

Dear Conroe ISD Families,

We hope this letter finds you and your family doing well. At Conroe ISD, we are so grateful for the chance to work with your children every day. It is our goal to make sure every student feels like they belong and has everything they need to succeed. For a long time, many students in our special programs, like Life Skills or behavior classes, had to travel to different schools to get the help they needed. As our district grows, this has meant longer bus rides and being away from their neighborhood friends.

We want to change that. After seeing great success in our high schools and junior high pilots, we are bringing this new approach to our elementary and intermediate schools next year. We call it ***The Homecoming Plan***. This means most students will now be able to attend their "home campus".

Why this is good for our kiddos:

- **Friends Next Door:** Kids can go to school with the friends who live on their street.
- **Siblings Together:** Brothers and sisters can attend the same school.
- **Shorter Bus Rides:** Less time on the bus means more time for play and rest.
- **Easier for Parents:** It is faster and easier for you to visit your child's school.

Sometimes, when school boundaries change, we allow students to stay at their current school for one more year so they can finish there. This is called a transfer.

Here are the rules for these transfers:

- Limited to 3rd-5th grade students
- For Siblings: If an older child is staying for their final year, a younger brother or sister can usually stay with them for that one year, too.
- Please Note: If you choose to keep your child at their current school instead of moving to the home campus, you must provide your own transportation (driving them to school).
- How to Apply: You must turn in your request by May 15, 2026. Click [here](#) for the application.

| Current Grade | Next School Year | Goal                   | Action Needed      |
|---------------|------------------|------------------------|--------------------|
| 3rd Grade     | 4th Grade        | Stay at current school | Request a transfer |
| 4th Grade     | 5th Grade        | Stay at current school | Request a transfer |
| 5th Grade     | 6th Grade        | Stay at current school | Request a transfer |

We know change can feel big, but we are here to walk beside you. Our team will be reaching out soon with more details, specifically for your child. If you have any questions right now, please feel free to call your school principal. We are so excited for this new chapter. By bringing our students back to their home schools, we are building a kinder, more connected community for everyone. We look forward to a wonderful year ahead with your family. Welcome Home!

Sincerely,

Conroe ISD
