ELECTION SERVICES AGREEMENT

STATE OF TEXAS ()
COUNTY OF MONTGOMERY ()

THIS CONTRACT ("Agreement"), including all attachments and Exhibits hereto, is made this date countersigned by the governing body of the Political Subdivision, by and between the Political Subdivision of _____
_____,
hereinafter called "Political Subdivision," and Montgomery County, Texas, by its County Election Officer, Suzie Harvey, hereinafter called "Contracting Officer," pursuant to Texas Election Code Section 31.092. The parties agree to hold a November 3, 2026 Joint Election with all participating Political Subdivisions in accordance with Chapter 271 of the Texas Election Code and this Agreement. This Agreement is entered into in consideration of the mutual covenants and promises hereinafter set out:

1. **RECITALS.** Contracting Officer is the Elections Administrator of Montgomery County, Texas, and is the County Officer in charge of election duties. Political Subdivision is a political entity situated wholly or partially within Montgomery County, Texas. Political Subdivision and Contracting Officer have determined that it is in the public interest of Montgomery County voters that the following contract be made and entered into for the purpose of having Contracting Officer furnish to Political Subdivision certain election services and equipment needed by Political Subdivision in connection with holding its November 3, 2026 Election. Montgomery County's certified Hart InterCivic Verity Voting System Version 2.5 voting system is to be used in the November 3, 2026 Joint Election, hereinafter called "Joint Election."

2. **DUTIES AND SERVICES OF CONTRACTING OFFICER.** Contracting Officer shall be responsible for performing the following duties and shall furnish the following services and equipment:

   (a) Determine the number of election officials and voting equipment units needed for each polling location. Notify and coordinate presiding election judges, alternate judges, and all other election officials appointed by Montgomery County Commissioners Court and the County Election Board or recommended by Contracting Officer, as applicable. Montgomery County or Contracting Officer, as applicable, will make emergency appointments of election officials if necessary.

   (b) Conduct necessary training of election officials or arrange for training through a third party. Notify all early voting and Election Day officials of the date, time, and place thereof.

   (c) Arrange for the use of early voting locations per the attached Exhibit A and Election Day polling locations per the attached Exhibit B. If the need arises for emergency replacement

polling location(s), make necessary alternate arrangements and notify Political Subdivision as soon as possible.

(d) Procure election kits and supplies and distribute to the election judges and deputy early voting clerks. Assemble and edit lists of registered voters to be used in conducting the election in conformity with the boundaries of Political Subdivision and the election precincts established for the election. The Election Day list of registered voters shall be arranged in alphabetical order, as applicable to the election, in lieu of alphabetical order by political entity.

(e) Prepare and test voting equipment, format ballot styles, record audio, oversee all equipment and voter registration database programming, assure compliance with equipment security requirements, and arrange for transport of equipment to and from polling locations.

(f) Serve as Early Voting Clerk for the Joint Election. Process, print, mail, email, or deliver in person, as applicable, and tabulate ballots for any eligible voter who applies for a mail ballot including all eligible Federal Post Card Application voters. Supervise the conduct of early voting in person and appoint sufficient personnel to serve as deputy early voting clerks. Provide lists of early voters as provided by law through the Montgomery County Elections website and Public Information web access program.

(g) Provide, in English and Spanish, the legal notice of the date, time, and place of the required public logic and accuracy tests and the first test of automatic tabulating equipment on the Montgomery County website. Prepare test materials and conduct internal election testing and the required public logic and accuracy tests and tests of tabulation equipment. Provide the publication in English and Spanish of a legal notice of joint election one time in Montgomery County newspaper(s).

(h) Arrange for all personnel, equipment, and supplies needed for the early voting ballot board, signature verification committee if applicable, tabulation, and central counting station. Tabulate early voting and Election Day results, including mail ballots and provisional ballots. Tabulate unofficial returns and assist in preparing the tabulation for the official canvass. Provide Political Subdivision its voter history report following the election through the Montgomery County Elections Public Information web access program.

(i) Serve as Custodian of Records for election records in Contracting Officer's custody and provide the required temporary storage and permanent storage of said election records as provided by law.

(j) Provide information services for voters and election officers.

(k) Maintain accurate records of all expenses incurred in connection with the responsibilities under this Agreement and provide Political Subdivision a final invoice after the conduct of the election. Provide any detailed backup to such invoice, if requested, reflecting the charges or components of the costs set forth on the invoice submitted to Political Subdivision.

(l) Conduct a post-election hand count audit as provided by Section 127.201 of the Texas Election Code if required for the County election, or if Political Subdivision otherwise provides Contracting Officer precincts and races ordered by the Secretary of State to be manually counted. Contracting Officer shall post the results of any such count on the Montgomery County website and, in accordance with Section 127.201(e) of the Texas Election Code, deliver a written report of the results of any such count to the Office of the Secretary of State.

(m) Place the funds paid by Political Subdivision hereunder in a "contract fund" as prescribed by Section 31.100 of the Texas Election Code.

3. **DUTIES AND SERVICES OF POLITICAL SUBDIVISION**. Political Subdivision shall be responsible for performing the following duties:

(a) Prepare all election orders, resolutions, notices, and other pertinent documents for adoption and execution by the appropriate Political Subdivision officer or body, as provided and authorized by law. Take all actions necessary for calling Political Subdivision's election which are required by the Texas Election Code and/or the Political Subdivision's governing body, charter, ordinances, or other applicable laws. Execute a Joint Election Agreement with all participating Political Subdivisions for the purpose of sharing election equipment, election officials, polling places, and costs. Serve as Custodian of Records for all election records in its possession as provided by law.

(b) Political Subdivision shall be responsible for the legal sufficiency of any order calling its election. Political Subdivision shall be responsible for all substantive and procedural legal issues governing the conduct of its election. Political Subdivision understands and agrees that Contracting Officer provides no legal advice to Political Subdivision.

(c) Adopt the County Election Precincts, consolidated County Election Precincts ordered by the Montgomery County Commissioners Court, or precincts recommended by Contracting Officer, as applicable, for this election. Adopt all early voting dates, times, and locations on the attached Exhibit A. Adopt the election day polling locations on the attached Exhibit B at which Political Subdivision's election will be held.

(d) If required, prepare any necessary preclearance submission on all voting changes made by Political Subdivision and timely submit to the U. S. Department of Justice under the Federal Voting Rights Act of 1965, as amended.

(e) Prepare, post, and publish all required election notices for Political Subdivision, with the exception of the joint election notice and the notice of the public test, which Contracting Officer shall publish and/or post on the Montgomery County website, as provided. In addition, if polling locations for Joint Election are different than those for Political Subdivision's previous election, Political Subdivision shall post notice at the entrance to any previous polling places in its jurisdiction stating that the polling location has changed and shall provide the polling location and address for those voters for this election, pursuant to Texas Election Code Section 43.062, unless Contracting Officer has posted notice of the change at that location for Joint Election. Educate the voters in Political

Subdivision as much as possible about early voting dates, times, and locations and election day polling locations.

