele Notice of this Action

Recommendation:
That the Conroe Independent School District Board of Trustees withdraw its previous proposal to nonrenew the term employment contract of Oriekose Osemele and that the Superintendent notify her of this withdrawal as recommended by Carrie Galatas, General Counsel and Dr. Curtis Null, Superintendent of Schools.

Explanation:
On May 2, 2022, the Board previously took action to propose the nonrenewal of Oriekose Osemele's term contact at the end of the 2021-2022 school year. Shortly after the Board took this action, Ms. Osemele submitted her resignation from employment. Because Ms. Osemele has resigned the District recommends that the Board withdraw its nonrenewal proposal.

Nominate Candidate to the Texas Association of School Boards (TASB) Board of Directors

Recommendation:
That the Conroe Independent School District Board of Trustees nominate a Trustee to serve on the TASB Board of Directors, as submitted and recommended by Dr. Curtis Null, Superintendent of Schools.

Explanation:
Conroe ISD qualifies for a large district position on the TASB Board of Directors. Based on enrollment for two prior consecutive years, 2021-2022 was the first year the District qualified to have a large district position on the TASB Board of Directors. Trustee Scott Moore was nominated by the Board of Trustees at the July 20, 2021 Regular Board Meeting and currently holds this position. Mr. Moore has indicated he would like to continue to represent the District in this capacity.

Because Conroe ISD is a large district member, whoever the Board nominates will be elected to the TASB Board of Directors. The position term is three years beginning at the close of the 2022 TASA/TASB Convention and expiring after the 2025 Convention.

The TASB Board of Directors is charged with carrying out the policies established by the TASB Delegate Assembly. A director is expected to attend four meetings of the Board of Directors each year with one of the meetings being at the same time as the annual TASA/TASB Convention in the fall. In addition, the director will also be asked to serve on a standing committee that will meet on a need basis, normally in conjunction with a Board of Directors meeting.
