

2025-2026 SEMESTER EXAM EXEMPTIONS

In the effort to reach our campus goal of promoting academic improvement and content mastery for all of our students, the instructional leadership team at Grand Oaks High School has made a few important adjustments to the exemption policy for the '25-'26 academic year. The policy has been posted on the campus website (Academics / Important Links), and you can access it with this link. Here are a few key highlights in regard to the adjustments:

New Qualifications

- No Caps on number of exams a student can exempt, regardless of grade level
- Passing average must be 90% or higher for Level & Honors courses or 85% or higher for AP & Dual Credit courses
- No extra exemptions will be awarded for participating in AP exams since exemptions are unlimited
- Students can only exempt course final exams (only December exams for one semester courses will be allowed; full year exams can be exempted in May)

Other Requirements

- No zero's or Z's for Major grades for entire semester
- No discipline (ISS, OSS, DAEP, or JJAEP) for the semester
- No fines or fees two (2) days prior to beginning exams
- Student must be present in class on the day of the exam
- No more than 4 absences for the semester per class
- No more than 11 tardies for the semester