(f) Timely confirm with Contracting Officer Political Subdivision's boundaries, County Election Precincts, and street details within those boundaries. If boundaries are not defined properly within Montgomery County Elections voter registration database, maps and street lists with block ranges and odd/even/both indicators must be provided to Contracting Officer. Proof and approve all programming work done for the jurisdiction according to the Exhibit C Timetable.

(g) Deliver to Contracting Officer, according to the attached Exhibit C Timetable, an Entity Fact Sheet, Ballot Template with Spanish translations, candidate names and measures, copies of candidate applications, and the order in which all items are to be printed on the ballot with the exact form and spelling. Provide pronunciation for difficult names or words for use on the ballot audio recording. Review ballot proofs and approve by signature within deadlines provided.

(h) Appoint Contracting Officer as Early Voting Clerk to receive applications for ballot by mail at

Mail	Email*	Fax*
Suzie Harvey Elections Administrator P. O. Box 2646 Conroe, TX 77305-2646	election.ballot@mctx.org	(936) 788-8340

*If an Application for Ballot By Mail is submitted by email or fax or if a Federal Post Card Application is submitted by fax, to be effective, the original application must also be physically submitted and be received not later than the fourth business day after it is received by email or fax.

All requests for early voting ballots to be voted by mail that are received by Political Subdivision must be forwarded in person or by email or fax to Contracting Officer on the day of receipt. Original applications that are received by mail and forwarded by email or fax must also be mailed to Contracting Officer for all processing.

(i) Appoint election officials as appointed by Montgomery County Commissioners Court and the County Election Board or recommended by Contracting Officer, as applicable.

(j) If requested, assist Contracting Officer with recruiting bilingual poll workers and provide documentation of Political Subdivision's efforts if requested by the U. S. Department of Justice.

(k) If candidate information packet is provided to Political Subdivision by Contracting Officer, distribute to all candidates at time of candidate filing or in another appropriate manner.

(l) Pay additional costs incurred by Contracting Officer for any ballot or election changes after deadlines, recount, election contest, newly ordered election, or a runoff election, if required, unless prohibited by law.

(m) Immediately forward to Contracting Officer any information received from the Secretary of State regarding a post-election hand count audit of precincts and races or a waiver of the hand count audit. Contracting Officer must receive this information on the same day received by Political Subdivision because of the short deadline for Contracting Officer to begin the process.

(n) Canvass the returns and declare the election results for Political Subdivision. Political Subdivision is responsible for filing any precinct reports with the Secretary of State, if required, unless both parties agree that Contracting Officer will submit precinct reports.

(o) Pay a deposit, if required, of 60% of its estimated total cost, per the Exhibit D Cost Estimate, if provided, within thirty days from the date of the Exhibit D Cost Estimate. Pay the balance for conducting said election within thirty days from the date of final invoice. All payments shall be made from current revenues available to Political Subdivision. If the amount owed for conducting the election is less than any deposit paid by Political Subdivision, Contracting Officer shall refund the overpayment in a prompt manner.

Checks shall be made payable to:

Montgomery County Elections Administrator
P O Box 2646, Conroe, Texas 77305-2646.

4. **COST OF SERVICES.** Political Subdivision shall share some expenses for the above services, supplies, and equipment in accordance with the Exhibit D Cost Estimate. This cost estimate may be amended, if necessary, after filing deadlines and election cancellations. Additional elections may reduce costs for each entity, and election cancellations may increase costs for each remaining entity. It is understood that other political entities may wish to participate in the use of the County's voting equipment and polling locations, and it is agreed that Contracting Officer may enter into other contracts with entities for those purposes on terms and conditions generally similar to those set forth in this Agreement. Only the actual expenses directly attributable to this Agreement and any prorated shared expenses plus a 10% administrative fee may be charged to Political Subdivision.

5. **GENERAL CONDITIONS.**

(a) The parties agree that the timing is critical for all duties in this Agreement. Failure to adhere to any deadline in the Exhibit C Timetable without prior agreement of Contracting Officer may result in cancellation of Contracting Officer's duties and obligations to conduct Political Subdivision's election under this Agreement or, at the discretion of Contracting Officer, a late penalty surcharge in an amount not to exceed 10% of the total final cost of the election. Adherence to the Timetable is critical because of Montgomery County's obligation to complete all programming and testing, process, print, and mail or email, as applicable, any military and overseas ballots by state and federal deadlines, and conduct federal, state, county, and/or other contracted elections, as applicable.

(b) In accordance with Section 31.098 of the Texas Election Code, Contracting Officer is authorized to contract with third persons for election services and supplies and hire necessary temporary personnel to perform contracted duties. Part-time and seasonal personnel will be compensated at the hourly rate set by Montgomery County.

(c) Pursuant to Section 31.100(d) of the Texas Election Code, Contracting Officer may not be personally compensated for election services performed under this Agreement. In accordance with Section 31.100(e) of the Texas Election Code, only costs for contractual duties performed outside of normal business hours by personnel regularly employed by Contracting Officer will be allocated to Political Subdivision under this Agreement.

(d) Political Subdivision acknowledges that voting equipment is highly technical and it is conceivable that, despite the best effort of the parties and technical assistance, it might fail during the election. Contracting Officer will take every possible action to remedy any such situation, but Political Subdivision agrees that should such equipment fail, it will not make any claim for damages of any kind.

(e) The county early voting sites as per the attached Exhibit A will be used for the Joint Election. Any eligible Montgomery County voter in the Joint Election may vote early by personal appearance at any one of the joint early voting locations in Exhibit A.

(f) Montgomery County Elections Department is contracting with numerous political entities for the Joint Election, and the parties agree that all ballot styles will be programmed into one electronic voting system. Each voter will receive one ballot that contains all races and measures in the Joint Election for which the voter is eligible at the address and in the precinct of the voter's current registration in Montgomery County. One joint voter sign-in process consisting of a common list of Montgomery County registered voters and common signature rosters shall be used.

(g) In accordance with Section 31.099 of the Texas Election Code, Contracting Officer shall file copies of this Agreement with the Auditor and Treasurer of Montgomery County not later than the 10th day from receipt by Contracting Officer of the fully executed Agreement(s).

(h) Montgomery County is self-insured for personal liability issues. Should Political Subdivision desire insurance for injuries during this election or other liabilities, it shall make such arrangements separate from this Agreement.

