Oak Ridge High School

TESTING PROCEDURES AND SECURITY POLICY FOR ACADEMIC INTEGRITY

- No personal items at the student's desk during testing.
- ALL personal items (including electronic devices) will be placed in an area designated by the teacher *(i.e. at the front of the classroom or at the back on a lob table)*
- Students will have NO electronic devices on their person during testing.
- All students' desks and areas will be clear of all items not related to the test.
- Testing will not begin until the testing environment is completely secure.
  - ➢ Any student unwilling to comply with testing procedures will be removed to their Assistant Principals office.
- Any student found to be in possession of an electronic device or items not related to or allowed for testing will receive an invalidated score, along with disciplinary consequences in response to the violation of test security.
