CERTIFICATE AS TO POSTING OR GIVING OF NOTICE On this fourth day of March 4, 2026 on or before 5:00 p.m., this notice was posted on a bulletin board located at Deane L Sadler Administration Building located at 3205 West Davis, Conroe, TX 77304, a place convenient to the public in the as well as on Conroe ISD's public web portal.

Posted in compliance with the Texas Open Meetings Act: _____ at _____ .

For the Board of Trustees

*** Virtual Link**

Any meeting not live-streamed will be made available via recording per Tex. Gov't Code Section 551.128(b-2), (b-4)

**** Closed Session Authorization during Meeting**

If during the course of the meeting covered by this notice the board should determine that a closed or executive meeting or session of the board should be held or is required, then such closed or executive meeting or session as authorized by Chapter 551 of the Texas Government Code (the Open Meetings Act) will be held by the board at the date, hour, and place given in this notice or as soon after the commencement of the meeting covered by this notice as the board may conveniently meet in such closed or executive session concerning any and all subjects and for any and all purposes permitted by Section 551.071 through Section 551.089 inclusive of said Open Meetings Act. Should any final action, final decision, or final vote be required in the opinion of the board with regard to any matter considered in such closed or executive session, then such final action, final decision, or final vote shall be at either:

- a) the open meeting covered by this notice upon the reconvening of the public meeting; or
- b) at a subsequent public meeting of the Board upon notice thereof as the Board shall determine.

All final votes, actions, or decisions will be taken in an open meeting.

Please see the Texas Open Meetings Act, Tex. Gov't Code ch. 551.

Sec. 551.071. CONSULTATION WITH ATTORNEY; CLOSED MEETING. A governmental body may not conduct a private consultation with its attorney except: (1) when the governmental body seeks the advice of its attorney about: (A) pending or contemplated litigation; or (B) a settlement offer; or (2) on a matter in which the duty of the attorney to the governmental body under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with this chapter.

Sec. 551.072. DELIBERATION REGARDING REAL PROPERTY; CLOSED MEETING. A governmental body may conduct a closed meeting to deliberate the purchase, exchange, lease, or value of real property if deliberation in an open meeting would have a detrimental effect on the position of the governmental body in negotiations with a third person.

Sec. 551.073. DELIBERATION REGARDING PROSPECTIVE GIFT; CLOSED MEETING. A governmental body may conduct a closed meeting to deliberate a negotiated contract for a prospective gift or donation to the state or the governmental body if deliberation in an open meeting would have a detrimental effect on the position of the governmental body in negotiations with a third person.

Sec. 551.074. PERSONNEL MATTERS. (a) This chapter does not require a governmental body to conduct an open meeting:

- (1) to deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee; or
- (2) to hear a complaint or charge against an officer or employee. (b) Subsection (a) does not apply if the officer or employee who is the subject of the deliberation or hearing requests a public hearing.

Sec. 551.076. DELIBERATION REGARDING SECURITY DEVICES OR SECURITY AUDITS; CLOSED MEETING. This chapter does not require a governmental body to conduct an open meeting to deliberate: (1) the deployment, or specific occasions for implementation, of security personnel or devices; or (2) a security audit.

Sec. 551.082. SCHOOL CHILDREN; SCHOOL DISTRICT EMPLOYEES; DISCIPLINARY MATTER OR COMPLAINT. (a) This chapter does not require a school board to conduct an open meeting to deliberate in a case: (1) involving discipline of a public school child; or (2) in which a complaint or charge is brought against an employee of the school district by another employee and the complaint or charge directly results in a need for a hearing.

Sec. 551.0821. SCHOOL BOARD: PERSONALLY IDENTIFIABLE INFORMATION ABOUT PUBLIC SCHOOL STUDENT. (a) This chapter does not require a school board to conduct an open meeting to deliberate a matter regarding a public school student if personally identifiable information about the student will necessarily be revealed by the deliberation. (b) Directory information about a public school student is considered to be personally identifiable information about the student for purposes of Subsection (a) only if a parent or guardian of the student, or the student if the student has attained 18 years of age, has informed the school board, the school district, or a school in the school district that the directory information should not be released without prior consent. In this subsection, "directory information" has the meaning assigned by the federal Family Educational Rights and Privacy Act of 1974 (20 U.S.C. Section 1232g), as amended. (c) Subsection (a) does not apply if an open meeting about the matter is requested in writing by a parent or guardian of the student or by the student if the student has attained 18 years of age.

Sec. 551.089. DELIBERATION REGARDING SECURITY DEVICES OR SECURITY AUDITS; CLOSED MEETING. This chapter does not require a governmental body to conduct an open meeting to deliberate: (1) security assessments or deployments relating to information resources technology; (2) network security information as described by Section 2059.055(b); or (3) the deployment, or specific occasions for implementation, of security personnel, critical infrastructure, or security devices.

ADJOURN

President Odenweller adjourned the meeting at 12:57 a.m

Approved: March 17, 2026, by:

President, Board of Trustees

Secretary, Board of Trustees

Conroe Independent School District
Board of Trustees Hearing and Special Meeting
March 2, 2026

OPENING

A Hearing and Special Meeting of the Conroe Independent School District Board of Trustees was held on Monday, March 2, 2026, in the Board Room of the Deane L. Sadler Administration Building located at 3205 W. Davis, Conroe, TX 77304. Superintendent Dr. David Vinson and a quorum of the Board of Trustees attended the meeting: Misty Odenweller, Nicole May, Lindsay Dawson, Melissa Dungan, Melissa Semmler, and Aggie Gambino. Board President Misty Odenweller called the meeting to order at 5:00 p.m. Trustee Dungan led the invocation. Trustee Dawson led the pledges.

HEARING PURSUANT TO TEXAS EDUCATION CODE §§ 13.003 and 13.051

- A. Hearing to consider the Petition filed by Wisdom Aydelette to detach the Montgomery Trace Section 4 area from Conroe ISD and annex the Montgomery Trace Section 4 area to Montgomery ISD.**

1. Citizen Participation

Wisdom Aydelette, resident of Montgomery Trace Section 4, presented to the Board of Trustees his petition of detachment.

2. Discuss the legal sufficiency of the petition and whether it meets the minimum statutory requirements

Kara Belew, legal Counsel for Conroe ISD, presented the Board of Trustees with fact findings along with possible impacted outcomes of the annex.

3. Discuss the educational interests of the current students residing or future students expected to reside in the affected territory and in the affected districts, and the social, economic, and educational effects of the proposed boundary change.

The Conroe ISD Board of Trustees discussed the impact the annexation of Montgomery Trace would have on both Conroe ISD and Montgomery ISD students, parents, and taxpayers.

4. Discuss and Possible Action regarding the adoption of findings of fact and a resolution regarding the petition for detachment and annexation

Motion #7000

After review from both parties, President Misty Odenweller, seconded by Melissa Dungan moved that the Board determine that the petition filed by Wisdom Aydelette seeking detachment of Montgomery Trace Section 4 from Conroe ISD and annexation to Montgomery ISD failed to satisfy the mandatory property value ratio requirement set forth in Texas Education Code Chapter 13, including the applicable requirements of Sections 13.003 and 13.051, in that the ratio of taxable property value of the territory proposed to be detached to the taxable property value of the affected districts does not meet the statutory threshold; and further, that the Board adopt the Findings of Fact and Resolution reflecting this determination and decline to proceed with the requested detachment and annexation.

Carried unanimously by a vote of 6-0.

CITIZEN PARTICIPATION

No public comment was provided

CLOSED SESSION

The Board went into closed session at 5:36 p.m. and reconvened in open session at 6:04 p.m. to discuss Superintendent Goal Planning and School Board Operation Procedures.

President Odenweller recessed the open session for a break at 8:19 p.m. and returned to open session at 8:33 p.m.

No final action was taken

ADJOURN

President Odenweller adjourned the meeting at 9:28 p.m.

Approved: March 17, 2026, by:

President, Board of Trustees

Secretary, Board of Trustees

Amendment to the 2025-2026 Budget

Recommendation: That the Conroe Independent School District Board of Trustees approve an amendment to the 2025-2026 Official Budget, as reflected in the summary below and detailed in the following pages, as submitted by Karen Garza, Chief Financial Officer, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

Revenues:

	<i>Current Budget</i>	<i>Amendment</i>	<i>Amended Budget</i>
<u>General Fund</u>	\$ 762,430,862.00	\$ -	\$ 762,430,862.00
Campus Donations	168,241.90	169,058.36	337,300.26
Total Revenue Increase, General Funds	762,599,103.90	169,058.36	762,768,162.26
<u>All Other Funds</u>			
IDEA-B Formula	12,196,092.00	302,128.00	12,498,220.00
IDEA-B Preschool	131,435.00	121,588.00	253,023.00
IDEA-B Discretionary Deaf	107,044.00	47,557.00	154,601.00
Total Revenue Increase, All Funds	<u>\$ 775,033,674.90</u>	<u>\$ 640,331.36</u>	<u>\$ 775,674,006.26</u>

Appropriations:

<u>General Fund</u>	\$ 767,280,263.29	\$ -	\$ 767,280,263.29
Campus Donations	168,241.90	169,058.36	337,300.26
Total Appropriation Increase, General Funds	767,448,505.19	169,058.36	767,617,563.55
<u>All Other Funds</u>			
IDEA-B Formula	12,196,092.00	302,128.00	12,498,220.00
IDEA-B Preschool	131,435.00	121,588.00	253,023.00
IDEA-B Discretionary Deaf	107,044.00	47,557.00	154,601.00
Total Appropriation Increase, All Funds	<u>\$ 779,883,076.19</u>	<u>\$ 640,331.36</u>	<u>\$ 780,523,407.55</u>

In the General Fund, adjustments include campus donations from Bush Elementary School.

Increases requested for All Other Funds account for new or revised state, federal and local grant allocations and the debt service fund.

Budget Amendment Executive Summary

The budget amendment for the month of March includes both budget amendments and budget transfers.

Budget Amendment

The budget amendment for the month of March totals \$640,331.36 in revenues and \$640,331.36 in appropriations. The budget amendment is broken down into two categories, 1) General Fund (the district's operating fund), and 2) All Other Funds.

- 1) The budget amendment in the General Fund for the month of March includes activity fund donations totaling \$169,058.36.
 - Bush Elementary (\$169,058.36 for a playground structure)
- 2) The budget amendment in All Other Funds of \$471,273 includes amounts for new or revised state, federal and local grant allocations. Revised funding may be due to federal reallocations, roll forward and maximum entitlements. The roll forward is the unspent portion of the previous year's federal allocation. The maximum entitlement is the final distribution of total unallocated funding by the federal government.

The budget amendment contains final amounts and carryovers received for: IDEA-B Formula for \$302,128; IDEA-B Preschool for \$121,588; and IDEA-B Discretionary Deaf for \$47,557.

Budget Transfers

Budget transfers consist of funds transferred within the same fund but changing functions. These transfers are found within the General Fund and All Other Funds. The total amount of all transfers is \$418,446. Approximately 39% or \$162,542 of the transfers is found in the general fund. The remaining \$255,904 is located within the District's grant funds.

Board acceptance is requested:

Recommended by:

Dr. David Vinson
Superintendent of Schools

Submitted by:

Paula Green
Executive Director of Human Resources

Receive Monthly Financial Statement and Investment Reports

Recommendation:

That the Conroe Independent School District Board of Trustees receive the Monthly Financial Statements and Investment Reports as presented by Karen Garza, Chief Financial Officer, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

To promote transparency and accountability, the administration submits monthly financial statements and investment reports to the Board of Trustees. The major funds presented in the financial statements include the General Fund, Debt Service Fund & Child Nutrition Fund.

Policy Reference: Legal and Local Board Policy CFA

Recommended by:

Dr. David Vinson
Superintendent of Schools

Submitted by:

Karen Garza
Chief Financial Officer

Investment Report

Conroe I.S.D.

02/01/26 - 02/28/26

This report summarizes the investment position of Conroe I.S.D. for the period 02/01/26 to 02/28/26.

	01/31/26	02/28/26
Book Value	972,987,651.21	1,326,791,438.82
Market Value	973,336,376.81	1,327,172,151.79
Par Value	973,045,918.33	1,326,845,317.92
Change in Market Value		36,375.39
Weighted Average Maturity (in Days)	27	19
Weighted Average Yield-to-Maturity of Portfolio	3.9207%	3.8145%
Yield-to-Maturity of 90 Day T-Bill	3.5650%	3.5700%
Accrued Interest		1,331,006.66
Received and Accrued Interest		4,086,608.49

This report is presented in accordance with the Texas Government Code Title 10 Section 2256.023. The below signed hereby certify that, to the best of their knowledge on the date this report was created, Conroe I.S.D. is in compliance with the provisions of Government Code 2256 and with the stated policies and strategies of Conroe I.S.D..

Consider and Approve Texas Teacher Evaluation and Support System (T-TESS) Appraisers

Recommendation:

That the Conroe Independent School District Board of Trustees ratify qualified staff that may serve as a teacher appraiser for the 2025-2026 school year, as submitted by Paula Green, Executive Director of Human Resources, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

The *Texas Teacher Evaluation and Support System* (T-TESS) is currently the state-approved instrument designed to evaluate teachers and establish a system of support. In addition to the three-day T-TESS Appraiser Training, T-TESS appraisers must successfully complete a 36-hour *Instructional Leadership Training* (ILD) or a three-day Advancing Educational Leadership (AEL) training. We respectfully submit the following name for your approval.

Gary Trombley

Board acceptance is requested:

Recommended by:

Dr. David Vinson
Superintendent of Schools

Submitted by:

Paula Green
Executive Director of Human Resources

Request Ratification of the District's 2026-2027 Certification of Provision of Instructional Materials Form

Recommendation:

That the Conroe Independent School District Board of Trustees ratifies the District's 2026-2027 Certification of Provision of Instructional Materials Form, as submitted by Dr. Hedith Sauced-Upshaw, Assistant Superintendent of Teaching and Learning, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

In accordance with Texas Education Code §31.1011, school districts are required to certify annually to the State Board of Education and the Commissioner of Education that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education. To make the certification, school districts complete an online survey and Pework Form that is submitted to the Texas Education Agency after the district's board of trustees ratify the district's response.

The purpose of the certification process is to ensure the students have access to instructional materials that cover 100% of the TEKS. The district must complete this process to be able to access funds to purchase instructional materials when the TEA Instructional Materials and Technology Allotment ordering portal reopens in May 2025.

The process is more fully explained in the attached correspondence from TEA along with the certification Pework Form you are being asked to ratify.

DATE:	January 29, 2026
SUBJECT:	Annual Certification of Provision of Instructional Materials
CATEGORY:	Reporting, Instructional Materials
NEXT STEPS:	Share with Instructional Materials Coordinators to complete certification of provision of instructional materials and ratify the responses with your local board of trustees or governing body in an open, public-noticed meeting by May 1, 2026.

Certification of Provision of Instructional Materials Process Background

In accordance with Texas Education Code (TEC) §31.1011, local school systems are required to annually certify to the State Board of Education (SBOE) and TEA commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, school systems are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) TEC, Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The Certification 2026–27 Survey includes a section for school systems to certify they meet this requirement.

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- **Certification 2026–27 Prewrite Form:** The prework form is a fillable and printable PDF intended to mirror the online survey and provide guidance for successful survey completion. The prework form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.
 - o The Certification 2026–27 Prewrite Form is **available now**.
- **Certification 2026–27 Survey:** The survey is a web-based application where school systems will submit the responses collected on the Certification 2026–27 Prewrite Form and upload the signature page.
 - o The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026**.

Required Action

The 2026–27 Certification of Provision of Instructional Materials Process requires:

- The completion of the Certification 2026–27 Prewrite Form,
- Ratification by the local school system's board of trustees or governing body in an open, public-noticed meeting, and
- Submission of the Certification 2026–27 Survey and upload of the ratified Certification 2026–27 Prewrite Form.

TEA recommends that local school systems complete the prework form and survey by **May 1, 2026**. The prework form and survey can be found at [Certification of Provision of Instructional Materials](#).

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2026, and is scheduled to reopen on May 15, 2026. Completion of the Certification Process **is required** to regain access to allotment funds when EMAT reopens in May of 2026.

Certification 2026–27 survey submissions received after May 15, 2026, are typically processed within five business days of receipt, and access to allotment funds in EMAT will follow.

Certification of Provision of Instructional Materials Process Steps

1. **Review the Certification 2026–27 Prewrite Form:** Print the fillable Certification 2026–27 prework form on [Certification of Provision of Instructional Materials](#).
2. **Gather information:** The form may require consultation with content area leaders or other local school system staff.
3. **Complete Certification 2026–27 Prewrite Form:** Complete the Certification of Provision of Instructional Materials 2026–27 Prewrite Form by hand or digitally.
4. **Schedule and obtain needed signatures:** Coordinate placement of the Certification 2026–27 Prewrite Form on the agenda of an open, publicly noticed board meeting and secure formal ratification by the local school system’s board of trustees or governing body.
5. **Submit Certification 2026–27 Survey:** Complete the online Certification 2026–27 Survey by answering the questions. Inside the survey, upload the signed Certification 2026–27 Prewrite Form from Step 4.

Additional Supports and Guidance

For the Certification of Provision of Instructional Materials process, local school systems are highly encouraged to:

- View detailed Instructional Materials Review and Approval (IMRA) reports for all instructional materials reviewed through the IMRA process at im.tea.texas.gov.
- Refer to the IMRA List of [SBOE-Approved Instructional Materials](#) and [SBOE-Rejected Instructional Materials](#).
- Attend the TEA webinar about the Certification of Provision of Instructional Materials Process for 2026–27 on **Tuesday, February 17th, at 11:00 a.m. CST**. [Registration](#) is required.
- Attend TEA office hours to get help and support with the Certification of Provision of Instructional Materials process; registration is required.
 - o Monday, March 2nd, at 11:00 a.m. CST | [Register on Zoom](#)
 - o Thursday, March 5th, at 11:00 a.m. CST | [Register on Zoom](#)
- View the [Certification of Provision of Instructional Materials Resource List | 2026–27](#)
- Request a copy of the previous year’s submission (if needed) by submitting a [Help Desk Ticket](#).

For questions about the Certification of Provision 2026–27 Prewrite Form, Survey, or process, please submit a [Help Desk ticket](#).