(i) In the event that the performance by Contracting Officer of any of its obligations hereunder shall be interrupted or delayed by any occurrence not occasioned by its own conduct, whether such occurrence be an act of God or the result of war, riot, civil commotion, sovereign conduct, or the act or condition of any persons not a party thereof, then it shall be excused from such performance for such period of time as is reasonably necessary after such occurrence to remedy the effects thereof.

(j) The parties to this Agreement agree that Political Subdivision may cancel this Agreement in the event that it has no need to participate in Joint Election. If Political Subdivision cancels its participation after the deadline in Exhibit C Timetable, a $1,000 contract

preparation and processing fee will be assessed to Political Subdivision in addition to any costs incurred by Contracting Officer on behalf of Political Subdivision prior to said cancellation. A 10% administrative fee will be added to all charges for services provided under this agreement, including services related to a canceled election or canceled participation for which notification is provided to Contracting Officer after the deadline in Exhibit C Timetable.

(k) Political Subdivision has the option of extending the applicable terms of this Agreement through its runoff election, if required. If requested by Contracting Officer, Political Subdivision shall be responsible for locating acceptable runoff polling locations, although Contracting Officer may assist. The number of early voting locations and/or Election Day polling locations in a runoff election may be reduced. If Political Subdivision elects to have Contracting Officer conduct a runoff election, the polling places must be acceptable to Contracting Officer and shall be coordinated with other participating entities. Costs will be allocated to the participating entities, plus a 10% administrative fee shall be charged. Political Subdivision shall be responsible for all orders, notices, and notice of election postings and publications required for its runoff, except the posting of the notice of the public logic and accuracy tests and the first test of automatic tabulating equipment, which Contracting Officer will post.

The foregoing Election Services Agreement is made in Montgomery County, Texas, and is signed on the dates below.

Consider and Approve Resolution Designating Nonbusiness Days for the 2027 and 2028 Calendar Years in Compliance with Texas Government Code §552.0031

Recommendation:
That the Conroe Independent School District Board of Trustees approve a resolution designating nonbusiness days for the 2027 and 2028 calendar years in compliance with Texas Government Code §552.0031, as submitted by Dr. Hedith Sauceda-Upshaw, Assistant Superintendent of Governance and Leadership Programs, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:
Texas Government Code §552.0031 defines business day for purposes of the Texas Public Information Act as a business day other than: a Saturday or Sunday; a national holiday under Texas Government Code §662.003(a); and, a state holiday under Texas Government Code §662.003(b). Section 552.0031 allows school districts to designate up to ten additional nonbusiness days for the sole purpose of calculating timelines under the Texas Public Information Act. The attached resolution designates ten of the days the District is closed as nonbusiness days during calendar year 2027 and ten days during calendar year 2028. These days will be used when calculating timelines under the Texas Public Information Act.

RESOLUTION OF THE BOARD OF TRUSTEES
OF THE CONROE INDEPENDENT SCHOOL DISTRICT
DESIGNATING NONBUSINESS DAYS FOR 2027 AND 2028

STATE OF TEXAS §
§
COUNTY OF MONTGOMERY §

WHEREAS, The Conroe Independent School District Board of Trustees (the "Board") understands that Texas Government Code §552.0031 defines "business day" under the Texas Public Information Act to mean a day other than:

(1) a Saturday or Sunday;
(2) a national holiday under Texas Government Code §662.003(a); or
(3) a state holiday under Texas Government Code §662.003(b);

WHEREAS, Texas Government Code §552.0031 further provides that the Friday before or Monday after a state or federal holiday is not a business day of a governmental entity if the holiday occurs on a weekend and the governmental entity observes the holiday on that Friday or Monday;

WHEREAS, the definition of a business day is significant for government bodies as the Texas Public Information Act requires a governmental entity to act upon receipt of a request for public information and often requires the calculation of business days; and

WHEREAS, Texas Government Code §552.0031 provides that the Board of Trustees of a school district may designate up to ten (10) additional days in each calendar year as nonbusiness days on which the governmental entity's administrative offices are closed or operating with minimum staffing and are not national or state holidays.

NOW, THEREFORE, BE IT RESOLVED as follows:

(I) The Conroe Independent School District Board of Trustees designates the following dates in calendar year 2027 as nonbusiness days in compliance with Texas Government Code §552.0031:

Consider and Approve an Interlocal Agreement with Harris County Department of Education Music Therapy to Provide Required IEP Services for Students

Recommendation:
Special Education Department recommends that the Conroe Independent School District Board of Trustees approve the Interlocal agreement with Harris County Department of Education Music Therapy to provide federally mandated IEP services for students that require music therapy to make progress in compliance with Individuals with Disabilities Education Act (IDEA) as submitted by Kendra Wiggins, Executive Director of Special Education.

Explanation:
Music therapy is not provided as an enrichment activity or elective; it is considered a **related service** under the Individuals with Disabilities Education Act (IDEA) when it is determined by the student's Admission, Review, and Dismissal (ARD) Committee that the service is necessary for the student to receive a Free Appropriate Public Education (FAPE).

The purpose of music therapy is to use evidence-based music interventions to help a student achieve specific educational goals identified in the Individualized Education Program (IEP). These interventions are designed and implemented by a qualified music therapist in collaboration with the student's educational team.

A district may recommend music therapy when data indicate that traditional instructional alone are not sufficient for the student to make meaningful progress. Music therapy can support students in areas such as:

- Improving communication skills, including expressive and receptive language.
- Increasing attention, engagement, and participation during instruction.
- Developing social interaction and peer engagement.
- Supporting emotional regulation and reducing behaviors that interfere with learning.
- Improving motor planning, coordination, and movement.
- Enhancing cognitive skills such as memory, sequencing, and task completion.

For some students with significant disabilities, autism spectrum disorder, or multiple disabilities, music provides a highly motivating and structured medium that can increase participation and facilitate learning in ways that other interventions may not.

The decision to include music therapy in an IEP is made on an individual basis. The ARD Committee reviews evaluation data, current performance, and student needs to determine whether music therapy is educationally necessary.

As with any related service, the district regularly monitors student progress. If data indicate that the student no longer requires music therapy to make educational progress, the ARD Committee may revise the IEP accordingly.

Harris County Department of Education

Consider and Approve an Interlocal Agreement with Harris County Department of Education for Specialized Services Academic Behavior School (ABC) West

Recommendation:
Special Education Department recommends that the Conroe Independent School District Board of Trustees approve the Interlocal agreement with Harris County Department of Education ABS West to provide federally mandated IEP services for students that require a setting of a non-public day school to make progress in compliance with Individuals with Disabilities Education Act (IDEA) as submitted by Kendra Wiggins, Executive Director of Special Education.

