Summer Reading Challenge 2026-2027

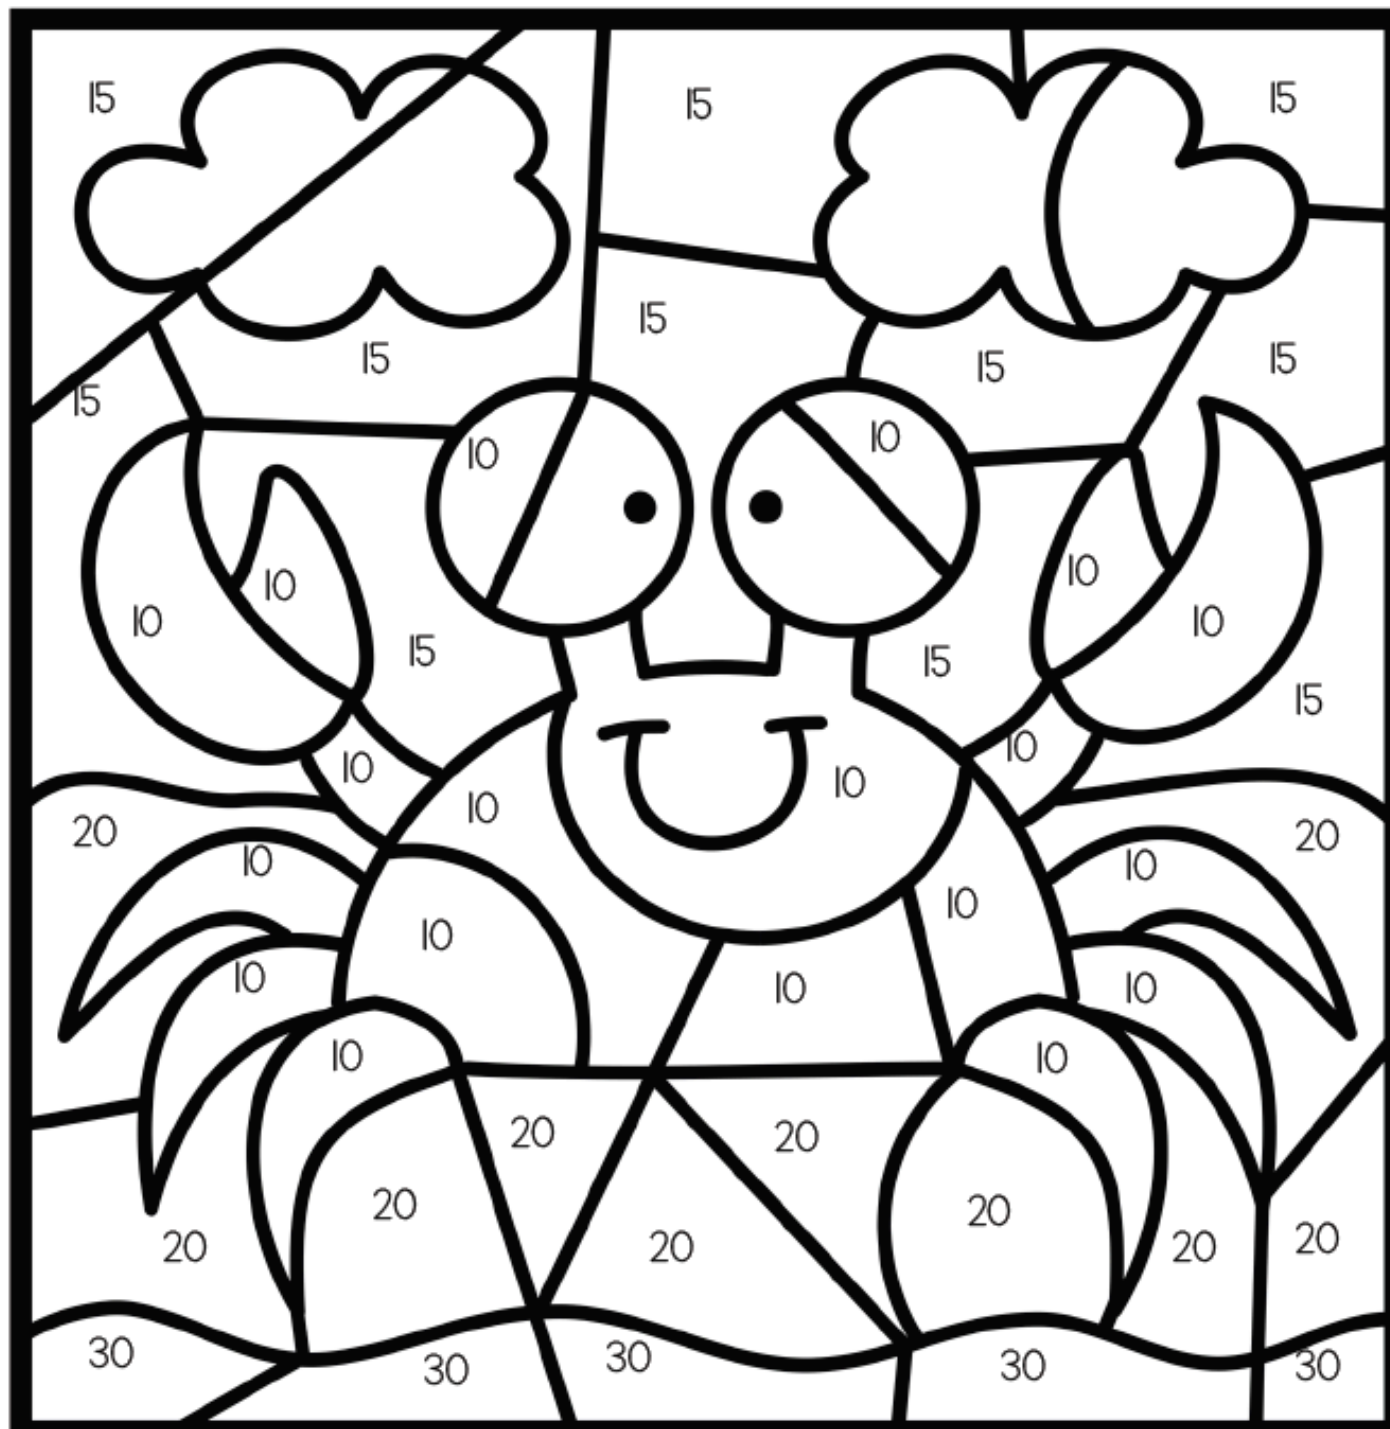

Don't be crabby and read, read, read this summer! Color a space on the crab picture that matches the number of minutes you read each day. Then add your book to the reading log. Be sure to record how many minutes you read each time to the log too! If you read for a **total of 350 minutes**, you will earn an extra book checkout for the entire 2026-2027 school year! The students who read for **at least 700 minutes** will earn the extra book checkout, get their picture on our Summer Reading Wall of Fame, and will receive a special gift from our fall book fair. Remember, if you participated last year, you will have to complete a new challenge this summer in order to continue checking out an extra book!

At the end of the summer, have a parent/guardian help you add up the total number of minutes you read and bring your colored crab **AND** reading log to Ms. Shafer in the library by Friday, August 21st. Happy reading! 😊