Instructional Materials Reminder/Notice

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the List of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

Survey Prewrite Form

2026–27 Certification of Provision of Instructional Materials

In accordance with [Texas Education Code \(TEC\) §31.1011](#) local school systems are required to annually certify to the State Board of Education (SBOE) and TEA commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, school systems are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) TEC, Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The Certification 2026–27 Survey includes a section for school systems to certify they meet this requirement.

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- **Certification 2026–27 Prewrite Form:** The prework form is a fillable and printable PDF intended to mirror the online survey and provide guidance for successful survey completion. The prework form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.
- **Certification 2026–27 Survey:** The survey is a web-based application where school systems will submit the responses collected on the Certification 2026–27 Prewrite Form and upload the signature page.
 - The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026.**

The 2026–27 Certification of Provision of Instructional Materials process requires:

- The completion of the Certification 2026–27 Prewrite Form,
- Ratification by the local school system's board of trustees or governing body in an open, public-noticed meeting, and
- Submission of the Certification 2026–27 Survey and upload the last page of the ratified Certification 2026–27 Prewrite Form.

TEA recommends that local school systems complete the prework form and survey by **May 1, 2026**. The prework form and survey can be found on the [Certification of Provision of Instructional Materials](#) web page.

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2026, and is scheduled to reopen on May 15, 2026. Completion of the Certification process **is required** to regain access to allotment funds when EMAT reopens.

Certification 2026–27 Survey submissions received after May 15, 2026, are typically processed within five business days of receipt, and access to allotment funds in EMAT will follow.

Certification of Provision of Instructional Materials Process Steps

1. **Review the Certification 2026–27 Prewrite Form:** Print the fillable Certification 2026–27 Prewrite Form on the [Certification of Provision of Instructional Materials](#) web page.
2. **Gather information:** The form may require consultation with content area leaders or other local school system staff.
3. **Complete Certification 2026–27 Prewrite Form:** Complete the prework form by hand or digitally.
4. **Schedule and obtain needed signatures:** Coordinate placement of the Certification 2026–27 Prewrite Form on the agenda of an open, publicly noticed board meeting and secure formal ratification by the local school system’s board of trustees or governing body.
5. **Submit Certification 2026–27 Survey:** Complete the online Certification 2026–27 Survey by answering the questions. Inside the survey, upload the last page of the signed and ratified Certification 2026–27 Prewrite Form from step 4.

The survey will be open for submissions beginning Tuesday, February 17, 2026, and will be located on the [Certification of Provision of Instructional Materials](#) web page.

Additional Supports

For the Certification of Provision of Instructional Materials process, local school systems are highly encouraged to:

- View detailed Instructional Materials Review and Approval (IMRA) reports for all instructional materials reviewed through the IMRA process at im.tea.texas.gov.
- Refer to the IMRA List of [SBOE-Approved Instructional Materials](#) and [SBOE-Rejected Instructional Materials](#).
- Attend the TEA webinar about the Certification of Provision of Instructional Materials process for 2026–27 on **Tuesday, February 17th, at 11:00 a.m. CST**. [Registration](#) is required.
- Attend TEA office hours to get help and support with the Certification of Provision of Instructional Materials process; registration is required.
 - o Monday, March 2nd, at 11:00 a.m. CST | [Register on Zoom](#)
 - o Thursday, March 5th, at 11:00 a.m. CST. | [Register on Zoom](#)
- View the [Certification of Provision of Instructional Materials Resource List | 2026–27](#)
- Request a copy of the previous year’s submission (if needed) by submitting a [Help Desk Ticket](#).

For questions about the Certification of Provision 2026–27 Prewrite Form, survey, or process, please submit a [Help Desk ticket](#).

Terminology

- **Scope and Sequence:** A document that provides a brief outline of the standards and a recommended teaching order for a particular course/grade-level over the course of a school year.
- **Full-subject materials** (often referred to as Tier one or core materials): instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.
- **Supplemental materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.
- **SBOE-Approved Instructional Materials:** SBOE-approved instructional materials are any materials that go through the IMRA process and receive approval by the SBOE. In Texas, SBOE-approved instructional materials are considered HQIM and qualify for the SBOE-Approved Instructional Materials Entitlement as outlined in Section 48.307.
- **State-Adopted Instructional Materials:** state-adopted instructional materials were reviewed and adopted in the preceding Proclamation process. These materials have not been reviewed in the IMRA process, are not considered HQIM (per the Texas definition), and are not eligible for additional HB 1605 funding entitlements.

Qualtrics Survey and Prewrite Form Guidance

Please note that the format of the Certification 2026–27 Prewrite Form **will not** match the appearance of the official Certification 2026–27 Qualtrics Survey. While the **questions are identical**, this form uses **open-ended text boxes** for responses. In the survey, the questions will be presented with **drop-down menus** containing predefined answer choices.

To help support completion of the Certification 2026–27 Prewrite Form accurately—and to ensure responses align with the options that will appear in the survey—an [additional resource](#) is provided. The Certification of Provision of Instructional Materials Resource List provides all the instructional materials that will appear in the survey's questions with drop-down menus.

Please ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align with the predefined answer choices provided on the survey drop-down menus.

If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, you will be asked to manually enter the publisher and product name(s).

It is highly recommended to refer to [this resource](#) while completing this prework form.

Instructional Materials Procurement Reminder

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

Certification 2026–27 Survey Questions

Background Information

QUESTION 1.0:

Name of person completing this form:

QUESTION 1.1:

Your email address:

QUESTION 1.2:

Select the role that best describes your position at your district or charter: [Single Select]

- ☐ Instructional Materials Coordinator
- ☐ Curriculum Director
- ☐ Principal
- ☐ Administrative Assistant
- ☐ Superintendent
- ☐ Other

Local School System Information

Please note: The information provided will be publicly accessible. Only school-related details should be entered in the fields below (e.g., use work-related email addresses).

QUESTION 2.0:

Region #

QUESTION 2.1:

School system name and number

QUESTION 2.2:

Name of superintendent

QUESTION 2.3:

Email address of the superintendent

QUESTION 2.4:

Name of the school board president or officer of the governing body

QUESTION 2.5:

Email address of the school board president or officer of the governing body

QUESTION 2.6:

Date of the local board of trustees or governing body meeting at which the certification prework form was presented and approved?

Reading Language Arts Certification

Scope and Sequence: All Grade Levels RLA

QUESTION 3.0:

Are instructional materials for English RLA and phonics managed at the local school system level and generally consistent across classrooms within the same grade level?

☐ Yes

☐ No

English Reading Language Arts K–5 TEKS Coverage Certification

QUESTION 4.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **English RLA TEKS grades K–5?** (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials.) [Single Select]

☐ Yes

☐ No

English Reading Language Arts K–5 Instructional Materials

QUESTION 5.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your district will use regularly (once a week or more, on average) for **English RLA and/or Phonics grades K–5** instruction to ensure coverage of 100% of the TEKS.

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

English RLA and/or Phonics grades K–5 full-subject and/or supplemental publisher(s)/ product(s) used:

QUESTION 5.1:

(If above answer includes SBOE-Approved Bluebonnet Learning instructional materials):

What is the estimated unique count of students in your local school system that are using Bluebonnet Learning Reading Language Arts, Edition 1 (grades K–5) in their classroom on a regular basis?

QUESTION 5.2:

(If above answer includes SBOE-Approved Bluebonnet Learning instructional materials):

What is the estimated unique count of students in your local school system that are using Bluebonnet Learning Foundational Skills, Edition 1 (grades K–3) in their classroom on a regular basis?

Spanish Reading Language Arts K–5 TEKS Coverage Certification

QUESTION 6.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **Spanish RLA TEKS grades K–5**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials) [Single select]

- ☐ Yes
- ☐ No

Spanish Reading Language Arts K–5 Instructional Materials

QUESTION 7.0:

Share the **full subject and/or supplemental** publisher(s)/product(s) that teachers in your district will use regularly (once a week or more, on average) for **Spanish RLA and/or Phonics grades K–5** instruction to ensure coverage of 100% of the TEKS. [Single select for each grade band]

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

- ☐ No

Social Studies K–5 Instructional Materials

QUESTION 22.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **social studies grades K–5** instruction to ensure coverage of 100% of the TEKS.

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

Social Studies grades K–5 full-subject and/or supplemental publisher(s)/product(s) used:

Social Studies 6–8 TEKS Coverage Certification

QUESTION 23.0:
For school year 2026–27, will your local school system provide materials to cover 100% of the **social studies TEKS grades 6–8**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials)

☐ Yes

☐ No

Social Studies 6–8 Instructional Materials

QUESTION 24.0:
Select **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **social studies grades 6–8** instruction to ensure coverage of 100% of the TEKS.

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided

on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

--

Social Studies 9–12 TEKS Coverage Certification

QUESTION 25.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **social studies TEKS grades 9–12**? (This includes teacher- or district-developed materials. You may select “yes” even if not all classrooms use the same materials)

☐ Yes

☐ No

Social Studies 9–12 Instructional Materials

QUESTION 26.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **social studies grades 9–12** instruction to ensure coverage of 100% of the TEKS.

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.
Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

Science Certification

Scope and Sequence: All Grade Levels Science

QUESTION 27.0:

Are instructional materials for science managed at the school system level and generally consistent across classrooms within the same grade level?

☐ Yes

☐ No

Science K–5 TEKS Coverage Certification

QUESTION 28.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **science TEKS grades K–5**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials)

☐ Yes

☐ No

Science K–5 Instructional Materials

QUESTION 29.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **science grades K–5** instruction to ensure coverage of 100% of the TEKS.

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

Science grades K–5 full-subject and/or supplemental publisher(s)/product(s) used:

Science 6–8 TEKS Coverage Certification

QUESTION 30.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the science TEKS grades 6–8? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials)

- ☐ Yes
- ☐ No

Science 6–8 Instructional Materials

QUESTION 31.0:

Share the full-subject and/or supplemental publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for science grades 6–8 instruction to ensure coverage of 100% of the TEKS.

Full-subject instructional materials (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials: Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

REMINDER: Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

The Children's Internet Protection Act

The Children's internet protection Act (CIPA) was enacted by Congress in 2000 to address concerns about children's access to obscene or harmful content over the Internet. (You may find more information on the FCC website.)

In accordance with Texas Administrative Code 19 TAC §66.105, school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C, Section [28.0022](#), [Section 43.22](#), Penal Code, and any other law or regulation that protects students from obscene or harmful content.

QUESTION 34.0:

Does your district or charter school protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C), Section 28.0022, Penal Code, and any other law or regulation that protects students from obscene or harmful content?

☐ Yes

☐ No

Additional Informational Questions (Optional)*

QUESTION 35.0:

Has your local school system used, or plan to use, [Instructional Materials Review and Approval \(IMRA\)](#) reports to inform local adoption decisions for ELAR, SLAR, phonics, and mathematics instructional materials?

☐ Yes

☐ No

QUESTION 35.1:

If “Yes” is selected: In which subject area(s) have you used the IMRA reports to obtain information about the quality of products? *

☐ English reading language arts

☐ Spanish reading language arts

☐ English phonics

☐ Spanish phonics

☐ Full-subject, Tier one mathematics

☐ Supplemental mathematics

QUESTION 35.2:

On a scale from 0 to 10, how likely are you to recommend the use of IMRA reports to support local adoption of HQIM? 0 (Not at all) to 10 (Extremely likely) *

- 0. ☐
- 1. ☐
- 2. ☐
- 3. ☐
- 4. ☐
- 5. ☐
- 6. ☐
- 7. ☐
- 8. ☐
- 9. ☐
- 10. ☐

QUESTION 36.0:

Assessment Platform: Select the assessment platform (if any) your local school system leverages for unit/module, diagnostic, or interim, and for which type of assessments.

Product	Interim	Diagnostic	Unit/Module Formatives
Eduphoria	☐	☐	☐
DMAC	☐	☐	☐
Texas Formative Assessment Resource	☐	☐	☐
STAAR Interim	☐	☐	☐
Other:	☐	☐	☐
Other:	☐	☐	☐
Other:	☐	☐	☐

QUESTION 37.0:

What approach does your school system take to making full-subject instructional materials available to teachers and staff?

- ☐ Teachers access educational applications through a Single Sign On platform (e.g., Clever, ClassLink)
- ☐ Teachers access educational applications within a Learning Management System (e.g., Schoology, Google Classroom, Canvas, Moodle)
- ☐ Teachers log directly to publisher curriculum platforms (e.g., HMH Ed, Savvas Realize, Amplify, Great Minds)
- ☐ Teachers access copied files or links within a Learning Management System (e.g., Google Classroom, Canvas, Moodle)
- ☐ Teachers access copied files or links within a Student Information System (e.g., PowerSchool, Infinite Campus, Skyward)
- ☐ Teachers access copied files or links in a shared cloud drive (e.g., Google Drive, OneDrive, Dropbox)
- ☐ Teachers access copied files or links through a district resource portal (e.g., SharePoint, Google Site, intranet)
- ☐ Other (Please Explain):

Other Certified Subject Areas

QUESTION 38.0:

Please select each subject in the required curriculum below for which your district provides each student with instructional materials that cover all elements of the essential knowledge and skills, as referenced in [Texas Education Code 28.002](#): [multiple select]

- ☐ Languages other than English (LOTE)
- ☐ Health, with emphasis on the importance of proper nutrition and exercise
- ☐ Physical education
- ☐ Fine arts
- ☐ Career and Technical Education (CTE)
- ☐ Technology applications
- ☐ Religious Literature, including the Hebrew Scriptures (Old Testament) and New Testament, and its impact on history and literature.
- ☐ Personal financial literacy
- ☐ None

Certification 2026–27 Survey Ratification

[Print, Sign, and Upload via Qualtrics]

In accordance with [Texas Education Code §31.1011](#), school districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code [19 TAC §66.105](#), school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C).

These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA)

District County Number (6-digit ID):

District Name:

Date of Ratification by Local School Board of Trustees or Governing Body:

Signature of the Board President and Secretary or Governing Board Officer

Board President

Date

Board Secretary

After ratification, please scan the last page of this form and submit it to TEA through the electronic Qualtrics Certification of Provision of Instructional Materials Survey.

- The Certification 2026–27 Survey will be available on the Certification of Provision of Instructional Materials web page and open for submissions beginning **Tuesday, February 17, 2026.**

Certification of Provision of Instructional Materials Webinar

2026–27

97

Agenda

Today we will discuss the following:

- An Overview of the Certification of Provision of Instructional Materials
- The Certification of Provision of Instructional Materials Process
- 2026–27 Changes and Additional Supports
- Additional Information, Next Steps, and Closing

98

We will also have time for Questions and Answers (Q&A) at the end of the presentation.

The background of the slide is a photograph of a library. In the foreground, a wooden desk holds a silver laptop with a dark screen, a stack of three books (white, green, and blue covers), and a blue semi-transparent rectangular box containing the title text. The background shows rows of wooden bookshelves filled with books, slightly out of focus.

Certification of Provision of Instructional Material Overview

99

Certification of Provision of Instructional Materials (1/2)

The Certification of Provision of Instructional Materials is a required document that indicates the instructional materials a local school system has adopted or plans to adopt will **cover 100% of the Texas Essential Knowledge and Skills (TEKS)**.

100

The document also certifies a school systems' **Compliance with Children's Internet Protection.**

Certification of Provision of Instructional Materials (2/2)

Additionally, the Certification assists TEA in the gathering the following information:

- District involvement in managing **scope and sequence**
- Publishers and products used as **full-subject** materials
- Publishers and products used as **supplemental** materials
- Grade bands and subjects assessed:
 - Reading Language Arts (RLA) in English and Spanish
 - Math
 - Social Studies
 - Science

101

The following information is **optional** for local school systems to submit:

- Instructional Materials Review and Approval (IMRA) Reports usage, assessment platform usage, and implementation methodology.

Annual Certification Is Required by Statute

Texas Education Code, §31.1011

Local education agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the Commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Protections against obscene or harmful content

Additionally, LEAs are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) Section [28.0022](#); (iii) Section [43.22](#),¹⁰² Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The TEKS Certification 2024–25 Survey includes a section for LEAs to certify they meet this requirement.

Terminology Alignment (1/3)

Full-subject materials

Instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Often referred to as Tier-One or core materials.

103

Supplemental materials

Instructional material designed to assist in the instruction of one or more of the essential knowledge and skills.

SBOE-Approved Instructional Materials are materials that have gone through the Instructional Materials Review and Approval (IMRA) process and have been approved by the State Board of Education (SBOE).

- SBOE-approved instructional materials qualify for additional funding through House Bill (HB) 1605 entitlements.

SBOE-No Action Instructional Materials are materials that have gone through the IMRA process and were neither approved nor rejected by the SBOE.

- Instructional materials that had no action taken can still be procured using a school system's Instructional Materials and Technology Allotment (IMTA) funds, but do not qualify for any additional HB 1605 funding.

104

SBOE-Rejected Instructional Materials are materials that have gone through the IMRA process and have been rejected by the SBOE.

- Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the List of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

SBOE-Proposed Rejected Instructional are materials that have gone through IMRA Cycle 2025 and were found to require revisions to avoid being placed on the Rejected Instructional Materials List.

- Publisher-submitted revisions will be re-reviewed in summer 2026, with a final decision on placement being made in November 2026.

State-Adopted Materials (Prior Proclamations) are instructional materials that were previously adopted through the former Texas Resource Review (TRR) and Proclamation review process. Not all subject-area courses and grade levels have gone through the IMRA process; as such, the list of state-adopted materials is still relevant for many instructional material categories.

- State-adopted materials can be procured with IMTA funds, but do not qualify for any additional HB 1605 funding.

Not Yet Reviewed Instructional Materials are materials that have not gone through any formal instructional review process in Texas.

- Instructional materials that have not been reviewed can still be procured with IMTA funds.