Explanation:
Federal and state special education laws require school districts to provide every eligible student with a Free Appropriate Public Education (FAPE**)** in the Least Restrictive Environment (LRE)**.**

Occasionally, however, a student's educational, behavioral, therapeutic, or safety needs become so intensive and specialized that the district is unable to implement the student's Individualized Education Program (IEP) using the services and supports available within the district's continuum of placements. When this occurs, the Admission, Review, and Dismissal (ARD) Committee must consider all available placement options.

A nonpublic day school is considered only after the ARD Committee has determined, based on comprehensive evaluation data and the student's unique needs, that:

- The district cannot provide the specialized services required for the student to make meaningful educational progress.
- More restrictive interventions within the district have been considered and determined to be insufficient.
- The placement is necessary for the student to receive FAPE.
- The placement is based on the individual needs of the student—not on disability category, administrative convenience, staffing, or cost.

Nonpublic day schools provide highly specialized instructional programs, intensive behavioral supports, therapeutic interventions, and staffing that do not exist within a traditional public-school setting. These schools are designed to address complex needs while continuing to provide access to the general curriculum and opportunities for progress toward IEP goals.

Placement in a nonpublic day school is not intended to be permanent. The ARD Committee reviews the student's progress at least annually—and more frequently if needed—to determine whether the student can successfully transition back to a district program as skills improve and supports become available.

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and CISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which CISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in CISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) CISD is under HCDE's direct control with respect to CISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under CISD**'s** direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s).    b) HCDE will be available for participation with the CISD ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the CISD on the implementation of the IEP at least once per semester. A member of the CISD special education personnel will monitor, assess and evaluate the student(s)'s progress as established by the IEP, including at least **two** on-site visits annually.

   c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS West.

   d) CISD agrees to invite an HCDE representative as a non-consensus member to any CISD ARD Committee meeting for CISD student(s) placed at ABS West pursuant to this Contract.

   e) HCDE will not use prohibited aversive techniques, as that term is defined by Texas Education Code § 37.0023.

   f) **CISD agrees to provide and maintain in good, working condition any assistive technology devices needed by the student(s) and to provide any services required by the student's ARD that are not provided by HCDE, including, but not limited to, speech therapy services, dyslexia services, Accelerated Instruction, etc. CISD, not HCDE, is responsible for directly providing or contracting for such devices and/or services. To the extent services are provided by a non-CISD employee (such as an independent contractor) at HCDE facilities, CISD shall ensure that the service provider has complied with all applicable requirements to provide such services to CISD's students, including, but not limited to, national criminal history fingerprinting requirements set**

forth in Tex. Educ. Code Ch. 22, pre-service affidavit requirements of Tex. Educ. Code § 22A.055, and misconduct reporting requirements of Tex. Educ. Code § 22A.052.

g) **When determined by the ARD Committee for the CISD's student, a student receiving special education services may qualify to have a paraprofessional provided at a one-to-one ratio for additional support. The 1:1 aide ("1:1 Education Aide") provides support to the student as affirmed and approved by the student's ARD Committee and as delineated by the student's IEP, which, by way of example, may include personal care (i.e., diapering, feeding, etc.), behavior management support and documentation, instructional support, activities of daily living, social skills practice, task redirection, discreet trial training, home contact, amongst others (collectively "One-to-One Services"). If consideration of the provision of One-to-One Services, the CISD shall pay HCDE a one-to-one services fee, as outlined in Section 9, below.**

8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in CISD and are considered students of CISD for all purposes. CISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible CISD student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. CISD retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an CISD student placed at HCDE, CISD recognizes and acknowledges that HCDE is not the LEA or Recipient for the CISD student and is in no way liable to the student, parent, or CISD under the IDEA, Section 504, or other applicable law.

9. Invoices and Payment. In consideration of the services provided herein, CISD agrees to pay HCDE a total amount of **$622,000** ***(In-county fee of $607,000 per 20 units plus $15,000 per one seat for Dyslexia Services)*****.** Total amount is calculated by multiplying the number of units times the annual **out-of-county** tuition rate of **$30,350**.

HCDE will invoice CISD and payment will be due immediately upon receipt of invoice. CISD agrees to pay HCDE in the following manner:

- 100% of annual total amount due will be invoiced in **September 2026**

If applicable, in consideration of the provision of the below-listed service(s), CISD agrees to pay HCDE in the following manner:

- **$15,000 per seat for dyslexia services, utilizing the Reading by Design Curriculum.**
- **$42,000 out-of-county per 1:1 Educational Aide for One-to-One Services ("One-to-One Services Fee").**
- **100% of dyslexia services fees and/or One-to-One Services Fee will be invoiced in September 2026.**

If applicable, in consideration of Extended School Year Services (ESY) provided, CISD agrees to pay HCDE in the following manner:

- **$7,350** out-of-county tuition rate times number of ESY students enrolled.
- 100% of ESY total amount due will be invoiced in **July 2027.**

a) In the event that CISD makes a payment to HCDE with a credit card, CISD agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
b) CISD may sell unused units to another CISD upon obtaining HCDE's prior written consent.
c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
d) The source of funding for this contract will be from CISD State (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.

10. CISD Liaison. CISD shall appoint a qualified liaison to communicate on behalf of CISD with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; ABS West programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The CISD liaison shall make best efforts to assist ABS West representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with CISD employees and student(s)'s parents/guardians, as necessary.

11. Termination.
a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to CISD. If HCDE exercises such termination right, HCDE shall have no obligation to refund to CISD the amount of any pre-paid fees for any period following the effective date of such termination.
b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
c) To the greatest extent practicable, the CISD shall provide HCDE with notice that a student receiving One-to-One Services is leaving an Academic Behavior School (whether the student is returning to the CISD or moving to another CISD). In no event shall HCDE be required to refund the One-to-One Services Fee, unless in the sole discretion of HCDE, extenuating circumstances exist that warrant a prorated refund.
d) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at ABS West at the time of termination or expiration of this Contract will return to CISD. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to CISD within ten (10) business days following the date of termination or expiration, at the written request of CISD.

12. Equal Opportunity. It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. CISD agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at ABS West, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. 14. Notice. Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

21. **Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.

22. **Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.

Consider and Take Possible Action to Approve an Interlocal Agreement with the Texas Municipal League Intergovernmental Risk Pool (TMLIRP) for Retired Peace Officer Critical Illness Coverage Enacted by House Bill 4144 and Authorize the Superintendent (or designee) to Execute all Necessary Documents

Recommendation:
Administration recommends that the Conroe Independent School District Board of Trustees approve the Group Critical Illness Interlocal Agreement with the Texas Municipal League Intergovernmental Risk Pool (TMLIRP) to provide mandated critical illness insurance coverage for eligible retired school district peace officers in compliance with House Bill 4144 as submitted by Paula Green, Executive Director of Human Resources, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:
During the 89th Texas Legislative Session, lawmakers passed House Bill 4144 (codified under Texas Government Code, Chapter 607, Subchapter D), which went into effect on September 1, 2025. This statute mandates that political subdivisions (including school districts) employing 50 or more sworn peace officers must provide a post-retirement benefit to officers who retire honorably on or after January 1, 2026. Specifically, if an eligible retiree is diagnosed with a covered critical illness (including one of 11 specific occupational cancers, acute myocardial infarction/heart attack, or stroke) within 36 months (3 years) of their retirement date, the district is statutorily liable to pay a supplemental benefit.

The state-mandated benefit amount is the lesser of:
1. The retiree's final annual salary at the time of retirement, or
2. $100,000.

Self-Insured vs. Fully Insured:
Political subdivisions have the choice to self-fund this unexpected liability out of local maintenance & operations funds or purchase an insured solution. Because a single claim could cost up to $100,000, self-insuring poses a volatile budgetary risk to the district. To mitigate this risk, the Texas Municipal League Intergovernmental Risk Pool (TMLIRP) has competitively procured a fully insured master policy product through MetLife (administered by Amwins Group Benefits). By entering into this specialized interlocal agreement with TMLIRP, the District shifts 100% of the financial liability of these claims to the insurance carrier.

GROUP CRITICAL ILLNESS INTERLOCAL AGREEMENT

This Group Critical Illness Interlocal Agreement (hereinafter referred to as "Agreement") is entered into by and between political subdivisions of this state (hereinafter referred to as "Electing Pool Members"). This Agreement is specifically for the Electing Pool Members to acquire and access Group Critical Illness Coverage, as required by House Bill 4144, passed in the 89th Texas Legislative Session (hereinafter referred to as the "Coverage"). Under this Agreement, the Texas Municipal League Joint Self-Insurance Fund (hereinafter referred to as the "Fund") will act only as the initial holder of the Coverage.

WITNESSETH:

The undersigned Electing Pool Member, in accordance with the Interlocal Cooperation Act, Tex. Gov't Code § 791.001, et seq., and the interpretation thereof by the Attorney General of the State of Texas (Opinion #MW-347, May 29, 1981), and in consideration of other political subdivisions executing like agreements, does hereby agree to become one of the Electing Pool Members for the purpose of acquiring and accessing the Coverage. The conditions of membership agreed upon by and between the parties are as follows:

1. Other definitions of terms used in this Agreement:

   a. Administrator. Refers to the entity administering the Coverage.
   b. Provider. Refers to the entity issuing and providing the Coverage.

2. In consideration of the execution of this Agreement by and between the Electing Pool Members and the Fund, the coverage elected by the Electing Pool Member is afforded according to the terms of the Coverage provided by the Provider.

   Each Electing Pool Member agrees to adopt and accept the coverage, provisions, terms, conditions, exclusions, and limitations as further provided for in the Coverage. This Agreement shall be construed to incorporate the Coverage, Declarations, and Agreements and addenda whether physically attached hereto.

3. It is understood that by participating in this risk-sharing mechanism to cover liability exposures, the Electing Pool Member does not intend to waive any of the immunities that its officers or its employees now possess. The Electing Pool Member recognizes the Texas Tort Claims Act and its limitations to certain governmental functions as well as its monetary limitations and that by executing this Agreement does not agree to expand those limitations.

4. The term of this Agreement and the Coverage provided to the Electing Pool Member shall be continuous commencing 12:01 a.m. on the date designated in the Coverage until terminated by the Electing Pool Member as provided in the Coverage, or until terminated for any reason by the Fund by providing 60 days' written notice to the Electing Pool Member. Changes to the Agreement made during the term, whether requested by the Electing Pool Member or required by the Fund, will be handled by written agreement.

5. The Electing Pool Member agrees that it will appoint a contact of department head rank, and neither the Administrator, the Provider, nor the Fund shall be required to contact any other individual except this one person. Any notice to or agreements with the contact shall be binding upon the Electing Pool Member. The Electing Pool Member reserves the right to change the contact from time to time by giving written notice to the Administrator, the Provider, and the Fund.

6. The Electing Pool Member, via this Agreement, is electing to participate in the Fund only to the extent of acquiring and obtaining access to the Coverage. The Electing Pool Member shall not make contributions to the Fund nor receive the other coverages provided by the Fund, nor shall the Fund be liable for the payment of claims against or by the Electing Pool Member. The Fund shall only act as the initial holder of the Coverage. The Fund shall not handle any aspects of claims under the Coverage.

   TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE ELECTING POOL MEMBER FURTHER AGREES TO DEFEND, INDEMNIFY, AND HOLD HARMLESS THE FUND, ITS TRUSTEES, OFFICERS, EMPLOYEES, AND AGENTS FROM ALL CLAIMS (INCLUDING REASONABLE ATTORNEY FEES), EVEN IF SUCH CLAIMS ARISE FROM THE NEGLIGENCE, WHETHER SOLE, JOINT, COMPARATIVE, OR CONCURRENT, OR ALLEGED NEGLIGENCE OF THE FUND, ITS TRUSTEES, OFFICERS, EMPLOYEES, OR AGENTS, THAT MAY BE ASSERTED AGAINST THE FUND ARISING OUT OF THIS AGREEMENT.

The Fund shall not be liable for the administration or handling of claims by or against the Electing Pool Member under the Coverage. Electing Pool Members agree that the Provider and the Administrator are assuming all costs, liabilities, and risks arising from this Agreement and the Coverage, and agree that any grievances, claims, or suits by an Electing Pool Member arising from this Agreement and/or the Coverage shall be brought against only the Provider and/or Administrator.

In connection with claims within the scope of the Coverage, the Administrator shall provide the following services on behalf of the Electing Pool Member as confirmed specifically in the Coverage: overall claims administration; claims servicing including investigation and recommendations; periodic meetings with the Electing Pool Member's contact or claims committee; claims handling; storage and retention of claims records; periodic reports detailing claims and loss information and history. The Electing Pool Member shall comply with all reasonable requirements of the Provider and the Administrator.

STATEMENT OF RESPONSIBILITY
FOR GROUP CRITICAL ILLNESS

This Statement of Responsibility is entered into by and between the Texas Municipal League Joint Self-Insurance Fund (the "Fund") and the political subdivision of the state of Texas identified below (hereinafter referred to as "Electing Pool Member") which has elected to sign a certain Group Critical Illness Interlocal Agreement to acquire and access Group Critical Illness Coverage, as required by House Bill 4144, passed in the 89th Texas Legislative Session (hereinafter referred to as the "Coverage"). The Coverage shall be issued to the Fund through Metropolitan Life Insurance Company ("MetLife") and shall cover members of the Electing Pool Member.