Certification of Provision of Instructional Materials Process

106

Process

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- Certification 2026–27 Prewrite Form
- Certification 2026–27 Survey

107

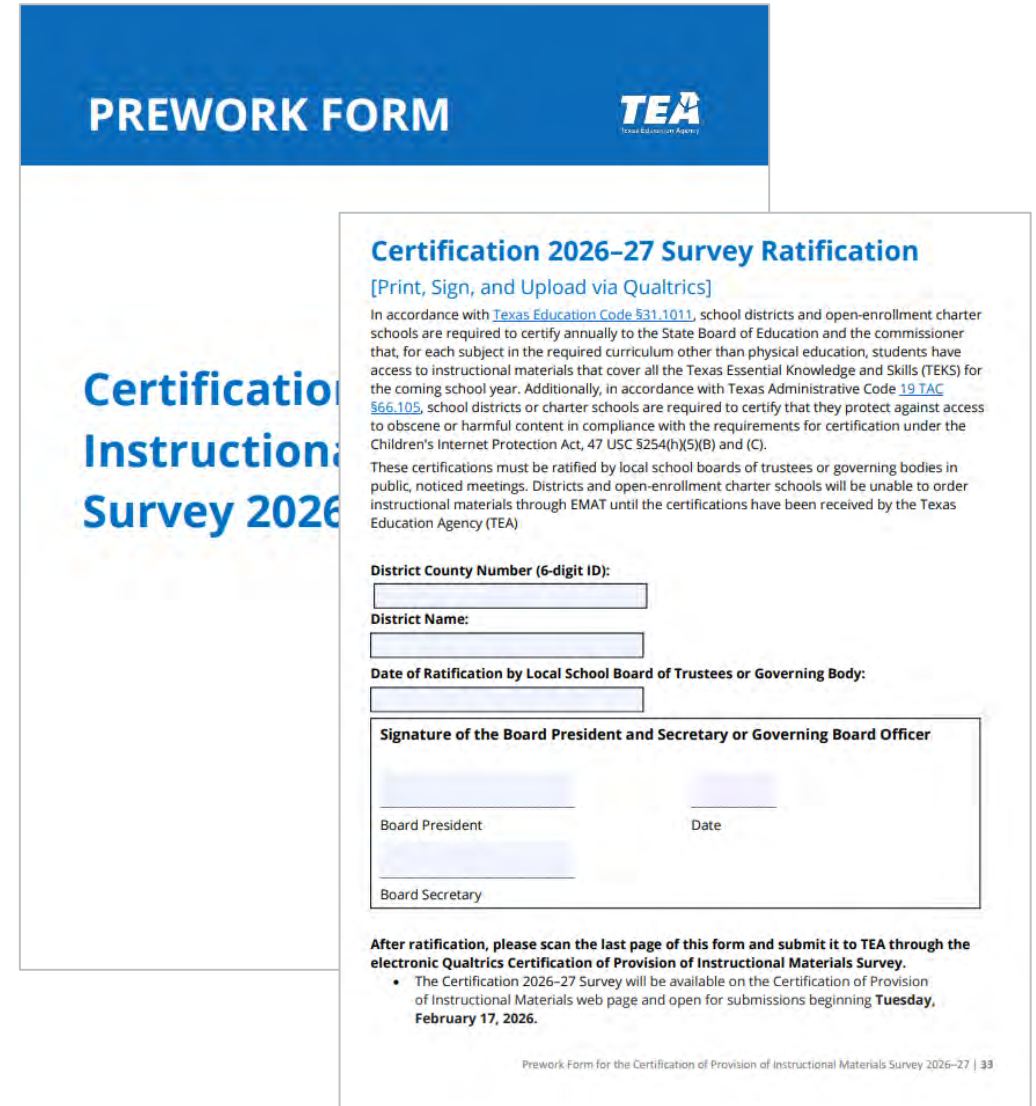

Certification 2026–27 Prework Form

The prework form is a **fillable and printable PDF** intended to mirror the online survey and provide guidance for successful survey completion.

The prework form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.

Please ensure the naming convention for the products you list on the prework form mirrors the naming convention on the [Certification of Provision of Instructional Materials Resource List](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material).

- This ensures the naming conventions refer to the accurate product and will align with the predefined answer choices provided on the survey drop-down menus.

The image shows a preview of the 'PREWORK FORM' for the 'Certification 2026–27 Survey Ratification'. The form is titled 'PREWORK FORM' and 'Certification 2026–27 Survey Ratification [Print, Sign, and Upload via Qualtrics]'. It includes instructions for school districts and open-enrollment charter schools, stating they are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code 19 TAC 566.105, school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC 5254(h)(5)(B) and (C). These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA).

The form includes fields for:

- District County Number (6-digit ID):
- District Name:
- Date of Ratification by Local School Board of Trustees or Governing Body:
- Signature of the Board President and Secretary or Governing Board Officer:
- Board President:
- Date:
- Board Secretary:

After ratification, please scan the last page of this form and submit it to TEA through the electronic Qualtrics Certification of Provision of Instructional Materials Survey.

- The Certification 2026–27 Survey will be available on the Certification of Provision of Instructional Materials web page and open for submissions beginning **Tuesday, February 17, 2026.**

At the bottom, it says 'Prework Form for the Certification of Provision of Instructional Materials Survey 2026–27 | 33'.

108

Certification 2026–27 Survey (Qualtrics)

The survey is a web-based application on Qualtrics where school systems will submit the responses collected on the Certification 2026–27 Prewrite Form and upload the signature page.

Once completed, an automatic confirmation email will be sent to whoever completed the form.

The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026.**

2023-2024 Allotment and TEKS Certification Form

In accordance with [Texas Education Code, §31.004](#), local education agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the Commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required grade levels.

Additionally, in accordance with [19 Texas Administrative Code, §89.10](#), LEAs are required to certify annually to the State Board of Education (SBOE) and the Commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required grade levels.

Instructions to Complete the TEKS Certification Form:

1. Review the TEKS Certification 2023-24 Form: the [Instructional Materials website](#).
2. Gather information: The form may require completion of the [Instructional Materials website](#).
3. Complete TEKS Certification 2023-24 Form: the [Instructional Materials website](#).
4. Obtain needed signatures: Ratify the TEKS Certification Form in an upcoming, open board meeting.
5. [Submit TEKS Certification 2023-24 Survey](#): Complete the questions. Inside the survey you will upload the signature page.

Review Terminology:

- **Scope and Sequence:** A document that provides a particular course/grade-level over the course of a year.
- **Full-subject materials** (often referred to as Tier 1 materials) are materials that provide a teacher with everything needed to cover 100% of the TEKS at a particular grade level/band, including scope and sequence, daily lessons, and assessments.
- **Supplemental materials** (may be used in Tier 2 or Tier 3 instruction) are materials that are designed to complement, enrich, and extend the full-subject materials.

I have reviewed this terminology

RLA Scope and Sequence - All Grade Levels:

Do you manage the scope and sequence of your reading language arts content at a district level? Please indicate your district's approach to managing the scope and sequence of the reading language arts content in each of the following grade bands. [Single Select for each grade band]

	Do not manage scope and sequence at a district level	Use product-specific scope and sequence	Use district-developed scope and sequence	Use Texas Resource System (TRS) scope and sequence	N/A
Q 3.1 Kindergarten - 2nd Grade	☐	☐	☐	☐	☐
Q 3.2: 3rd Grade - 5th Grade	☐	☐	☐	☐	☐
Q 3.3 6th Grade - 8th Grade	☐	☐	☐	☐	☐
Q 3.4 9th Grade - 12th Grade	☐	☐	☐	☐	☐

For school year 23–24 will your district adopt materials to cover 100% of the English K–5 RLA TEKS? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials).

Yes

No

Select the **full-subject** publisher/ product that teachers in your district will use regularly (once a week or more, on average) for **K-2 English RLA** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

Full subject instructional materials: District level road map of scope and sequence for a specific course. This often includes units of instruction, goals, instructional practices, pedagogical guidance, suggested resources, instructional materials, and methods of measuring student progress. Also included are publisher created products that are designed to support a district's curriculum and teach state standards.

TEA Available Materials

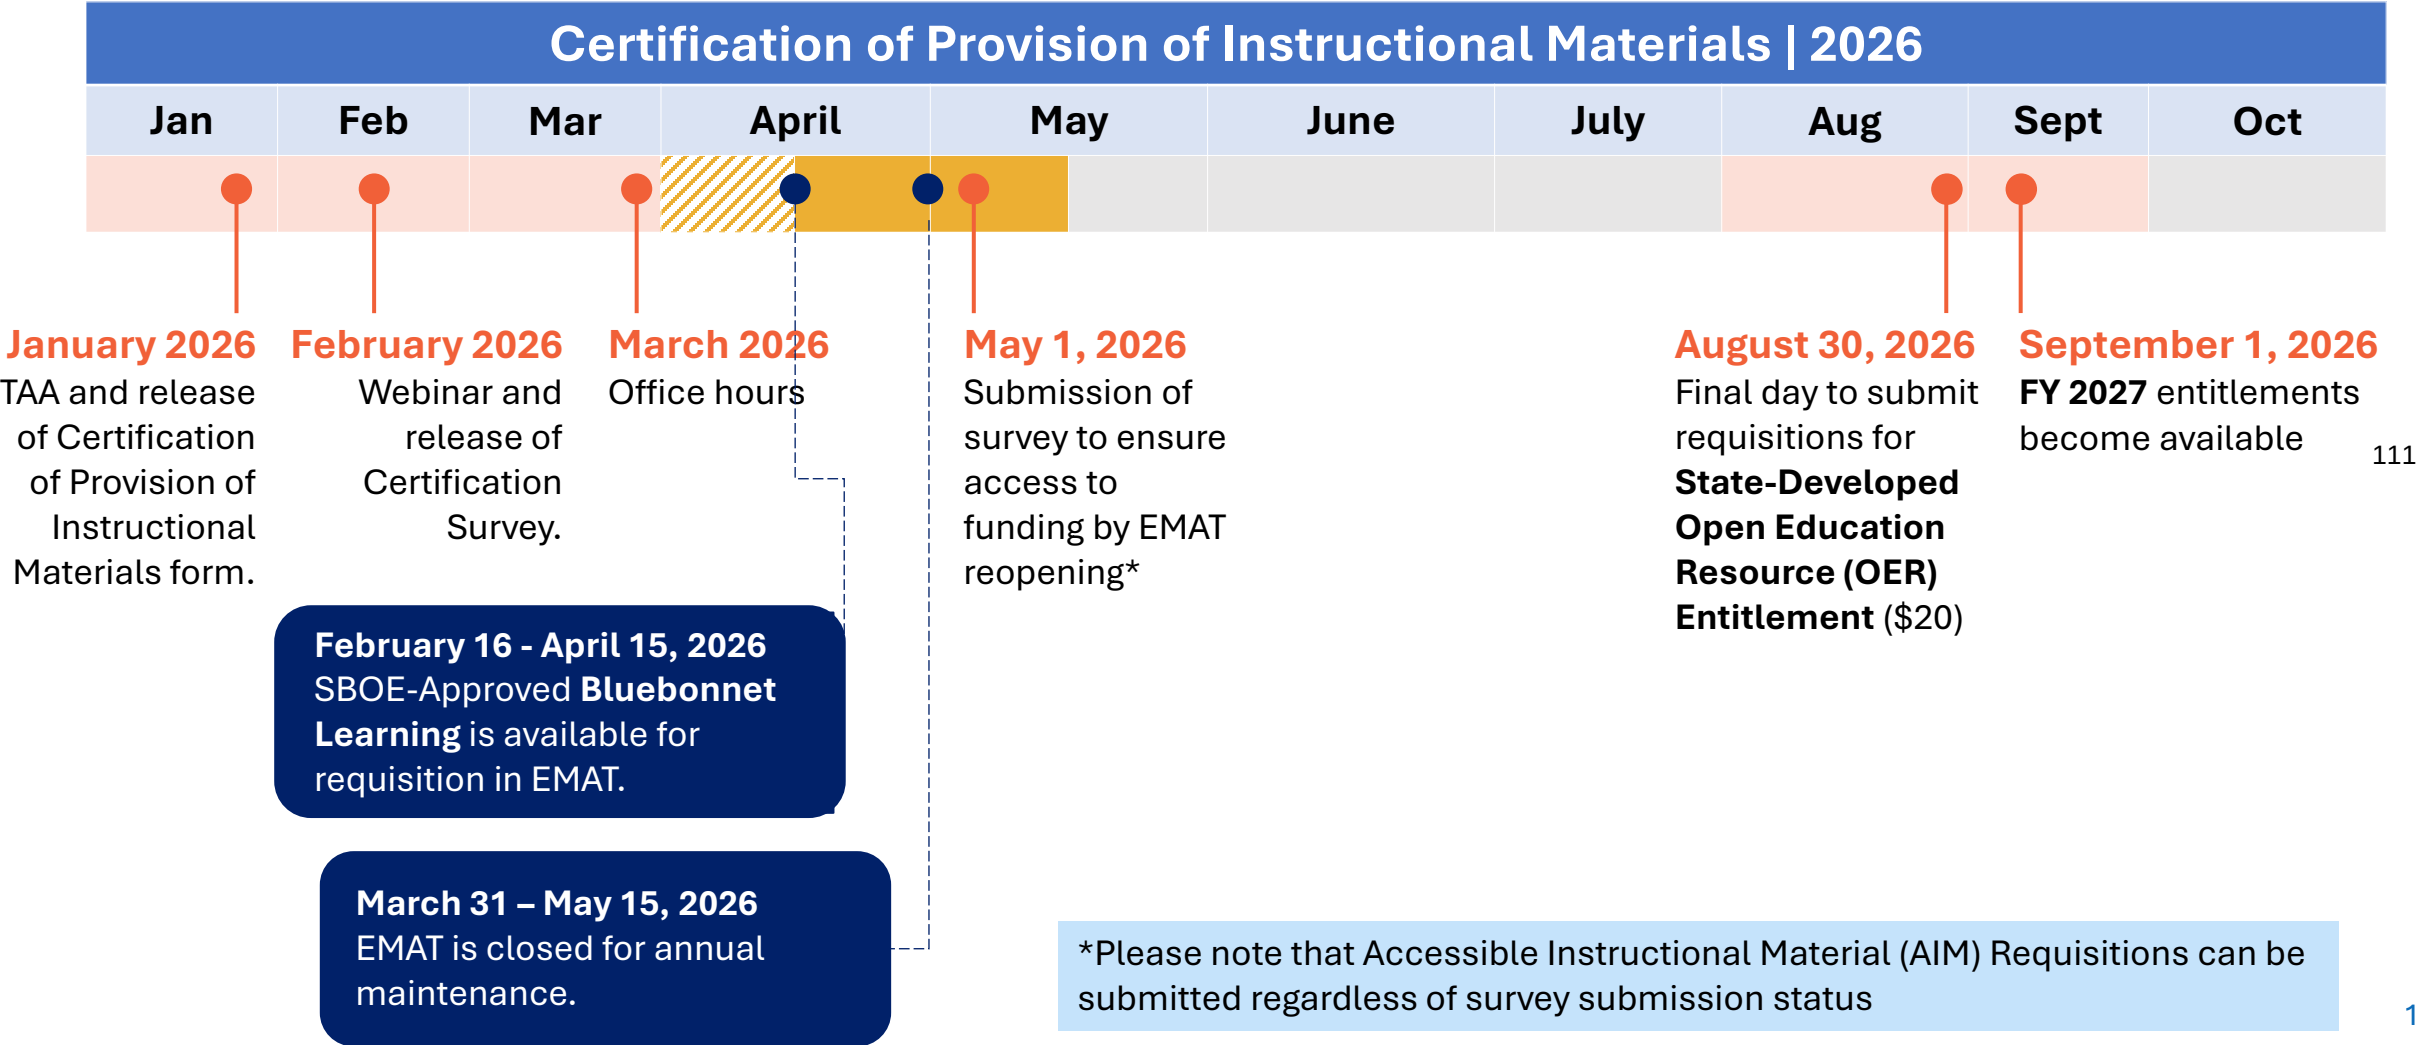

Amplify, Amplify Reading Texas

Process Steps

- 1 Gather information**
Print or download fillable PDF prework form and fill it out based on instructional materials used.
- 2 Obtain local board certification**
Present completed **prework form** to your board of trustees or governing body to ratify the **prework form** responses in an open, public-noticed meeting.
- 3 Signatures**
Board President and Secretary or governing board officer sign the **completed prework form**.
- 4 Complete Qualtrics survey**
Transfer the data from the fillable PDF prework form to the Qualtrics Survey and upload signed ratification form.
- 5 Gain access to EMAT**
EMAT is expected to reopen May 15, 2025.

Timeline

The following timeline illustrates key dates of the Certification of Provision of Instructional Materials process for the 2026–27 school year.

2026–27 Changes and Additional Supports

2026–27 Changes

In an effort of continuous improvement, the following changes have been made for the Certification of Provision of Instructional Materials process for the 2026—27 school year:

- The prework form has been updated and now includes **additional guidance and clarification**.
- Survey questions have been restructured to **break down full-subject and supplemental publishers** based on IMRA-related buckets
- The [Instructional Materials Certification Resource List](#) has been reformatted to match the survey.
- Updated information on the [Certification of Provision of Instructional Materials web page](#)

113

Buckets of Instructional Materials

Selection of full-subject and/or supplemental publisher(s)/product(s) now contain the following buckets (if applicable):

- SBOE-Approved Instructional Materials (IMRA)
- SBOE-Approved Supplemental Instructional Materials (IMRA)
- State-Adopted Materials (Prior Proclamations)
- SBOE-Rejected Instructional Materials (IMRA)
- SBOE-Proposed Rejected Instructional Materials (IMRA)
- Not Yet Reviewed Instructional Materials

114

SBOE-Proposed Rejected Instructional Materials (IMRA)

Instructional materials on the List of SBOE-Proposed Rejected Instructional Materials were reviewed in IMRA Cycle 2025, and their publishers were required to submit revisions to avoid being placed on the List of Rejected Instructional Materials maintained by the SBOE. Publisher-submitted revisions will be re-reviewed in summer 2026, with a final determination by the SBOE in November 2026.

- View the [IMRA Cycle 2025 List of Proposed SBOE-Rejected Instructional Materials](#)

SBOE-Rejected Instructional Materials (IMRA)

Beginning in the 2026–27 school year, local school systems **may not** locally adopt, use, or spend **any funds** to procure materials placed on the List of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

- View the [IMRA List of SBOE-Rejected Instructional Materials](#)

Resource List

The [Certification of Provision of Instructional Materials Resource List](#) provides all the instructional materials that will appear in the survey's questions with drop-down menus.