WITNESSETH:

The undersigned political subdivision has elected to become an Electing Pool Member for the purpose of acquiring and accessing the Coverage and has agreed to adopt and accept the coverage, provisions, terms, conditions, exclusions, and limitations as further provided for in the Coverage. In connection with acquiring and accessing the Coverage, the Electing Pool Member hereby makes the following representations:

1) The Electing Pool Member must enroll all eligible members in the Coverage;
2) The Electing Pool Member shall be required to pay 100% of the premium for enrolled members throughout their entire three-year eligibility period and remit such premium to MetLife through a designated third-party administrator;
3) The Electing Pool Member shall provide all necessary information to MetLife through a designated third-party administrator to administer the Coverage in a timely manner.
4) This provision applies to any Electing Pool Member that is not required, under applicable state law, to offer the Coverage but nonetheless elects to participate in the program. Any such Electing Pool Member agrees as follows: (i) all eligible retirees of the Electing Pool Member must be enrolled in the Coverage while the Electing Pool Member participates in the program; and (ii) the Electing Pool Member shall enroll each retiree and pay the applicable premium for each such retiree for a minimum period of thirty-six (36) months, measured from the effective date of that retiree's Coverage. This obligation shall survive cancellation or termination of participation in the program and shall continue until a full thirty-six (36) months of premium has been paid for each enrolled retiree.

Premiums and fees are due and payable by the Electing Pool Member on the first day of each month for which coverage for members of that Electing Pool Member is to be provided. The Electing Pool Member's first premiums/fees must be paid within 31 days of the effective date of Coverage. If a payment other than the Electing Pool Member's first payment is not received within 31 days after the due date, Coverage will terminate on the earlier of the 31st day following the due date and the date requested in writing by the Electing Pool Member, provided the request is made before the 30th day following the due date. The Electing Pool Member will be liable for payment of the premium and fees which accrue while any Coverage remains in force.

The term of this Statement of Responsibility shall be continuous commencing 12:01 a.m. on the date designated in the Coverage until terminated by the Electing Pool Member or Provider as provided in the Coverage, or until terminated for any reason by the Fund by providing 60 days' written notice to the Electing Pool Member.

Consider Approval of Annual Recommendations for the State Board of Education Certification Professional Development Clearinghouse for the 2026-2027 School Year

Recommendation:
That the Conroe Independent School District Board of Trustees review the State Board of Education professional clearinghouse recommendations and approve the District's Professional Development Plan for the 2026-2027 school year as submitted by Mr. Chris McCord, Assistant Superintendent of Operations, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

The State Board for Educator Certification (SBEC) maintains a clearinghouse of information about continuing education and training requirements for educators and other school personnel. The law requires school boards to annually review the SBEC clearinghouse and adopt a professional development plan for their school district. These legal requirements are set out in Texas Education Code §21.4515 and Board Policy DMA Legal and Local.

The District's professional development plan for the 2026-2027 school year was guided by the SBEC clearinghouse training recommendations and meets the requirements of state law. It includes all the recommendations made by the SBEC clearinghouse, additional training the District believes is important and necessary for the noted groups of employees to safely and effectively perform their jobs, and indicates the frequency of each training.

After review of the SBEC clearinghouse recommendations, the District asks that the Board approve its Professional Development Plan for the coming school year.

Consider and Adopt Annual Resolution Identifying Hazardous Traffic Conditions for the 2026-2027 School Year

Recommendation:
That the Conroe Independent School District Board of Trustees adopt a resolution identifying hazardous traffic conditions as submitted by Chris McCord, Assistant Superintendent of Operations, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:
Texas Education Code §48.151(d)-(d-1) allows school districts to apply to the commissioner for an additional amount of up to ten percent of its regular transportation allotment for the transportation of students living within two miles of the school they attend who would be subject to hazardous traffic conditions or a high risk of violence if they walked to school. The District is maxed out on money received from the state for Hazardous Route reimbursement as we are currently over the ten percent mileage cap. It is required to annually apply for the additional funding each year with a resolution identifying the hazardous conditions that exist within two miles of any campus. The District identified three new hazardous traffic conditions for inclusion in the 2026–2027 Hazardous Route Plan. Additionally, two existing hazardous conditions are being removed following the installation of new crosswalks serving those communities. Those conditions are:

<u>High Schools</u>
GOHS 9th Grade - Adding new campus
- ➢ Adding Freeway, Expressway HWY 99 (Grand Parkway)

<u>Jr. High Schools</u>
York Junior High
- ➢ Removing "No crosswalk on Rayford at Discovery Creek Blvd" – crosswalk installed

<u>Intermediate Schools</u>
Cox Intermediate
- ➢ Removing "No crosswalk on Rayford at Discovery Creek Blvd"—crosswalk installed

Fowler Intermediate – Adding new campus
- ➢ Adding 55 MPH – FM 1314 & S. Loop as well as 336 E & Creighton Rd
- ➢ Adding No walk path at this time—under construction on Willow Valley Ct.

2026-2027 TRANSPORTATION ALLOTMENT HAZARDOUS TRAFFIC GUIDELINES

Each district or county operating a transportation system is entitled to allotments for transportation costs. A district or county can request up to an additional 10 percent of its transportation allotment, approved by the commissioner, to transport children living within two miles of school who face hazardous traffic if they walked to school. **TEC § 48.151**

In order to be approved for hazardous traffic funding each board of trustees must provide the commissioner with an explanation of hazardous traffic conditions.

- Each board must specify the particular hazards for which they are seeking funding. The Conroe ISD Board of Trustees identified the initial hazardous traffic conditions #1-6 during the 2013-2014 school year.

- A hazardous traffic condition exists where:
    1. **NO WALK PATH PROVIDED**
    2. **FREEWAY, EXPRESSWAY (I 45, SH 242)**
    3. **BRIDGES WITH NO PEDESTRIAN WALK**
    4. **NO PEDESTRIAN CROSS WALK**
    5. **UNDER/OVER PASS WITH NO PEDESTRIAN WALK**
    6. **COMMERCIAL AREA**
    7. ****SPEED LIMIT 55 MPH OR MORE****

****NOTE: In the 2014-2015 school year, the Conroe ISD Board of Trustees approved providing transportation for students who must cross a road with a speed limit of 55 MPH or more, recognizing it as a comparable hazardous traffic condition.****

NOTE: Per Conroe ISD Board Policy CNA Legal and Education Code 42.155(d) - A hazardous condition exists where no walkway is provided and students must walk along or cross a freeway or expressway, an underpass, an overpass or a bridge, an uncontrolled major traffic artery, an industrial or commercial area, or another comparable condition.