The resource list helps support completion of the Certification 2026–27 Prework Form accurately—and to ensure responses align with the options that will appear in the survey.

If your local school system uses a district-developed product, or if the product you use does not appear in the list, you will be asked to manually enter the publisher and product name(s).

Certification of Provision of Instructional Materials Resource List | 2026–27

The Certification of Provision of Instructional Materials Resource List is intended to support local school systems in successfully completing the Certification of Provision of Instructional Materials online survey. The resource list provides all the instructional materials that will appear in the survey's questions with drop-down menus.

This document can also be used by school systems' staff members in identifying instructional materials used in the classroom.

For questions, visit [Certification of Provision of Instructional Materials Help](#).

Instructional Materials

- **Full-subject instructional materials** are those that are used by students with mastery level, eliminating the need for additional instructional materials.
- **Supplemental materials** are those that are used by one or more students in the classroom.
- **SBOE-Approved Instructional Materials** are those that have been approved by the State Board of Education (SBOE) under the Texas Education Code (TEC) Chapter 1605.
- **SBOE-No Action Instructional Materials** are those that have been reviewed by the SBOE and were not approved or rejected.
- **SBOE-Rejected Instructional Materials** are those that have been reviewed by the SBOE and were rejected.

Question 7.0: Spanish Reading Language Arts K–5 Instructional Materials

Select **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your school system will regularly use (once a week or more, on average) for **Spanish RLA and/or phonics K–5** instruction to ensure coverage of 100% of the TEKS (do not include products used to build classroom libraries).

- If publisher/ product varies by grade level or classroom, select all products used.

Accessible Instructional Materials (AIM) Ordering

Accessible formats of state-adopted or **SBOE-approved instructional materials** are provided to eligible students at no cost to local school systems.

Accessible formats available to order in EMAT include:

- Large Print
- Braille
- Audio

To ensure on-time delivery, AIM materials should be ordered soon:

- Order braille materials by **May or early June**
- Order large-print and audio materials **by mid-July**

Please note that Accessible Instructional Material (AIM) requisitions can be submitted **regardless** of survey submission status

121

Learn more about accessible instructional materials at [Accessible Instructional Materials](#).

Disbursement and Requisition Review Timelines

TEA **manually** reviews all allotment and entitlement requests to ensure accurate completion of all required fields, and requests are reviewed in the order they are submitted.

If submitted correctly,

- Requisitions can take up to 5 business days.
- Disbursements can take up to 20 business days.

122

Local school system's requisition and disbursement requests have historically peaked from June to August, so please plan ahead and submit requests early when possible.

Procure Instructional Materials in EMAT

Instructional materials previously adopted and newly approved by the State Board of Education (SBOE), as well as non-adopted or non-approved instructional materials, can be purchased with designated [instructional materials funds](#) in EMAT, the state's online ordering system. A local educational agency (LEA) can request instructional materials in EMAT.

Instructional Materials Disbursement

General Guidance

Instructional Materials are any materials used to convey the essential knowledge and skills of a subject, including, but not limited to, lesson plans, textbooks, student materials, and online learning supports. Instructional Materials and Technology Allotment (IMTA) funds can be used to purchase state-adopted and State Board of Education (SBOE)-approved instructional materials as well as non-adopted or non-approved materials via disbursement requests.

Disbursement requests should be as specific and clear as possible. Ensure product titles are exact (without abbreviations), and if multiple grade-level licenses are being purchased, each grade should be listed as a separate line item.

Unsure if an instructional material is allowable? Review [Allowable and Non-Allowable Expenses](#) and/or submit an [Allotment Disbursement Request Form](#) for guidance.

The following information includes the fields presented in an instructional materials disbursement request and related guidance. Use the spaces provided to take notes and prepare to successfully fill out a disbursement request.

Visit [Disbursements in EMAT](#) for additional guidance.

Certification 2026–27 Survey Ratification

[Print, Sign, and Upload via Qualtrics]

In accordance with [Texas Education Code §31.1011](#), school districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code [19 TAC §66.105](#), school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C).

These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA)

District County Number (6-digit ID):

**CONSIDER AUTHORIZING THE DISTRICT TO ENTER
INTO AN INTERLOCAL AGREEMENT WITH REGION 16
EDUCATION SERVICE CENTER AND INTERLOCAL
AGREEMENT WITH ESC 16'S SPONSORED COOPERATIVE
TEXBUY**

Action Item:

Consider and approve an Interlocal Agreement with Region 16 Education Service Center and an Interlocal Agreement with Region 16's sponsored cooperative, TexBuy, for cooperative purchasing services, pursuant to Texas Government Code Chapter 791 and Texas Education Code 44.031.

Recommendation:

That the Conroe Independent School District Board of Trustees authorize the District to enter into an interlocal agreement with the Region 16 ESC, as submitted by Mrs. Karen Garza, Chief Financial Officer, and Mr. Brian Broussard, Director of Purchasing, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

Pursuant to Texas Education Code Chapter 44.031(a), Subsection (4), which permits for school district contracts for the purchase of goods and services valued at \$100,000 or more in the aggregate to use an interlocal contract as an allowable procurement method. In addition, the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, state agencies or local governments, including public school districts, are encouraged to engage in cooperative purchasing to achieve savings and/or create efficiencies in the purchase of goods and/or services.

INTERLOCAL AGREEMENT

for Participation in the

Region 16 ESC Statewide Cooperative Purchasing Program

Contracting Parties:

Conroe Independent School District
Non-Profit Entity

AND

Region 16 Education Service Center

Texas Education Code §8.002 charges regional education service centers to provide services to enable school districts to operate more efficiently and economically. In order to increase the efficiency and effectiveness of purchasing operations, the Region 16 Education Service Center (“ESC 16”) and Conroe Independent School District Non-Profit Entity (the “Entity”), collectively referred to as “the Parties,” enter into this Interlocal Agreement.

I. Creation of the Cooperative Purchasing Program

ESC 16, by this Agreement, agrees to serve as the sponsoring entity of a cooperative purchasing program (the “Program”) in conjunction with the above-named Entity and any other entity legally entitled to enter into the Program, which executes a similar agreement. The purpose of the Program shall be to obtain substantial savings for participating school districts and other governmental entities through executions of economies of scale and through seeking vendors on a regional, state, and nationwide basis.

II. Authority

Authority for the services provided under this Interlocal Agreement is granted under Government Code, Chapter 791, Subchapters A, B, and C; and Local Government Code, Chapter 271, Subchapter F, §§ 271.101 and 271.102.

III. Termination

This Interlocal Agreement (hereinafter the “Agreement”) is effective upon final execution by ESC 16 and shall automatically renew annually unless either party gives sixty (60) days prior written notice of non-renewal. This Agreement may be terminated without cause by either party upon (60) days prior written notice, or may also be terminated for cause at anytime upon written notice stating the reason for the termination and the effective date of such termination; however, the terminating party agrees to give the

affected party a thirty (30) day period to cure any identified breach. The terminating party further agrees to make any required payment to a vendor incurred during the time the party was a member of the Program.

IV. Duties and Roles

A. Role of the ESC 16 as Program Sponsor:

- (1) Provide for the organizational and administrative structure of the Program as Program Sponsor, by either using internal assets or through contracting with a third party to provide such matters.
- (2) Provide staff time necessary for efficient operation of the Program.
- (3) Provide for the initiation and implementation of activities related to the bidding and vendors selection process.
- (4) Provide members with procedures for ordering, delivery, and billing of goods and services available through the Program.

B. Role of the Entity:

- (1) Commit to participate in the Program by taking all action necessary to authorize the execution of this agreement in the appropriate space below.
- (2) Designate a contact person for the Program who will act under the direction of and on behalf of the Entity.
- (3) Commit to purchase products and services that become part of the official products and services list when it is in the best interest of the member Entity.
- (4) Prepare purchase orders issued to the appropriate vendor from the official award list provided by the Program.
- (5) Accept shipments of products ordered from vendors in accordance with standard purchasing procedures.
- (6) Pay vendors in a timely manner for all goods and services received.
- (7) Pursue any disputes regarding the quality or quantity of a vendor's goods and/or services directly with that vendor.

V. General Provisions

- A. The Parties agree to comply fully with all applicable federal, state, and local statutes, ordinances, rules, and regulations in connection with the Program contemplated under this Agreement. This Agreement is subject to all applicable present and future valid laws governing such Program.
- B. This Agreement shall be governed by the law of the State of Texas and the Parties agree that venue shall be in the county in which the central administrative offices of ESC 16 are located.

- C. This Agreement contains the entire agreement of the Parties hereto with respect to the matters covered by its terms, and it may not be modified in any manner without the express written consent of the Parties.
- D. If any term(s) or provision(s) of this Agreement are held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions of this Agreement shall remain in full force and effect.
- E. The Parties to this Agreement expressly acknowledge and agree that all monies paid pursuant to this Agreement shall be paid from budgeted available funds for the current fiscal year of each such Entity.
- F. The Parties agree that payments made through this Agreement fairly compensate the performing party for any services or functions performed.
- G. Before any party may resort to litigation, any claims, disputes or other matters in question between the Parties to this Agreement shall be submitted to nonbinding mediation.
- H. Nothing contained in this agreement prohibits a Party from either creating other purchasing cooperatives or participating as a member of other purchasing cooperatives.
- I. No Party to this Agreement waives or relinquishes any immunity or defense on behalf of themselves, their directors, officers, employees, and agents as a result of its execution of this Agreement and performance of the functions and obligations described herein.
- J. This Agreement may be negotiated and transmitted between the Parties by means of a facsimile machine or e-mail and the terms and conditions agreed to by such means are binding upon the Parties.

VI. Authorization

ESC 16 and the Entity have entered into this Agreement to provide cooperative purchasing opportunities to public schools and other governmental entities and the governing boards of such entities delegate to the superintendent or chief executive officer of the Entity the discretion to determine that making purchases through the program provides the best value to the Entity.

This Agreement was approved by the governing boards of the respective Parties at meetings that were posted and held in accordance with state law, including Chapter 551 of the Texas Government Code, commonly known as the Texas Open Meetings Act.

VII. Non-Discrimination Clause

It is the policy of ESC 16 and the Entity not to discriminate on the basis of age, race,

religion, color, national origin, sex, or handicap in its programs, services, or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

INTERLOCAL AGREEMENT

BETWEEN

REGION 16 EDUCATION SERVICE CENTER

AND

Conroe INDEPENDENT SCHOOL DISTRICT

This Interlocal Agreement ("Agreement") is made in accordance with the Interlocal Cooperation Act, Texas Government Code, Chapter 791, and the Texas Education Code, Chapter 8, between Region 16 Education Service Center ("ESC 16"), and Conroe Independent School District (the "District") (collectively referred to as the "Parties").

PREMISES

WHEREAS, Chapter 791 of the Texas Government Code authorizes local governments to contract with each other to provide governmental functions and services; and

WHEREAS, The Parties wish to enter into this Agreement to provide local governments with greater efficiency and economy in purchasing products and services; and

WHEREAS, The governing bodies of the Parties, individually and together, do hereby adopt and find the foregoing promises as findings of said governing bodies; and

NOW THEREFORE, premises considered, and in consideration of and conditioned upon the mutual covenants and agreements, herein, the Parties hereto mutually agree as follows:

AGREEMENT

1. **Term:** This Agreement is effective from the date of the last signature and shall automatically renew annually unless either party gives sixty (60) days prior written notice of non-renewal.
2. **Purpose:** This Agreement shall: (1) Allow the District to purchase products or services by purchase order, contract, agreement, or other appropriate legal method from ESC 16; and (2) Allow the District to join ESC 16 sponsored purchasing cooperatives in order to purchase products or services from vendors which have been properly awarded contracts through statutorily authorized methods.
3. **Relationship:** The relationship between the Parties is that of Independent Contractor. Neither Party has the authority to bind the other in any manner. The District may be required to enter into subsequent contractual arrangements with ESC 16 for specific products or services. In accordance with Texas Government Code §791.011(d)(3), each party paying for the performance of governmental functions or services shall make those payments from current revenues available to the paying party.
4. **Agreement and Interpretation:** The Parties covenant and agree that any litigation relating to this agreement, the terms and conditions of the agreement will be interpreted according to the laws of the State of Texas and venue shall be exclusively in Randall County, Texas.

The individuals signing below are authorized to do so ~~185~~ on behalf of the respective parties to this Agreement.

Consider and Approve the Campus Mascot and School Colors for Kacy Arnold Elementary School

Recommendation:

That the Conroe Independent School District Board of Trustees receive and approve information regarding the campus mascot and school color for Kacy Arnold Elementary School as submitted by Dr. Shellie Winkler, Assistant Superintendent of Elementary Schools, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

The District implemented a mascot nomination process and communicated the process to the future students and families of Arnold Elementary. The mascot selection process included solicitation of nominations from students and families for potential school mascot names. Information regarding the top nominations was provided to students and families, along with a follow-up survey allowing them to identify their favorite mascot from the list of top nominations. Family members from the Arnold family were also consulted to ensure that Kacy Arnold's legacy was presented. The recommendation for the mascot for Arnold Elementary is the Arnold Owls.

Mascot: Owls

School Colors: Blue and Green

The school community was given a choice between the Cardinals and the Cougars. There were 151 responses from our survey. The recommendation for the new mascot is the Arnold Owls.

Receive Information and Approve the Campus Mascot for Lynn Cartwright Junior High School

Recommendation:

That the Conroe Independent School District Board of Trustees receive information regarding the campus mascot for Lynn Cartwright Junior High School as submitted by Dr. Paula Klapesky, Assistant Superintendent of Middle Schools, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

The District implemented a mascot nomination process and communicated the process to the future students and families of Lynn Cartwright Junior High School. The mascot selection process included solicitation of nominations from students and families for potential school mascot names. Families received a survey with the following top nominees: Chargers, Colts, Cougars, and Mustangs. The top nominee will be presented at the board meeting.

Receive District and Campus Future Enrollment Projection Information from Zonda Demographics

Recommendation:

That the Conroe Independent School District Board of Trustees receive the initial overview report of the demographic audit as presented by the Zonda Corporation and as recommended by Dr. David Vinson, Superintendent of Schools, and Chris McCord, Assistant Superintendent of Operations.

Explanation:

The Board will receive an overview of the initial comprehensive demographic study conducted by Zonda Demographics. Zonda will be providing quarterly updates to the District, and the full study will be provided as supplemental material.

The analysis was performed to provide the Board of Trustees and District an overview of current home building, development growth, and campus enrollment trend projections at each Conroe I.S.D. campus over the next ten years. This information is pivotal to establishing accurate campus allocations, analyzing the need for any potential future campus seat requirements, and adapting as needed to ensure each District campus has the core items needed to successfully deliver quality instruction.

The Zonda Corporation analyzed data from numerous sources to provide the best growth prognositcations possible. Board members will have the opportunity to ask questions and discuss next steps. No action is required unless otherwise directed by the Board.

Winter 2025 Demographic Report

National Housing Market Conditions

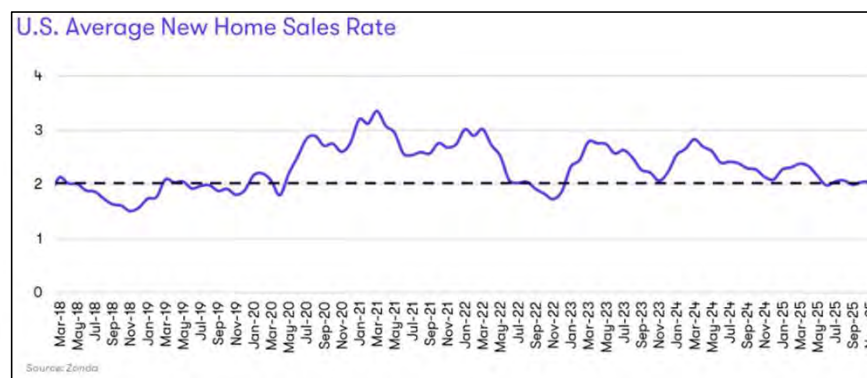

Single-Family Housing

 Zonda
 Demographics

Closings have declined in 2025 after increasing in 2024. Starts also declined after a significant upswing starting in 2023.

Among Zonda's top 50 major markets across the country, 36% were overperforming, 42% were average, and 22% were underperforming.

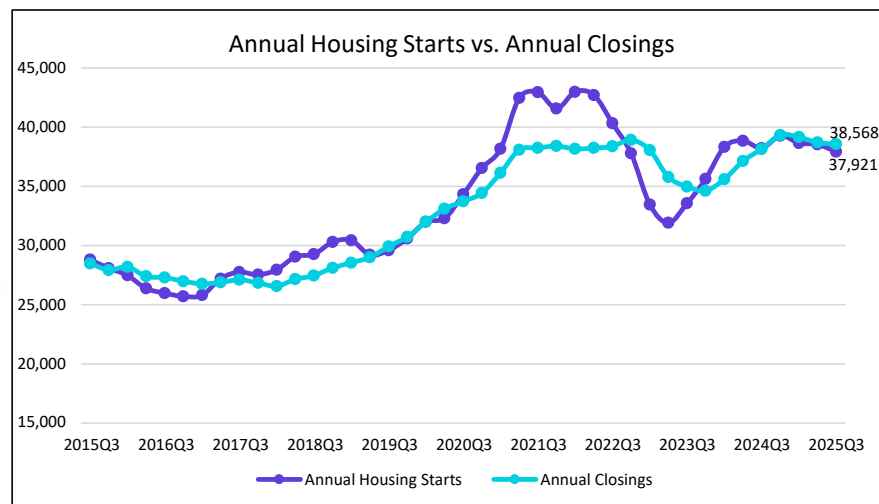

Recent Market Moderation Home sales for new communities are averaging two homes per month. 60% of builders are offering mortgage rate buydowns, and yet 70% of builders report demand was slower than expected.

Monitoring Several Variables Impacting the Market Potential shifts in monetary policy, fiscal policy, international relations, investor sentiment, and consumer behavior are all being evaluated as to what impacts we may see in the coming months.

Regional Housing Market Conditions

Single-Family Housing

Houston maintains an average monthly sales rate of 2.1 net monthly sales per community among active projects.

Among Texas' four major markets, one market (San Antonio) is overperforming, two markets (Dallas and Houston) are average, and one market (Austin) is underperforming in terms of new home sales adjusted for supply and seasonality.