2026-2027 DESIGNATED HAZARDOUS TRAFFIC CONDITIONS

Consider and Award Request for Proposal RFP# 26-03-02 - Property, Boiler & Machinery, Crime Insurance and Authorize the Superintendent to Make the Purchase in Accordance with Board Policy CH *Purchasing and Acquisitions.*

Recommendation:
That the Conroe Independent School District Board of Trustees award RFP# 26-03-02 - Property, Boiler & Machinery, Crime & Malicious Acts Insurance to Soules Insurance dba Dean & Draper and authorize the Superintendent to execute any documents necessary to effectuate the transaction, as submitted by Mrs. Karen Garza, Chief Financial Officer, and Mr. Brian Broussard, Director of Purchasing, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:
In March 2026 the District issued a request for proposals (RFP) to vendors relating to Property, Boiler & Machinery, Crime & Malicious Acts Insurance. The RFP involved a two-step process. Step one consisted of requests for qualifications from each firm with a point scale of one hundred (100). Step two reviewed the price proposal and consisted of fifty (50) points. Five (5) firms responded to step one and the top three (3) were invited to the second round and the two scores were combined. The evaluation committee consisted of Mr. Ethan Barton, Executive Director of Safety and Technology, Mr. Easy Foster, Executive Director of Planning and Construction, Mr. Marshall Schroeder, Executive Director of Custodial and Maintenance, Mrs. Cyndi Westrup, Director of Finance, Mr. Chris McCord, Assistant Superintendent of Operations, and Mrs. Karen Garza, Chief Financial Officer.

The proposal submitted by Dean & Draper included a 500-million-dollar Deductible Buyback Program option that offers improvements in coverage at a cost lower than the district's 2025-2026 premium resulting in a savings of $181,541.58, and covering District assets in excess of $3 billion.

The District recommends issuing an execution of offer to Dean & Draper. This will set the premium at $4,358,066.99 beginning on September 1, 2026 through August 30, 2027. The district has the option to renew with the awarded vendor for four (4) additional one-year terms.

In the event of a catastrophe, emergency, or natural disaster affecting the District, the Board delegates to the Superintendent the authority to contract for the replacement, construction, or repair of school equipment or facilities in accordance with law, if emergency replacement, construction, or repair is necessary for the health and safety of District students and staff and so long as the total cost is no more than $100,000. The Superintendent shall report to the Board at the next regular meeting any contract made under this authority. [See Disaster Exception, CH(LEGAL)]

The delegation regarding emergency contracts does not waive competitive purchasing requirements under Education Code Chapter 44. Only the Board is authorized to waive competitive purchasing requirements under limited circumstances in accordance with Texas Education Code Section 44.031(h). [See Emergency Damage or Destruction, CH(LEGAL)]

Purchasing Procedures

The Superintendent shall develop District purchasing procedures to implement the requirements of state and federal law. ~~[See also CB, CBB, CH(LEGAL), and COA]~~

Competitive Procurement Requirements

District contracts must be submitted to a competitive procurement process when the aggregate purchase costs $100,000 or more for each 12-month period. The Superintendent or designee shall prepare the request for bids or proposals and the bid or proposal specifications. All bids or proposals shall be submitted by the designated purchasing

method, either through the District's electronic procurement system or in sealed envelopes, plainly marked with the name of the bidder or proposer and the time of opening. Section 2: Conflict of Interest through Personal Purchases *(TEC § 11.067(b)–(e))*		

Conflict of Interest A vendor that bids on or receives a contract from the District commits an offense if any individual serving on the Board: (1) Has a substantial interest in the vendor or a subcontractor hired by a vendor; (2) Is related in the second degree by consanguinity or affinity, as determined under Chapter 573, Government Code, to an individual who has a substantial interest in the vendor; or (3) Has received or has been promised a gift or in-kind services with a value of more than $250. Responsibility For Debts The Board shall assume responsibility for debts incurred in the name of the District so long as those debts are for purchases made in accordance with adopted Board policy and current administrative procedures. The Board shall not be responsible for debts incurred by persons or organizations not directly under Board control. Persons making unauthorized purchases shall assume full responsibility for all such debts. Electronic Purchase Commitments	House Bill 210 (89th TX Leg.) (b) A vendor that bids on or receives a contract from a school district or an open-enrollment charter school commits an offense if any individual serving on the board of trustees or governing body of the district or school: (1) has a substantial interest in the vendor or a subcontractor hired by a vendor; (2) is related in the second degree by consanguinity or affinity, as determined under Chapter 573, Government Code, to an individual who has a substantial interest in the vendor; or (3) has received or has been promised a gift or in-kind services with a value of more than $250. (d) An offense under this section is a Class C misdemeanor, except that a second offense under this section is a Class B misdemeanor, a third offense under this section is a Class A misdemeanor, and a fourth or subsequent offense under this section is a state jail felony. (e) Notwithstanding Subsection (d), any offense under this section is a state jail felony if the vendor directly or indirectly through a third party compensated the individual serving on the board of trustees or governing body of a school district or open-enrollment charter school with money, gifts, or in-kind services as consideration for the district or school entering into a contract with the vendor.	**4. Policy procedure requirement is broader than statute:** The Board Policy adds: "The District shall adopt procedures to ensure neither the School Board of Trustees nor a vendor violates the conflict-of-interest provision in this Board Policy." This is a local policy addition — TEC § 11.067 does not require districts to adopt implementing procedures. This is a positive policy expansion. 260

All purchase commitments shall be made by the Superintendent or designee on a properly drawn and issued purchase order, in accordance with administrative procedures. Personal Purchases District employees shall not be permitted to purchase supplies or equipment for personal use through the District's business office. The District shall adopt procedures to implement this Board Policy.

The policy requires notice at "each" IEP committee meeting during which the IEP is discussed. The policy is broader — requiring repeated disclosure at every IEP meeting, not just the first.

Student Discipline (FO)

Policy Type: Local Policy

Student Code Of Conduct

The District's rules of discipline are maintained in the Board-adopted Student Code of Conduct and are established to support an environment conducive to teaching and learning.

At the beginning of the school year and throughout the school year as necessary, the Student Code of Conduct shall be:

1. Posted and prominently displayed at each campus or made available for review in the principal's office, as required by law; and

Extracurricular Standards Of Behavior

With the approval of the principal ~~and Superintendent~~, sponsors and coaches of extracurricular activities may develop and enforce standards of behavior that are higher than the District-developed Student Code of Conduct and may condition membership or participation in the

activity on adherence to those standards. Extracurricular standards of behavior may take into consideration conduct that occurs at any time, on or off school property.