The Houston-Pasadena-The Woodlands MSA experienced 38,568 new home closings in the last 12 months, an increase of 1.1% from Q3 2024. The new home share of total sales trended upward in September but still lower than most of last year.

Builder surveys report that affordability and consumer confidence are keeping consumers on the sidelines leading to tempering of new home activity.

Demographics

Sweetwater Ridge

- 714 total lots
- 340 futures
- 200 vacant developed lots
- 26 homes UC; 7 FV homes
- 141 occupied homes
- Student Yield: **.677**

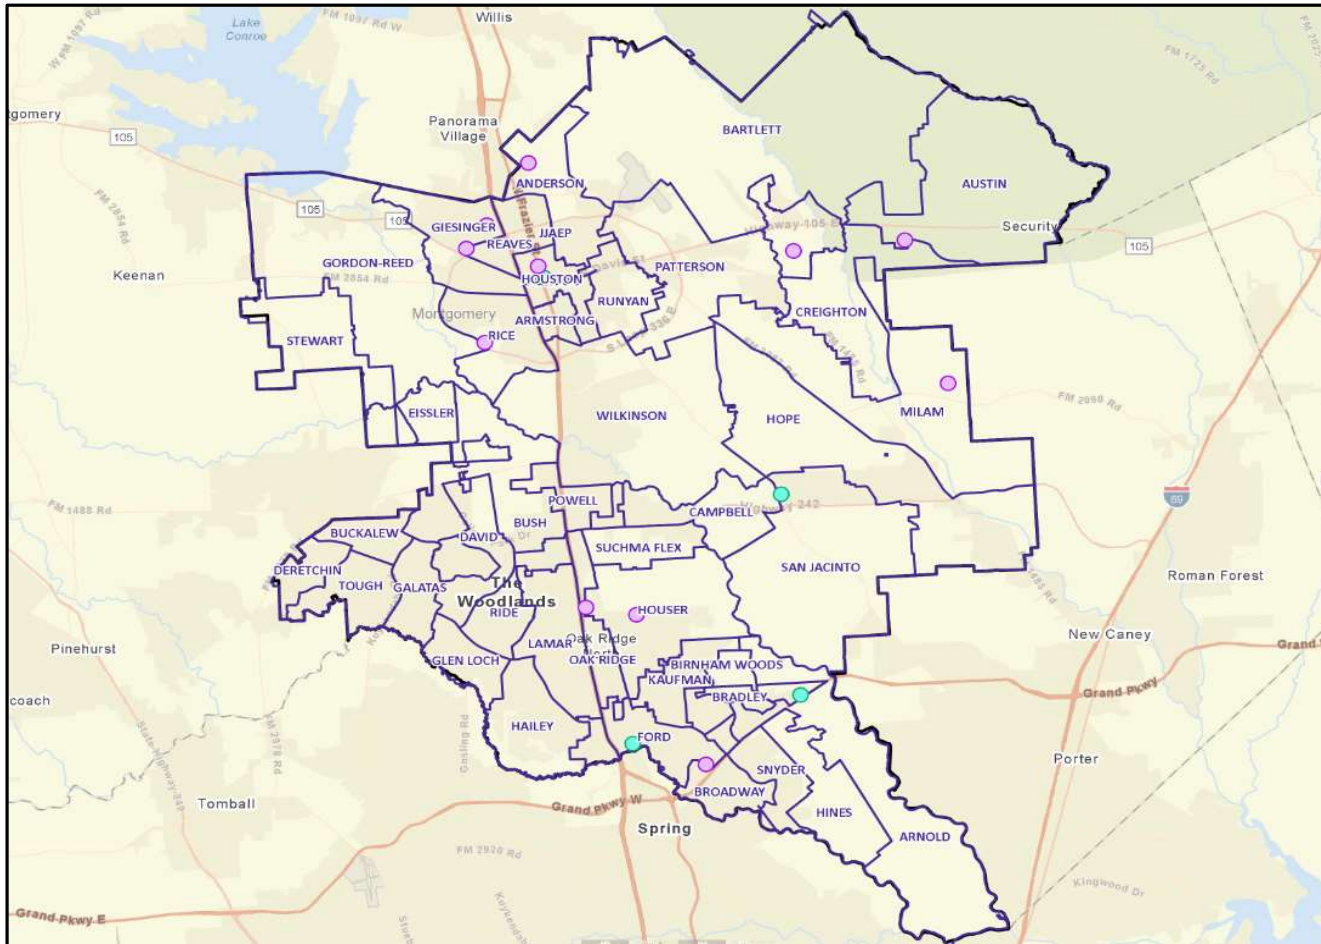

District Single-Family Activity

Single-Family Housing Construction

Townsen Bridge

- ~7,000 total lots proposed
- Previously owned by RYKO Development and slated for the construction of ~7,000 new homes, the land was sold to Scarborough Group in January 2025.
- During a town hall in April 2025, area residents expressed concerns about the development's impacts
- In December 2025, numerous area and state elected officials met to explore collaborative options for preserving this large tract of Scarborough Group property as public green space.
- Final outcome TBD...

District Multifamily Overview

- There are currently eleven multi-family projects under construction/leasing up within the District, totaling more than 2,400 units
- There are currently four multi-family projects in the planning stages comprising nearly 1,500 future units

Multifamily Developments

- FUTURE
- UNDER CONSTRUCTION

December 2025

Alcove

- 150 total apartment units
- Leasing anticipated to begin Fall 2026 with project completion estimated by Summer 2027
- Unit configurations and rents TBD

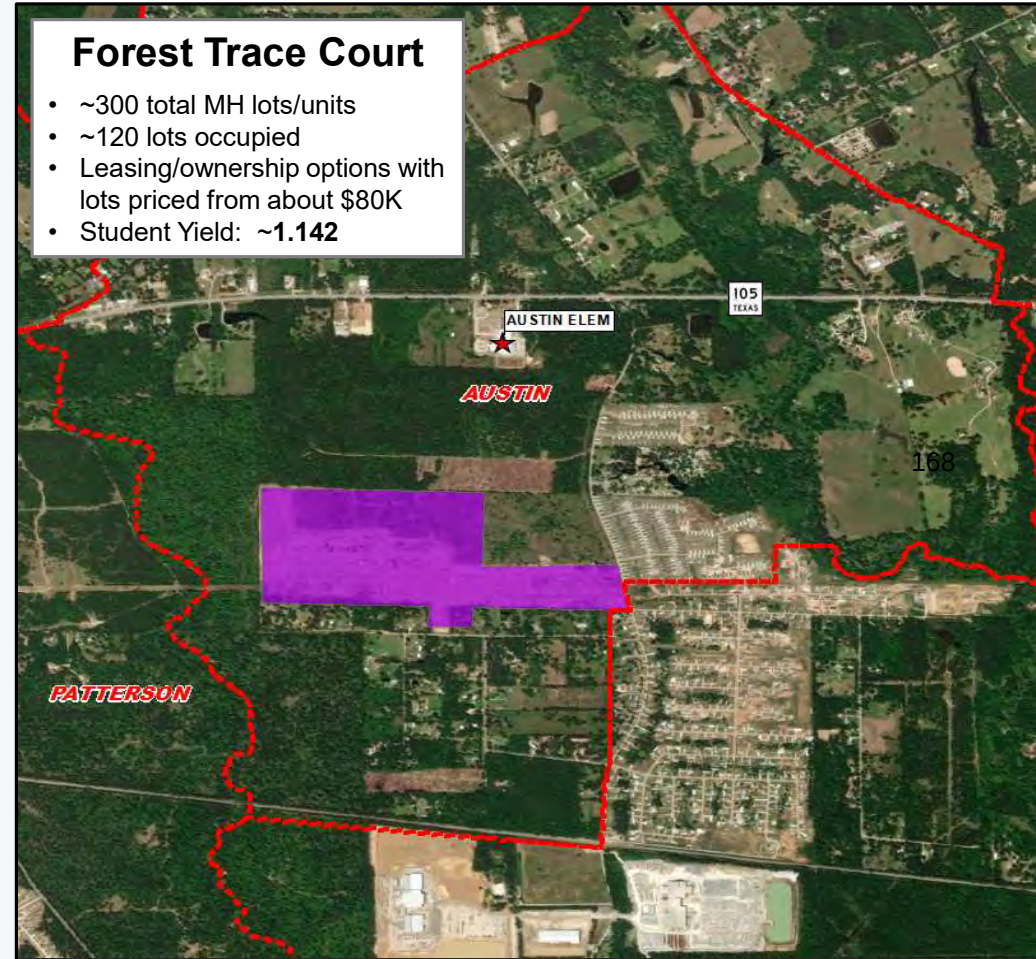

December 2025

Forest Trace Court

- ~300 total MH lots/units
- ~120 lots occupied
- Leasing/ownership options with lots priced from about \$80K
- Student Yield: ~1.142

December 2025

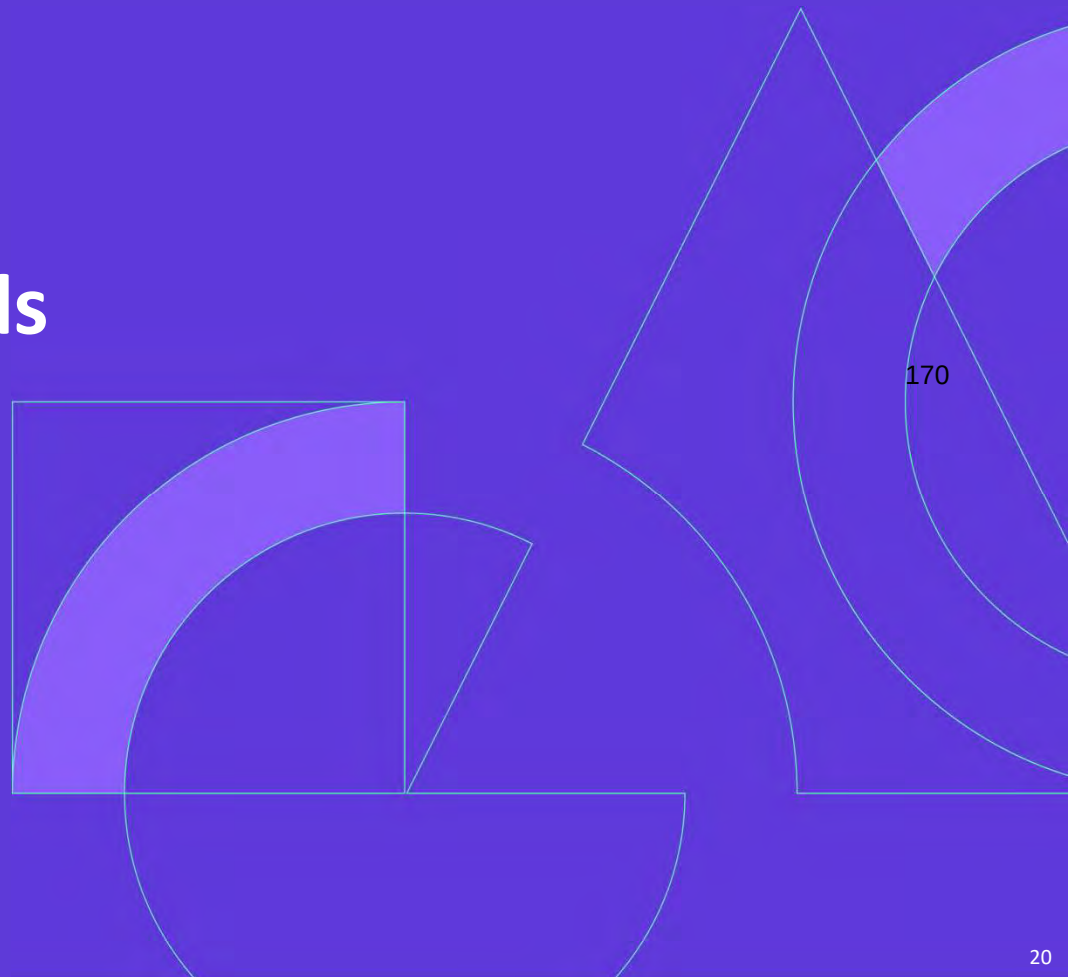

The Reserve on Sleepy Hollow

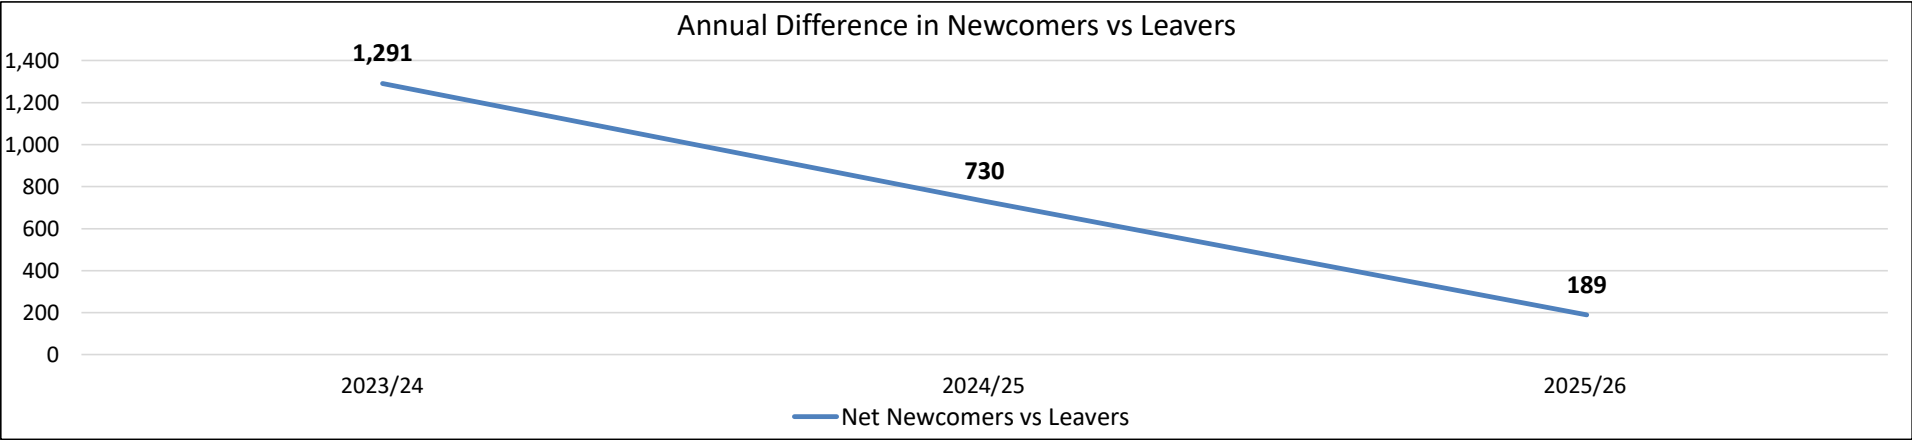

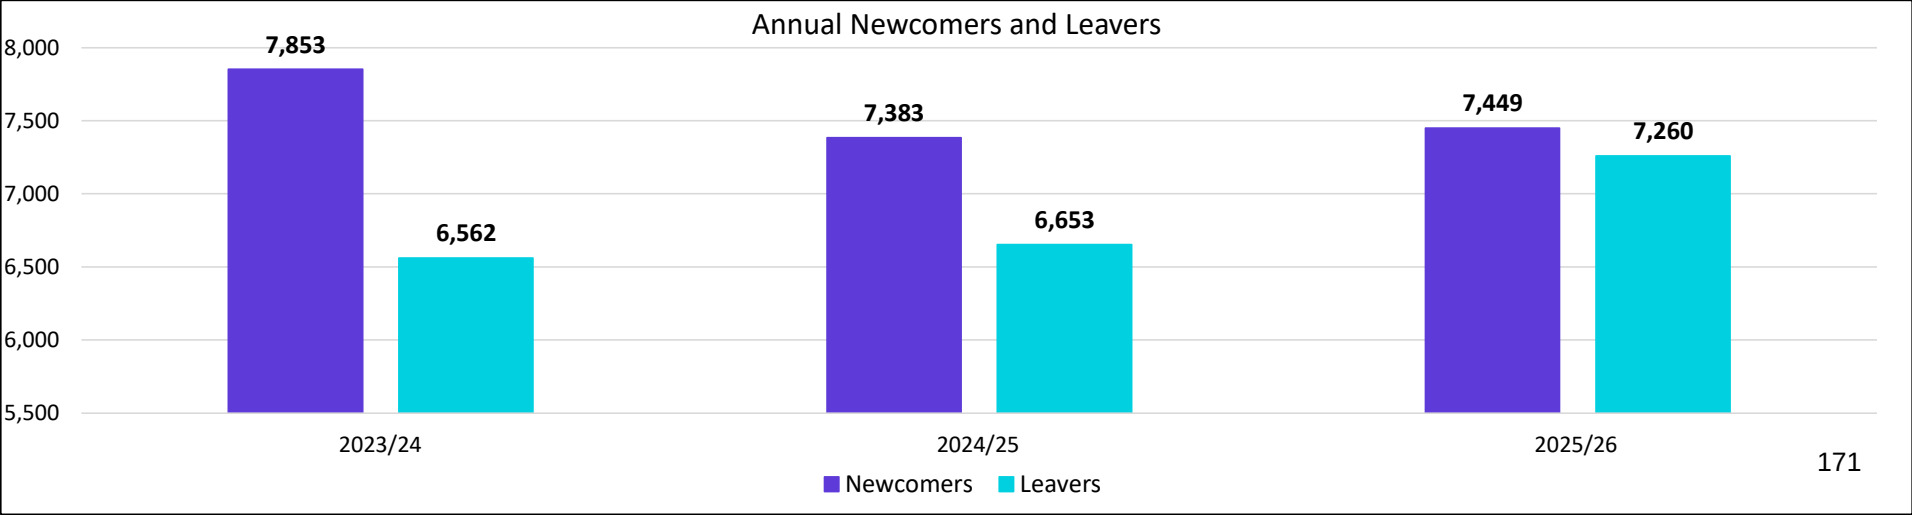

- 500 total MH lots/units
- ~110 lots occupied
- Leasing/ownership options with new homes priced from the \$80's
- Student Yield: **~0.673**

Low Range Projections

- Slow down in Housing Starts & Closings
- Increases in Homeschooling & Private School Enrollment
- Lower Kindergarten & Early Elementary Grade Enrollment
- School of Choice options lower overall housing yields

Mid-Range Projections

- Economic Conditions remain stable
- Continued population growth & Housing Activity
- Minimal Impact from trends in Homeschooling & Private School Enrollment
- Maintaining current housing yields
- Current Transfer patterns remain

High Range Projections

- Future Interest Rate Cuts & Favorable Mortgage Rates
- Surge in Housing Starts & Closings
- Programs and Marketing Efforts increase Enrollment through Transfer Students
- KG enrollment keeps pace with birth rates

Yellow box = largest grade per year
Green box = second largest grade per year

Kindergarten plateaus

Housing Yields decline then stabilize

Key Takeaways

District Information -

Conroe ISD enrollment increased by **5,072** students in the last four years. The District saw a decrease of **150** students entering the 2025-26 school year.