A student shall be informed of any extracurricular behavior standards at the beginning of each school year or when the student first begins participation in the activity. A student and his or her parent shall sign and return to the sponsor or coach a statement that they have read the extracurricular behavior standards and consent to them as a condition of participation in the activity.

Standards of behavior for an extracurricular activity are independent of the Student Code of Conduct. Violations of these standards of behavior that are also violations of the Student Code of Conduct may result in independent disciplinary actions.

A student may be removed from participation in extracurricular activities or may be excluded from school honors for violation of extracurricular standards of behavior for an activity or for violation of the Student Code of Conduct.

"Parent" Defined

Throughout the Student Code of Conduct and discipline policies, the term "parent" includes a parent, legal guardian, or other person having lawful control of the child.

    1. The seriousness of the offense;
    2. The student's age;
    3. The frequency of misconduct;
    4. The student's attitude;
    5. The potential effect of the misconduct on the school environment;
    6. Requirements of Chapter 37 of the Education Code; and
    7. The Student Code of Conduct adopted by the Board.
3. Before a student under 18 is assigned to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Corporal Punishment

The Board prohibits the use of corporal punishment in the District. Students shall not be spanked, paddled, or subjected to other physical force as a means of discipline for violations of the Student Code of Conduct.

Physical Restraint

Note: A District employee may restrain a student with a disability who receives special education services only in accordance with law. [See FOF(LEGAL)]

Within the scope of an employee's duties, an employee may physically restrain a student if the employee reasonably believes restraint is necessary in order to:

1. Protect a person, including the person using physical restraint, from physical injury.

This draws from TEC §§ 21.451 (staff development) and § 37.001(b) (Student Code of Conduct training). The requirement is permissible and appropriate as a local policy. • **Personnel scope broader than statute:** TEC § 37.001(b) requires training for employees with responsibility for overseeing students' compliance with the Student Code of Conduct. The policy extends training to all principals, CBCs, classroom teachers, and other disciplinary staff — a broader scope but appropriate. • **Material amendment trigger — local best practice:** Retraining upon material amendment to the policy or related law is not in the statute. It is a locally added best practice.

D. Responsibilities of the Foundations:

14. The Foundation is a nonprofit educational corporation organized in Conroe, Texas, for educational and charitable purposes exclusively to support the District, and must maintain its IRC § 501(c)(3) status at all times under this MOU.

The Foundation, with support from the District, shall prepare an annual analysis of the benefits the Foundation returned to the District in the prior year and provide it to the Board of Trustees and the Superintendent. 21. At a minimum of once every five (5) years, the Foundation Board shall submit to the Board of Trustees and Superintendent, no later than August 31 of that year, a written strategic plan that details the Foundation's goals and plans for obtaining those goals, along with any additional information the Superintendent or Board of Trustees may request from time to time. G. Controls:

Conroe ISD and the Foundation Board agree on the following controls to ensure that a proper public educational purpose is served by this Memorandum of Understanding:

Meeting called to order at 4:41 by Ryan T. Agenda was presented.
Meeting notes were recapped.
Minutes will be approved when we reach quorum

SHAC Subcommittee Discussion

Subcommittee form went out 10/3-10/10. Committees use Group Me. The board was addressed. Board member Lindsy Dawson reached out in reference to technology use on campus.

Patricia K asked if this falls under a current subcommittee. Parents referenced using common sense media for information in relation to the question. There is a consideration of adding this under the mental health subcommittee. The question came about in reference to how the data would be collected. Perhaps create a technology use subcommittee. We could conduct a follow up and ask for points of clarification. The wondering is if it is more of an academic question as opposed to a mental health question. Are there considerations for variations in lessons, subjects, etc? Variables are wide, what are they watching, will it detract from learning, ect.
Action item: Follow up with trustee Dawson for clarification.
Notes were given on the goals for the SHAC subcommittees.

Consider Approval of Minutes

QUESTIONS?

Discuss and Possibly Approve a Resolution to Enter into an Agreement with the State of Texas for Roadway Improvements Along FM 1314 Turn Lanes for Fowler Intermediate School Project and Delegate the Authority to the Superintendent to Negotiate and Execute the Documents Necessary to Effectuate the Transaction

Recommendation:
That the Conroe Independent School District Board of Trustees approve the Agreement with the State of Texas for roadway improvements along FM 1314 turn lanes for Fowler Intermediate School Project and delegate authority to negotiate the payment amount and terms and execute the document necessary to effectuate the transaction as submitted by Easy Foster, Executive Director of Planning & Construction and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:
Conroe ISD is moving forward with infrastructure coordination for the new Fowler Intermediate site. As detailed in the Agreement titled “For A Local On-System Improvement Project”, the scope of work for this project consists of the design and construction of a southbound left turn lane and a northbound right turn lane on FM 1314 into the Conroe ISD Flex School No. 26 (Fowler Intermediate) in Montgomery County, Texas.
Because FM 1314 is part of the state highway system, this work requires an agreement with the State of Texas, via the Texas Department of Transportation, which outlines the design parameters and the specific financial amount ($27,200.48) owed by the District to the State to support the construction costs. A board-approved Resolution is required to formalize the District's agreement to enter into this contract and clear the way for execution.

Discuss and Possibly Approve a Resolution to Enter into an Agreement with the State of Texas for Roadway Improvements Along FM 3083 and North Loop 336 E Traffic Signals for Timber Mill High School Project and Delegate the Authority to the Superintendent to Negotiate and Execute the Documents Necessary to Effectuate the Transaction

Recommendation:
That the Conroe Independent School District Board of Trustees approve the Agreement with the State of Texas for roadway improvements along FM 3083 and N. Loop 336 E Traffic Signals for Timber Mill High School Project and delegate authority to negotiate the payment amount and terms and execute the document necessary to effectuate the transaction as submitted by Easy Foster, Executive Director of Planning & Construction and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:
Conroe ISD is moving forward with infrastructure coordination for the new Timber Mill site. As detailed in the Agreement titled "For A Local On-System Improvement Project", the scope of work for this project consists of the design and construction for the installation of 3 traffic signals for the Future Conroe ISD Timber Mills High School. One traffic signal installed at the intersection of FM 3083 and Excellence Avenue, one traffic signal installed at the intersection of N. Loop 336 E. at Excellence Avenue and one traffic signal installed at the intersection of N. Loop 336 E. at Timber Mills High Driveway 2 in Conroe, Montgomery County, Texas. Because FM 3083 and N. Loop 336 E. are part of the state highway system, this work requires an agreement with the State of Texas, via the Texas Department of Transportation, which outlines the design parameters and the specific financial amount ($63,266.67) owed by the District to the State to support the construction costs. A board-approved Resolution is required to formalize the District's agreement to enter into this contract and clear the way for execution.