Housing Market Conditions -

2025 new home starts and closings in CISD finished roughly 10% below 2024 totals as ongoing economic uncertainty has pushed many potential new homebuyers to the sidelines

181

Housing Activity & Future Developments -

The district currently has approximately **1,700 homes in active inventory**, roughly 5,350 lots available to build on, and more than 22,000 planned in the future.

Enrollment Forecast -

CISD is forecasted to enroll almost 73,000 students by the 2030/31 school year, and despite additional housing growth enrollment is anticipated to decline to approximately 71,500 students by the 2035/36 school year.

LOCAL SCHOOL LIBRARY ADVISORY COUNCIL (LSLAC)

Complying with Texas Education Code §33.025

Implementation, Authority, and Responsibilities

PURPOSE AND AUTHORITY

- **Statutory Origin:** Created under Texas Education Code §33.025.
- **Primary Objective:** Assist the District in ensuring library materials are age-appropriate and suitable for the subject and grade level.
- **Community Standards:** Ensure that library catalogs reflect local community values and standards.
- **Establishment Mandate:** The Board must establish an LSLAC if a petition is presented by 50 parents or 10% of enrolled students' parents (whichever is fewer).

CORE RESPONSIBILITIES

The LSLAC serves as the primary advisory body to the Board of Trustees in three key areas:

- **Acquisition:** Reviewing and recommending all materials proposed for purchase or donation before a Board vote.
- **Accountability:** Submitting an annual report to the Board confirming compliance with Texas State Library and Archives Commission (TSLAC) standards.
- **Appeals:** Reviewing written challenges to books in full and providing formal recommendations for retention, reclassification, or removal.

184

COUNCIL COMPOSITION

To ensure parent-led oversight, the law mandates specific membership requirements:

- **Appointment:** Board of Trustees appoints all members; each Trustee must appoint an equal number of members (minimum of five total).
- **Parent Majority:** At least a majority must be parents of currently enrolled students who are **not** District employees.
- **Leadership:** The Board appoints the chair or co-chairs, at least one of whom must be a parent.
- **Non-voting Members:** The Board may appoint staff (teachers, librarians, counselors, administrators) or community members (business, clergy) as nonvoting advisors

185

OPERATIONAL GUIDELINES & TRANSPARENCY

The LSLAC must adhere to strict rules to maintain public trust:

- **Public Meetings:** Must meet at least twice a year.
- **Notice Requirements:** Meeting notices must be posted 72 hours in advance on the District website and at administrative/campus offices.
- **Transparency:** All meetings must be audio or video recorded.
- **Public Access:** Recordings and minutes must be posted to the District website within 10 days of the meeting.

186

CONCLUSION & NEXT STEPS

- **Reviewing Local Policy:** Aligning current District procedures with LSLAC advisory recommendations.
- **Ensuring Alignment:** Maintaining a library collection that reflects both educational standards and community values.
- **Board Action:** Discussion regarding member appointments and initial meeting schedules.

QUESTIONS?

Discussion of Commemorative Months and Other Issues Under School Board Policy EMB

EXECUTIVE SUMMARY

Trustee Marianne Horton has requested administration to address the perception of a growing disparity in how cultural heritages are celebrated across Conroe ISD campuses. For example, while current initiatives like Hispanic Heritage Month provide wonderful engagement, a lack of consistent, district-wide opportunities for all cultures could lead to feelings of exclusion among the student body. This proposal outlines a framework to ensure every student, regardless of their background, feels seen and celebrated during the school day.

Based on Trustee Horton's personal observations over a ten-year tenure within the district (from Birnham Woods to TWHS) he perception is that cultural celebration is often fragmented. While certain months receive high-profile spirit weeks and parades, others are relegated to after-school clubs or omitted entirely.

KEY CONCERNS

- Inconsistency: Cultural expression is currently "opt-in" through clubs rather than integrated into the campus culture.
- Exclusion: Students from less-represented backgrounds may feel their heritage is less "valuable" than those featured in district-wide social media posts.
- Lost Educational Value: We are missing opportunities for the "core memories" that foster empathy, such as interviewing elders or sharing traditional customs.

PROPOSED SOLUTION: "GLOBAL HERITAGE EXCHANGE"

Instead of removing celebrations, Trustee Horton proposes a shift toward a unified and inclusive model that would incorporate into social studies and language arts curriculum during the school day.

Annual District "World Cultures Day"

A dedicated school day where the curriculum incorporates a campus-wide celebration.

- Attire: Students are encouraged to wear traditional dress or colors representing their heritage.
- The "Living Museum": Classrooms or hallways feature student-led presentations on ancestors, famous figures, and historical contributions.
- The Parade of Nations: A pep-rally style event showcasing the diverse makeup of the entire student body.

Integrated Heritage Projects

Incorporate an "Oral History" assignment into the Social Studies curriculum.

- The Interview Project: Students interview a family member about their journey or traditions.
- Classroom Integration: Rather than a separate event, these stories are shared during the school day, ensuring every student's story is heard by their peers.

"Community Feast" Celebration

Expanding on successful localized events (like the Thanksgiving cultural attire initiative):

- Heritage Potlucks: (Pending health safety protocols) Hosting evening or lunch-period events where families can share a dish.
- *If food sharing is restricted, "Recipe Books" compiled by students can serve as a modern alternative to the sauerkraut memories of the past.*

Consideration of a Pilot

Ask the curriculum and instruction team to pilot a "World Cultures Day" at a single elementary or intermediate campus to refine the logistics. Would you like me to draft a sample "Heritage Interview" template that could be used by teachers to kickstart this initiative?

CONCLUSION

Conroe ISD has the opportunity to lead the way in creating an environment where students of all cultures feel just as celebrated as those currently highlighted. By moving toward a "One Campus, Many Cultures" philosophy, we ensure that no child feels like a spectator in their own school's identity.

Cultural Celebration Day

A Framework for a Day of Campus-Wide Heritage Celebration

CONROE
INDEPENDENT
SCHOOL DISTRICT

WHY?

Cultural heritage observances exist across the district, but opportunities for recognition are not always consistent across cultures or campuses.

Legislative & Policy Guidance

Recent Texas legislation, reflected in Conroe ISD's EMB policy, provides guidance on how cultural programming is implemented, emphasizing activities that are equal, educational, student-centered, and appropriate for the school day.

Proposed Solution

This plan would not replace learning about different cultures, historical figures, and authors throughout the year. Instead, it would incorporate a single celebration day that allows students to explore their heritage - or another culture they wish to explore - and share traditions with classmates.

CONROE
INDEPENDENT
SCHOOL DISTRICT

GOALS & SOLUTIONS

CONROE
INDEPENDENT
SCHOOL DISTRICT

GOAL

Provide opportunities for students to learn about different cultures, historical figures, and authors throughout the year.

POSSIBLE SOLUTION

Consider the possibility of a celebration day that allows students to explore their heritage or another culture they wish to explore and share traditions with classmates.

HERITAGE SHOWCASE

Incorporate a “Heritage Showcase” into the Social Studies curriculum where students research and present traditions, attire, or historical figures

CONROE
INDEPENDENT
SCHOOL DISTRICT

Interactive Experiences

Heritage Attire

Students encouraged to wear traditional dress or colors representative of their cultural heritage

The Living Museum

Classrooms and hallways feature student-led presentations on ancestors, famous figures, and historical contributions

Traditions Showcase

A pep-rally style event highlighting the many cultures and traditions represented across the student body

CURRICULUM EMBEDDED STORYTELLING

Consider incorporating an "Oral History" assignment into the Social Studies curriculum so every student's story is heard during the school day.

CONROE
INDEPENDENT
SCHOOL DISTRICT

Interactive Experiences

Interview

Students interview a family or community member about their cultural journey or traditions

Shared Stories

Stories are shared during class time

Integrated Curriculum

Tied to Social Studies and Language Arts standards for seamless curriculum fit

NEXT STEPS

Consider and Possibly Approve Library Materials in Accordance with Texas Education Code §33.026, School Board Policy EFB, and Senate Bill 13

Recommendation:

That the Conroe Independent School District Board of Trustees consider and approve library materials that have been donated to or that are to be procured for use in the District's school libraries in accordance with Texas Education Code §33.026, School Board Policy EFB, and Senate Bill 13, as submitted by Assistant Superintendent of Teaching and Learning, Dr. Hedith Saucedo-Upshaw, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

The Board of Trustees is required to consider and approve all library materials that have been donated to or are proposed to be procured for use in District school and classroom libraries in accordance with Texas Education Code §33.026 and Board Policy EFB.

This process begins with the Superintendent, who submits a list of recommendations that must include a certification that the materials adhere to the library standards in Texas Education Code §33.021. The list will include whether the Superintendent recommends adding library materials to the school library catalog or removing library materials from a school library catalog following a challenge under Texas Education Code § 33.027.

The list of proposed materials is made accessible to the public for review for at least 30 days. The Board then votes to approve or reject the list at the first open meeting held on or after the 30th day the list is available for public review, thus formally ensuring that all new or donated materials comply with both the law and Board Policy.

The requirement for Board approval does not apply to materials that are simply replacing a damaged copy, obtaining additional copies of a title already in the catalog, or materials previously approved for the same grade levels.

Receive Information Regarding the Beginning and Middle of Year Northwest Evaluation Association Measures of Academic Progress Growth and Reading Fluency Assessment, House Bill 3 Progress Measure 1.2 and 2.2, and Bluebonnet Learning ELAR K-5

Recommendation:

That the Conroe Independent School District Board of Trustees receive information regarding the beginning and middle of year (BOY & MOY) Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) Growth and Reading Fluency Assessment, House Bill 3 Progress Measure 1.2 and 2.2 Update, and Bluebonnet Learning ELAR K-5 as submitted by Dr. Hedith Upshaw, Assistant Superintendent for Teaching and Learning, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

Conroe ISD administers the NWEA **MAP Growth** and **MAP Fluency** assessments to measure student achievement and academic growth in reading, mathematics, and science. These nationally normed, computer-adaptive assessments provide actionable data on individual student progress, grade-level trends, and instructional needs. BOY data established baseline performance levels for all students. MOY data reflect measurable growth across grade levels, with many students meeting or exceeding projected growth targets. The update will summarize districtwide growth trends to date, compare progress to expected growth targets, and highlight implications for HB3 progress measures for the remainder of the school year.

The Bluebonnet Learning Unit Assessments are standards-aligned, curriculum-embedded assessments administered at the conclusion of each instructional unit. These assessments are designed to measure student mastery of priority standards and provide timely, actionable feedback to teachers and campus leaders. They are aligned directly to the taught curriculum and state standards, measure depth of understanding, not just recall. include a variety of item types to assess conceptual knowledge, application, and problem-solving skills, and provide consistent data points across classrooms and campuses.

Additionally, during the 2025–2026 school year, the district conducted parent, teacher, and school leadership surveys to gather structured feedback on the implementation of Bluebonnet Learning ELAR K–5 at BOY and MOY. The purpose of the surveys was to evaluate program effectiveness, identify strengths and challenges, and inform continuous improvement efforts to enhance student literacy outcomes.

Dr. Hedith Saucedo-Upshaw
*Assistant Superintendent
of Teaching and Learning*

DRAFT

NWEA MAP ASSESSMENT & READING UPDATE

370

Board Workshop
March 17, 2026

Introduce the Team

- Dr. Hedith Saucedo-Upshaw, Assistant Superintendent of Teaching and Learning
- Dr. Tamika Taylor, Assistant Superintendent of Student Support Services
- Malinda Stewart, Director of School Improvement
- Meagan Morse, Coordinator of Accountability
- Wendy Tisdell, Coordinator of Assessment and Instructional Materials
- Gilberto Lozano, Director of Bilingual and ESL Programs
- Patricia Garza, Coordinator of Bilingual and ESL Programs
- Dayren Carlisle, Director of Curriculum and Instruction
- Chris Reichelt, Assistant Director of Curriculum and Instruction
- Mark Smith, Coordinator of Elementary Language Arts
- Brittany Koester, Coordinator of Elementary Mathematics
- Dr. Carlos Barrón, Coordinator of Secondary Mathematics
- Albert Kisangi, Coordinator of Science

K-8 MAP, HB3, and Bluebonnet Update

- **BOY testing vs. MOY testing**
- **Progress towards HB3 reading and math goals**
- **Bluebonnet unit assessment data**
- **Bluebonnet surveys**

High School Pilot Update

Caney Creek and Conroe HS are both participating in the pilot for ELA, math, and science.

Feedback:

- **data is beneficial**
- **would like to expand MAP testing to non-STAAR tested grade levels**
- **would like to see how expanding MAP testing could be used for TIA purposes**

373

BOY TO MOY DATA OVERVIEW

374

DRAFT

MAP Data Terms

Mean - one of three measures of central tendency; the calculated “average” that is often meant when people talk about average - add up all the numbers in the set and divide by the count of numbers in the set

- affected by skew when there are one or more outliers in the data set

Median - another of the three measures of central tendency; line up the set of numbers from least to greatest and choose the one in the middle

- ignores extremes/outliers
- less reliable than *mean* when the data set is small

375

Standard Deviation - a calculated measure of the amount of variation or deviation in a set of data values around their mean

- tells you how spread out the data points are around the mean
- when the standard deviation is low, data is more clustered together

MAP Data Terms

Mean	94
Median	94
Standard Deviation	4

MAP Data Terms

Why does MAP Growth often report median rather than mean?

- allows educators to see how their middle student performed compared to national norms
- ensures that a few high or low achievers don't skew the "average"
- median is generally more stable across different populations, providing a more reliable metric over time

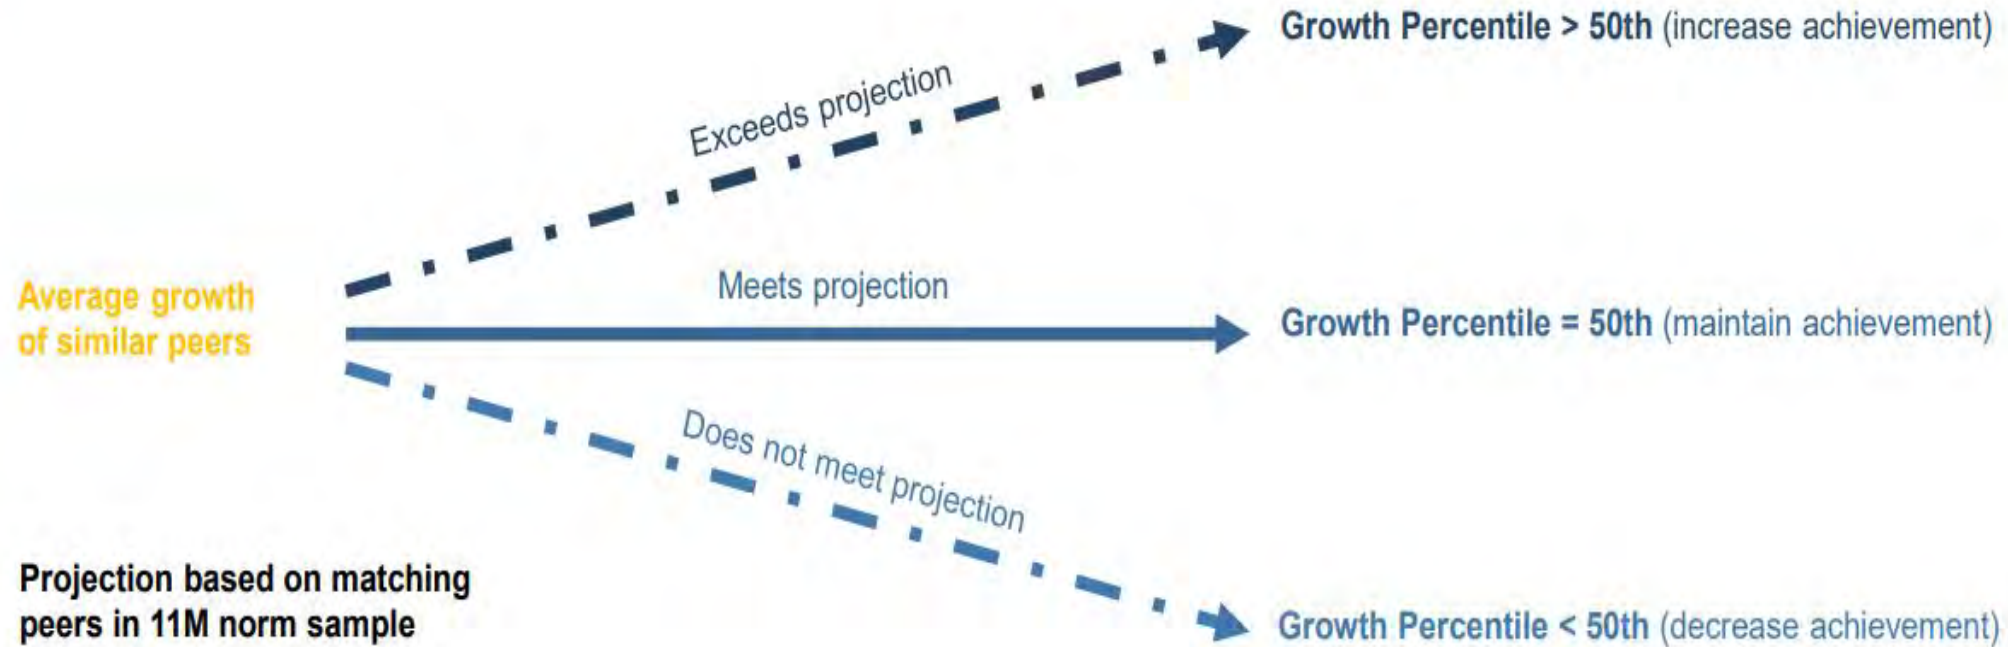

Why do the RIT norms show mean rather than median?

- because the sample size is a very large, normally distributed data set (the "normal distribution/bell curve"), the mean and median are actually the same - whenever a data set is balanced around the center, the median and mean will be the same

377

How Are Achievement and Growth Related?

Projection based on matching peers in 11M norm sample

DRAFT

- Scores can vary significantly from one UA to the next.
- Overall performance is closely aligned to STAAR performance.

DRAFT

Parent/Guardian Survey Results

DRAFT

Beginning of the Year (BOY)	Middle of the Year (MOY)
1,052 participants	934 participants
Glow • Participation was high • Responses collected were equitable across the K-5 grade levels	Glow • Most parents are receiving the Unit Family Letters • Robust response from across all K-5 grade levels • A wide cross-section of the district participated • Nearly half feel they have enough information to support their child's growth at home
Grows • 55% say the purpose and goals of the curriculum were not communicated clearly • 52% are dissatisfied with the resources provided to help them understand the new system • Dissatisfaction with student engagement	Grows • Dissatisfaction with the curriculum's pace and level • No increase in interest in writing • The curriculum is often "developmentally inappropriate," being either too advanced or too boring for the target age groups • Prefer less whole-group lessons and more small-group differentiation and creative lessons

396

Teacher Survey Results

DRAFT

Beginning of the Year (BOY)	Middle of the Year (MOY)
507 participants	231 participants
Glow • Positive sense of community and support among staff - 79% of teachers feel supported • Curriculum is aligned with TEKS	Glow • Comfort with the teacher materials and web portal • Satisfied with the phonics instruction • Primary resources are accessible and functional
Grow • Difficult to implement • Lacks support for the diverse learning needs of their students • Negative impact on student engagement	Grow • Lack of explicit STAAR-aligned practice • Insufficient scaffolding, especially for Emergent Bilinguals • Lessons require more time than planned • Insufficient support for students performing below grade level • Bilingual highlight errors in the Spanish components, noting that some content is incorrectly translated

397

School Leadership Survey Results

DRAFT

Beginning of the Year (BOY)	Middle of the Year (MOY)
95 participants	41 participants
Glow • Instructional materials and resources are useful • Positive impact with student engagement in literacy • Training and goal alignment are yielding positive results	Glow • PD effectiveness was rated highly • Coaches feel confident providing actionable feedback to teachers • The Science of Teaching Reading (STR) are visible • Positive correlation between curriculum implementation fidelity and performance on UAs
Grow • Implementation is difficult • Implementation has been challenging for special populations	Grow • Pacing limits student interventions and discourse • Lesson internalization is extensive • Lack of accessibility for special populations • Lessons are viewed as teacher-led limiting student-led exploration, creativity, and active engagement

Next Steps

- As we look ahead to the 2026-2027 school year, the feedback we collect from the surveys will allow us to improve:
 - teacher training,
 - job-embedded coaching,
 - support resources, and
 - confidence within the community on quality of the curriculum and the supports for various learning needs.

QUESTIONS?

Receive Personnel Audit Presentation by the Docentus Group

Recommendation:

That the Conroe Independent School District Board of Trustees receive the results of the personnel audit as presented by the Docentus Group and as recommended by Dr. David Vinson, Superintendent of Schools, and Karen Garza, Chief Financial Officer.

Explanation:

The Board will receive and review the results and recommendations of the personnel audit recently conducted by Moak Casey.

The study was performed to provide the leadership of Conroe ISD with objective comparative information designed to inform their decision-making regarding district investments in staffing levels. The study uses comparison data from peer and/or neighboring districts to provide measures of both internal and external equity. The study draws data from the Texas Education Agency's (TEA) Public Education Information Management System (PEIMS) as well as its Texas Academic Performance Reports (TAPR).

The Docentus Group reviewed, analyzed, and has summarized staffing data from the Moak Casey Study and will present a summary of key takeaways, resulting recommendations, and a staffing allocation plan and timeline. Board members will have the opportunity to ask questions and discuss next steps. No action is required unless otherwise directed by the Board.

Staffing Study Review & Data-Based Recommendations

464

A Docentus Presentation

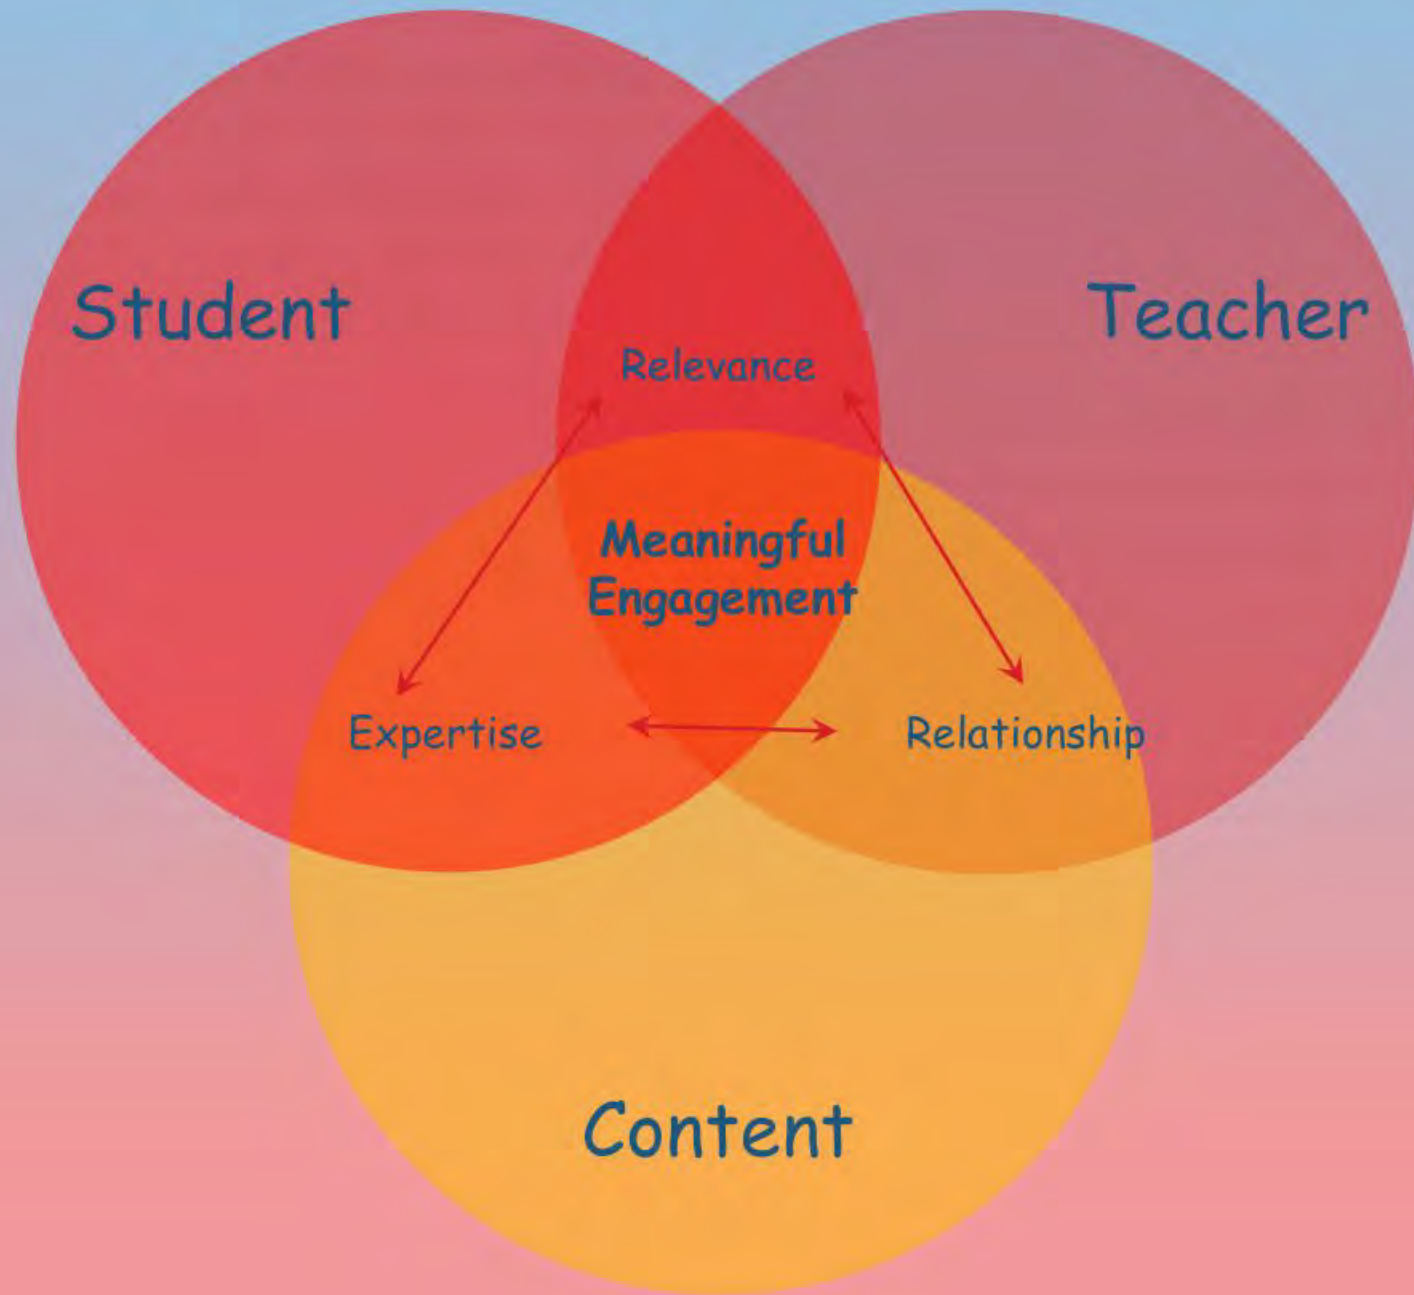

Presenter(s): Tiffany Duncan & Ron Morrison

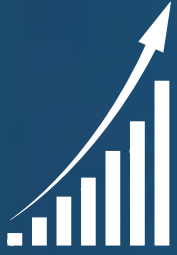

March 17, 2026

The Docentus Swirl Theory

Our company's overarching goal with any educational project is to create meaningful engagement in the classroom. As such, we have developed the swirl theory as our philosophical approach to education.

465

Docentus Philosophical Approach

Part of accomplishing meaningful engagement is by effectively addressing everything else that can create the “noise” that may interfere with this goal.

As such, the focus of this presentation and sample staffing plan is to utilize newly available staffing data in a manner that ultimately promotes meaningful classroom engagement, while also effectively addressing the budgetary and operational “noise” that can often occur within the annual staffing allocation process.

467

District Goals

As an initial step of this data-gathering process, The Docentus Group collected data regarding staffing goals at both the Board and District Administration levels for review and consideration.

468

Relevant Board of Trustee Goals

- **Goal 2:** Conroe ISD shall recruit, develop, retain, and support a highly-qualified staff to become dynamic and satisfied leaders who deliver meaningful instruction, manage teams and resources effectively and maintain a positive organizational culture.
- **Goal 4:** Conroe ISD shall exercise fiscal responsibility to maintain financial strength and a balanced budget while prioritizing a classroom-centered approach that adequately and appropriately supports education programs, salaries, benefits, and facility operations.
- **Goal 6:** Conroe ISD will ensure efficient, safe, and effective management of all facilities, resources, and services to support a high-quality educational environment.

469

Relevant Administration Goals

- Align staffing plans and annual allocations in accordance with Board goals.
- Conduct a thoughtful and data-driven annual staffing compensation and allocation process utilizing enrollment numbers, program and campus needs and requirements, and comparable district staffing and compensation data.
- Define, manage, and model a service-oriented mindset that establishes clear reporting standards, reduces potential redundancy, and provides clear and resource-driven accountability.

470

Moak Casey Staffing Study Summary

The Docentus Group reviewed, analyzed, and has summarized staffing data from the Moak Casey Staffing Study provided to the District in February of 2026.

471

Staffing Study Overview

- The Moak Casey report provides an analysis of Conroe Independent School District's staffing data from the 2020-21 to 2024-25 school years with respect to whole-district, junior high, and high school staffing data.
- Drawing from various Texas Education Agency reports and district-provided data, the analysis examines changes in personnel counts, staffing ratios, and trends across 6 major job categories.
- The major job categories used in this study are based on the Texas Education Agency Role IDs and employee groupings.
- The report also includes comparative staffing data from statewide, regional, and focused peer-district groupings.

472

Staffing Study Overview Continued

The major job categories used in this study are based on the following Texas Education Agency Role IDs and employee groupings.

Teaching Staff

- Classroom Teachers
- Special Education Teachers
- Bilingual/ESL Teachers

Campus Administration

- Principals
- Assistant Principals
- Other Campus Leadership

Central Administration

- Superintendents
- Directors/Coordinators
- Instructional Coaches
- Business/HR Leaders

Student Support Services

- Counselors
- Social Workers
- Nurses
- Librarians
- Diagnosticians
- Speech Therapists
- LSSPs/Psychologists

Educational Aides

- Instructional Aides
- Special Education Aides
- Bilingual/ESL Aides

Auxiliary Personnel

- Clerical/Office Staff
- Child Nutrition
- Custodial/ Maintenance
- Transportation
- Safety/Security
- Technology Support⁴⁷³

Enrollment, Attendance, & Demographics (pages 3–8)

The study begins by analyzing enrollment, attendance, and demographic data from the 2020–21 to 2024–25 school years.

Synopsis: In general, the data from this section illustrates that enrollment has grown over the last 5 years by approximately 12.9% and that the district's demographic profile is shifting.

474

Staffing Profile (pages 9–25)

Next, the staffing study analyzes various student per personnel ratios spanning the 2020–21 to 2024–25 school years and comparing these ratios to available statewide and regional data.

Synopsis: This section indicates that Conroe ISD staffing ratios are generally stable over time but are above regional and state averages in several major job categories. This suggests that Conroe ISD generally operates with leaner staffing compared to peers.

475

Peer Comparison (pages 26–43)

In this section, the study compares Conroe ISD staffing data with with Cypress–Fairbanks, Fort Bend, Humble, Katy, Spring ISDs.

Synopsis: This section further illustrates the lean staffing within Conroe ISD when compared to this targeted set of peer districts.

476

Peer, Regional, & Statewide Comparison Chart

Staffing Ratio Category	Conroe	Peer Avg.	Region 4	Region 6	Statewide
Students per Total Staff	7.7 to 1	7.5 to 1	7.3 to 1	7.3 to 1	7.2 to 1
Students per Teacher	15.4 to 1	15.4 to 1	15.5 to 1	15.2 to 1	15.0 to 1
Students per Campus Administrator	273.7 to 1	315.0 to 1	260 to 1	270.1 to 1	260.0 to 1
Students per Central Administrator (includes ICs)	293.6 to 1	602.4 to 1	489.8 to 1	299.6 to 1	395.3 to 1
Students per Student Services Staff	81.1 to 1	67.9 to 1	61.5 to 1	75.7 to 1	66.2 to 1
Students per Aides	76.2 to 1	67.1 to 1	68.8 to 1	63.3 to 1	67.7 to 1
Students per Auxiliary Staff	30.3 to 1	29.9 to 1	28.1 to 1	28.7 to 1	28.4 to 1

477

District Funding (pages 44-47)

In this section, the study analyzes Conroe ISD's funding net of recapture and percentages of revenue sources in comparison to peer districts, as well as regional and statewide data.

Synopsis: Conroe ISD's funding structure relies more heavily on local property taxes than regional and state averages, making district funding closely tied to community property values.⁴⁷⁸

Teaching Experience (pages 48–51)

In this section of the study, Moak Casey analyzes the percentage of teachers within years of experience level. In 2024–25, the teacher experience percentages were:

0–Year	5.4%		11–20 Years	29.7%
1–5 Years	27.3%		21–30 Years	13.7%
6–10 Years	21.9%		30+ Years	1.9%

479

Synopsis: The district’s teaching staff is well-distributed across experience levels, which suggests stability and experience in the workforce that can positively impact instructional quality.

High Schools & Peers (pages 52–70)

In this section, the study compares CISD high school staffing data with with Cypress–Fairbanks, Fort Bend, Humble, Katy, and Spring ISDs.

Synopsis: Conroe ISD's high school staffing, when compared with peer, regional, and statewide averages, show that the district operates with⁴⁸⁰ leaner staffing levels than many comparable districts, even while serving an increasingly diverse student population. Despite this lean structure, Conroe ISD maintains experienced teaching staff, competitive academic outcomes, and strong graduation rates, suggesting operational efficiency at the high school level.

Middle/Jr. High Schools (pages 72–84)

In this section, the study compares CISD middle school and junior high school staffing data with with overall district averages.

Synopsis: The study's analysis shows that, compared to district-wide averages, Conroe ISD operates with comparatively high student-to-staff ratios at the middle school/junior high level, particularly for aides and support staff. This means there are fewer staff members per student at the middle school and junior high level within the district, which can limit flexibility and place additional demands on existing personnel.

481

Moak Casey Staffing Study Key Takeaways

The Docentus Group, in alignment with district staffing goals, has identified key takeaways within the Moak Casey Staffing Study that have developed into the recommendations and sample staffing plan herein.

482

1. Overall Lean Staffing Ratios

Conroe ISD operates with higher student-to-staff ratios than the state, the region, and peer districts, especially for regarding support and auxiliary staff. This means fewer personnel per student, which is operationally efficient, but can strain resources, contribute to staff feeling frustrated and overworked, and eventually impact service quality.

483

2. Central Administration Potential Overstaffing

Conroe ISD currently has the lowest* Central Administration student-to-staff ratio when compared to peer districts, as well as regional and state averages, indicating that Central Administration is potentially overstaffed.

***NOTE:** *The staffing study indicates that prior to the 2022-23 school year, Conroe ISD's Central Administration had a higher student-to-staff ratio than peer districts, as well as regional and state averages. However, during the 2022-23 school year, Conroe ISD suddenly dropped to the lowest student-to-staff ratio. This occurred the same year that TEA re-coded Instructional Coaches as part of this major job category, indicating that the staffing overage is primarily due to the specific role of Instructional Coaches (see next slides for illustration of this finding).*

484

Moak Casey Staffing Study (page 18)

Staffing Profile

Conroe ISD

As noted on the previous slide, the change in re-coding on instructional coaches as directed by TEA in 2022-23 appears to show a dramatic decrease in the ratio of students to Central Administration staff (there are more Central Administration staff than in previous years). This is typical across all districts in Texas due to the coding change and is not necessarily reflective of any particular changes in Conroe ISD specifically.

	Number of Students	Number of Central Admin. & Leadership	Nbr. of Students per Central Admin. & Leadership	Region 4 Nbr of Central Admin.	Region 4 Nbr of Students per Central Admin.	STATE Nbr of Central Admin.	STATE Nbr of Students per Central Admin.	STATE Nbr of Students per Central Admin.
2020-21	64563	38.49	1677.4	1,217,905	1857.68	655.61	5,371,586	10286.09
2021-22	67761	41.49	1633.19	1,232,666	1833.5	672.3	5,427,370	10052.61
2022-23	70783	198.85	355.96	1,252,934	2708.06	462.67	5,518,432	13832.99
2023-24	72352	233.46	309.91	1,252,788	2612.11	479.61	5,531,236	13886.36
2024-25	72914	248.31	293.64	1,246,551	2545.26	489.75	5,544,255	14024.45

3. Instructional Coaching Model Needs Immediate Review

The study explicitly indicates that Instructional Coaches underwent a TEA Role ID re-coding from Student Services to Central Administration the year that the substantial Central Administration ratio shift occurred, indicating that the most likely cause for potential overstaffing in the Conroe ISD Central Administration major employee grouping is due to the number of Instructional Coaching positions (see previous slide).

486

4. Experienced Workforce

The data regarding teacher experience within Conroe ISD is a positive aspect of the analyzed staffing study data and is to be commended. Teachers with five or more years of experience make up over two-thirds of the total teachers working in the district.

487

5. Lean Middle School Staffing Compared to District Data

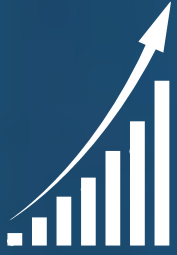

The middle/junior high school average ratio for students-to-total staff is lean in comparison to the average district data and the high school student-to-staff data within the staffing study, which may require further internal review to ensure that the staffing efficiency at this level is not causing strain on personnel resources or impacting instruction.

488

Resulting Recommendations

The Docentus Group, in alignment with district staffing goals and as informed by the 2026 Moak Casey Staffing Study data, has developed several staffing recommendations for consideration.

489

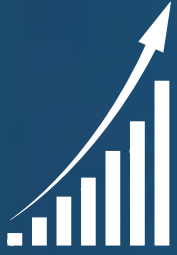

Recommendations

Recommendation 1: We recommend district administration adopt and implement a Multi-Phase Staffing Allocation Plan that utilizes newly available staffing data, efficiently restructures staffing allocations, meets programmatic and student needs, furthers the district's instructional philosophy, and aligns to budgetary parameters.

Recommendation 2: For any reductions necessary due to enrollment or budgetary purposes, we recommend that the district engage in a multi-year staffing reduction utilizing attrition-based and reassignment-based efforts to be implemented in a staff-friendly manner that lowers payroll costs with minimal impact on classroom instruction and campus operations.

Recommendation 3: We recommend that district administration consider reorganizing Central Administration in a manner that specifically addresses the apparent overstaffing of Instructional Coaches and any other internally identified staffing inefficiencies or redundancies within this major job category (in a manner that is legally sound and recognizes the contractual and property rights of affected employees).

490

Recommendations Continued

Recommendation 4: During the 2026–27 school year, if further reductions are needed, we recommend that the district engage in programmatic reviews via an objective criterion-based process that can help identify further areas wherein the district could realize additional staffing efficiencies, considering classroom ratios adjustments as a last step within this review.

Recommendation 5: Should the district be in a budgetary position to add staff in the 2026–27 school year or beyond, we recommend that the major job categories identified in the staffing study with the highest student-to-staff ratios (student services support, aides, auxiliary, and middle/junior high school) be further reviewed and considered a priority for additional positions, assuming any new teacher positions are first allocated to meet the current student enrollment needs.

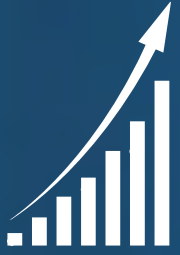

491

Staffing Allocation Plan & Timeline

The Docentus Group has developed a Sample Multi-Phase Staffing Allocation Plan that is informed by district staffing goals, the staffing study data, and additional district staffing data requested as part of this review.

The goal of this staffing plan is to alleviate staffing inefficiencies, provide steps and a timeline for execution, and honor student and program needs. The development and execution of this plan are designed to maintain the value of and appreciation for the staff of Conroe ISD.

492

Underlying Plan Principles

- Implement staffing allocations in a manner that furthers the educational goals of the district.
- Strive to further the district's instructional philosophy within annual budgetary parameters through efficient and effective utilization of all staff positions.
- Should programmatic changes, position changes, or reductions need to occur, honor the staff of CISD by:
 - maximizing the use of attrition;
 - providing clear communication at all levels;
 - allowing affected staff voice and choice when feasible; and
 - giving advance notice of position changes affecting individuals or groups of staff.

493

Phase 1 for 2026–2027

494

March 2026

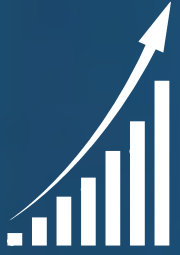

- Communicate Staffing Study highlights, budgetary parameters, and resulting staffing allocation plans to various stakeholders, including but not limited to the Board of Trustees; District and Campus Administration; District Staff; and the Community.
- Review and determine which outside staffing recommendations are to be administratively carried out.
- Implement a multi-year staffing allocation plan that maximizes use of attrition-based and reassignment-based reductions that focuses on identified overstaffed positions and aligns with current student enrollment projections.
- Use early-notice practices regarding affected staff to clearly communicate and implement reassignment-based reduction efforts in a fair and staff-friendly manner.

495

April 2026

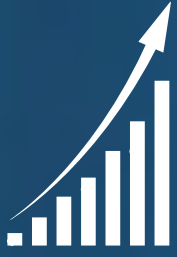

- Adjust staffing ratios or allocations within staffing formulas based on recommendations herein, and implement new formulas for the 2026-27 school year via an attrition-based manner.
- Begin immediately utilizing attrition in identified positions that are overstaffed as well as general attrition to conform to district staffing ratios and 2026-27 staffing allocations that align with anticipated student enrollment and budgetary reduction needs. 496
- Prepare and present an annual budget workshop, which includes adjusted staffing allocations for the 2026-27 school year, based on the 2026 Moak Casey Staffing Study data and any third-party recommendations adopted by district administration.

May 2026

- Finalize campus-level staffing allocations that are aligned to enrollment projections.
- Validate and finalize all staffing-ratio adjustments, staffing formulas, or staffing reductions for the 2026–27 school year.
- Continue identifying roles as needed that are not to be posted or filled due to their attrition-based reduction priority status. 497
- Launch communication supports for supervisors implementing any new organizational structure.

June 2026

- Monitor campus and department staffing allocations for 2026–27 as actual student enrollment numbers begin to solidify (this is an iterative, monthly process up through the first weeks of school).
- Finalize the reorganization planning for Central Administration.
- Identify and adjust any administrative regulations, protocols, or procedures related to both Phase 1 or Phase 2 staffing reorganization and/or reductions, as needed.
- Conduct progress monitoring and adjust the course as necessary based on student enrollment changes.

498

Phase 2 for 2027–2028

499

Summer 2026

- Continue with the 2026–27 hiring process while honoring the attrition-based reduction efforts begun in April of 2026.
- Conduct progress monitoring and adjust the course as necessary based on student enrollment changes.
- If needed, begin the process of identifying additional positions that can be more efficiently streamlined in Phase 2 (2027–28) without affecting student instruction, including specifically, the positions that no longer support the instructional philosophy and approach of the district.

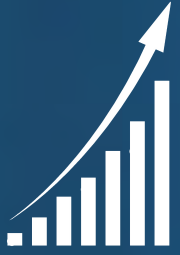

500

Fall 2026

- If additional reductions are needed, consider conducting programmatic reviews using objective criterion that identifies the value of each program, how to staff and fund each program, and to potentially identify programs in need of staffing reductions.
- If additional reductions are needed, consider the use of employee incentive programs to further attrition-based reduction efforts for the 2027-28 school year.
- Identify any 2027-28 position changes, reassignments, or reductions and provide advanced written notice to affected staff accordingly.

501

Spring 2027

- If needed, work to implement any programmatic changes or staffing reductions resulting from fall review efforts by implementing updated ratios and formulas into campus staffing templates and allocations for 2027–28 (this may include consideration and implementation of a formal Reduction In Force process).
- Continue monitoring effectiveness of district programs and positions by developing and implementing a measurable Return-On-Investment review process.
- Hold planning meetings regarding whether a Phase 3 (2028–29) of this staffing plan is needed.

Staffing Study Summary

Conroe ISD

**MoakCasey is
pleased to
provide this
staffing study
for Conroe ISD.**

- This resource is purposed in providing the leadership of Conroe ISD (CISD) with objective comparative information designed to inform their decision-making regarding district investments in staffing levels. The study uses comparison data from peer and/or neighboring districts to provide measures of both internal and external equity. Ultimately, it is designed to assist the leaders of CISD as they seek to make these decisions consistent with the UE's strategic priorities and subsequently communicate those decisions to a broader audience. It draws data from the Texas Education Agency's (TEA) Public Education Information Management System (PEIMS) as well as its Texas Academic Performance Reports (TAPR).
- A comparison group of districts consisting of **Cypress-Fairbanks ISD, Fort Bend ISD, Humble ISD, Katy ISD, and Spring ISD** are included. Demographic data are shown to provide the context for the data that follow.
- Finally, this staffing study model focuses on district level investments in personnel. If the district requires further analysis including projections for investment priorities, etc. please let us know.

In 2022-23, TEA moved the Instructional Coach role to the Central Administration category.

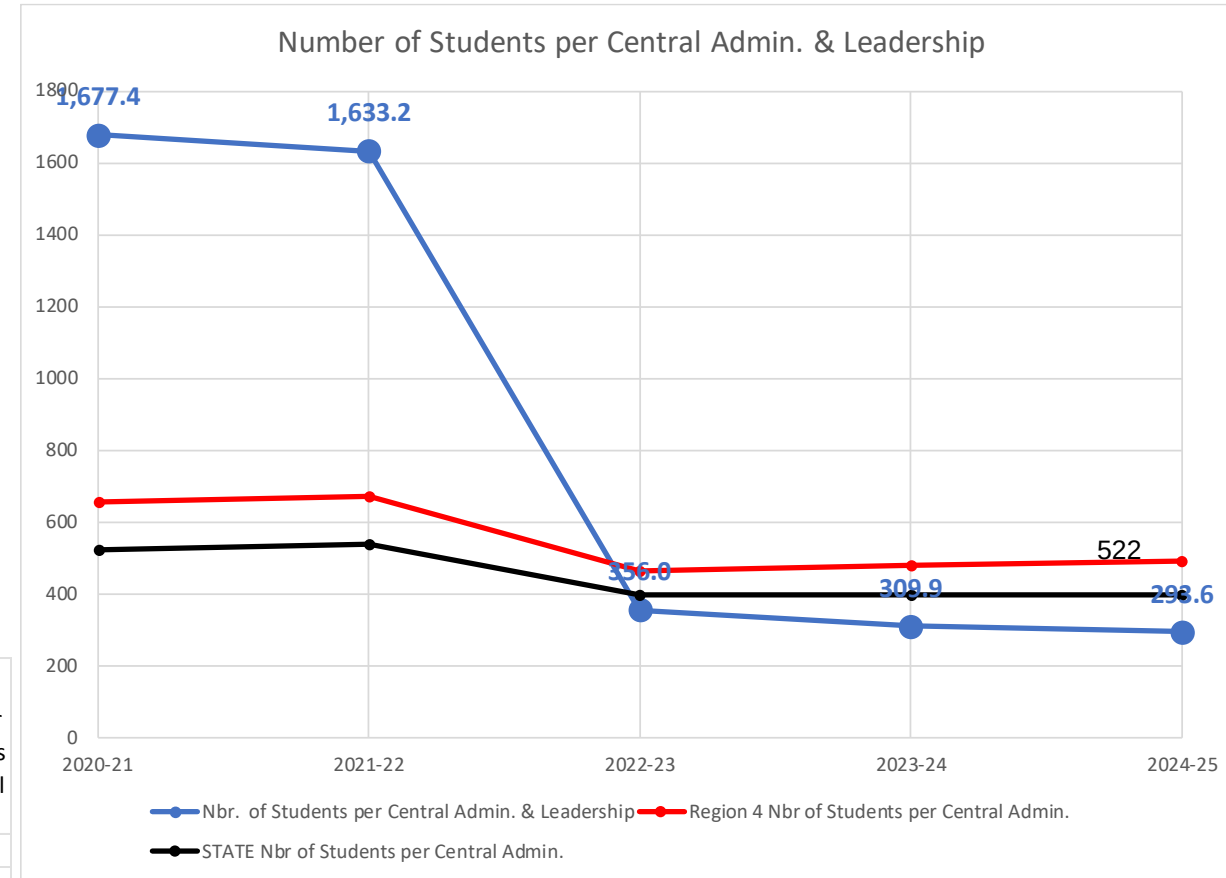

Staffing Profile

Conroe ISD

As noted on the previous slide, the change in re-coding on instructional coaches as directed by TEA in 2022-23 appears to show a dramatic decrease in the ratio of students to Central Administration staff (there are more Central Administration staff than in previous years). This is typical across all districts in Texas due to the coding change and is not necessarily reflective of any particular changes in Conroe ISD specifically.

Consider and Approve the Guaranteed Maximum Price Amendment for the Irons, Peet, York, and Conroe 9th Renovations Project and Authorize the Superintendent to Complete Negotiations and Execute the Contract Documents

Recommendation:

That the Conroe Independent School District Board of Trustees approve the Guaranteed Maximum Price Amendment with Anslow Bryant, for the Irons, Peet, York, and Conroe 9th Renovations Project and authorize the Superintendent to complete negotiations and execute the contract documents as submitted by Easy Foster, Executive Director of Planning and Construction, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

On March 18, 2025, the Board of Trustees selected Anslow Bryant to be the District's Construction Manager at Risk for the Irons, Peet, York, and Conroe 9th Renovations Project. Based on Anslow Bryant's proposal for this work, the District negotiated a guaranteed maximum price for the project of \$10,905,300.00. The planned budget for the project is \$13,558,317.00 and funding will come from the 2023 Bond.

The contract documents will be prepared by the District's outside counsel.

Re: Guaranteed Maximum Price for Irons, Peet, York & Conroe 9th Renovations

Dear Mr. Foster,

Anslow Bryant Construction, Ltd. is pleased to submit our Guaranteed Maximum Price (GMP) proposal for the Irons, Peet, York & Conroe 9th Renovations project, based on the Out for Proposal Set documents dated January 20, 2026, including the associated specifications and Addendum No. 1 through No. 3.

Subcontractor and supplier proposals were formally solicited and received on February 18, 2026. Following a thorough review and evaluation of the submitted proposals, Anslow Bryant Construction, Ltd. is pleased to offer a Guaranteed Maximum Price of **\$10,905,300.**

We respectfully recommend that Conroe ISO approve this Guaranteed Maximum Price and proceed with the execution of the GMP amendment between Conroe Independent School District and Anslow Bryant Construction, Ltd.

We appreciate the opportunity to continue our partnership with Conroe ISO and look forward to a successful construction phase for this important project.

Sincerely,

1A/r

James C. Bryant
President

****General Conditions Fee revised from 8.26% to 8.662% to reflect:**
1. Additional 62 weeks of Foreman time to cover supervision at all campuses.
2. Revised Builder's Risk Insurance premium to reflect updated cost of work.
3. Revised General Liability Insurance premium to reflect updated cost of work.

**Consider and Accept as Complete the Armstrong, Austin,
Birnham Woods and Broadway Elementary
Renovations Project**

Recommendation:

That the Conroe Independent School District Board of Trustees accept as complete the Armstrong, Austin, Birnham Woods, and Broadway Elementary Renovations Project as submitted by Easy Foster, Executive Director of Planning & Construction, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

Board Policy CV (LOCAL) – Facilities Construction requires that projects valued at \$1,000,000 or more be accepted by the Board of Trustees before final payment can be made, and accounting for the project can be closed. The District certifies that the Armstrong, Austin, Birnham Woods, and Broadway Elementary Renovations Project is now complete. The financial review yielded a returned allowance of \$288,980.13 and project savings of \$350,302.11. The project was contracted to cost \$10,171,901.00, and the actual cost was \$9,532,618.76. If the Board accepts the project as complete, final payment for the project listed below will be made to the contractor, Teal Construction Company.

PROJECT	ORIGINAL CONTRACT	CHANGE ORDERS	ACTUAL COST	RETURNED ALLOWANCE & SAVINGS	FINAL PAYMENT
Armstrong, Austin, Birnham Woods, and Broadway Elementary Renovations Project	\$10,171,901.00	\$0.00	\$9,532,618.76	\$639,282.24	\$390,402.90

Consider and Accept as Complete the Conroe High School Tennis Courts at the 9th Grade Campus Project

Recommendation:

That the Conroe Independent School District Board of Trustees accept as complete the Conroe High School Tennis Courts at the 9th Grade Campus Project as submitted by Easy Foster, Executive Director of Planning & Construction, and as recommended by Dr. David Vinson, Superintendent of Schools.

Explanation:

Board Policy CV (LOCAL) – Facilities Construction requires that projects valued at \$1,000,000 or more be accepted by the Board of Trustees before final payment can be made and accounting for the project can be closed. The District certifies that the Conroe High School Tennis Courts at the 9th Grade Campus Project is now complete. This CSP project was completed for the original contract amount. If the Board accepts the project as complete, final payment for the project listed below will be made to the contractor, Fielders Choice, Inc.
