Fire Drill & ALICE Reminders

Fire Drills/Alarms

If you hear a fire alarm:

- calmly exit the building and follow your teacher outside to a safe location – remain there until cleared to return.
- If you are not in class/shop, calmly exit the building at the nearest location and stay with another teacher/class until cleared to enter – **do not spend extra time in the building reporting back to your class/shop.**

If you see fire/smoke:

- Pull the fire alarm OR notify a staff member ASAP

ALICE Response Procedures

If there is a dangerous intruder:

- press one of the emergency buttons if you can safely do so
- evacuate the building (if possible) and get away from the danger
- if evacuation is not possible due to the location of the intruder, barricade the area you are in, and remain quiet and out of sight.

Note: We will always announce the dates of ALICE drills in advance – no surprise drills

Bullying-Free Zone

Bullying: when someone repeatedly says or does mean, hurtful things to target another person, making them feel unsafe, scared, or unable to learn at school.

- Can be through words, physical actions, and electronic/online communications.
- Your INTENTION does not matter – even if you THINK you are just "joking."

Don't say unkind things.

Don't post unkind things.

Don't touch others or mess with their stuff.

If you see or experience bullying, report it to a staff member.

SHAWSHEEN RAMS

Harassment Free-Zone

Discriminatory Harassment: any unwelcome conduct that creates an intimidating, hostile, or offensive school environment on the basis of someone's race, color, gender, gender identity, sexual orientation, religion, or national origin (where they are from).

- Examples include: slurs, name-calling, offensive jokes, threats, physical assault, etc.
- Includes online behavior, such as hateful social media activity targeting someone.

Student Handbook Changes
5-19: Cell Phones/Personal Electronic Devices.

Students may not use cell phones/personal electronic devices from 7:24am – 2:04pm.

- Cannot be seen or heard during that time.
- Bell-to-bell ban includes homeroom, lunch, and hallways.
- Only exceptions = per individual plans - otherwise **no exceptions** and **no teacher discretion.**
- Includes smart watches, tablets, headphones, ear buds, and air pods.

Teachers will NOT be collecting and storing student cell phones.

- Heart of our mission: *Preparing students for adult life in a competitive world.*
- Employer feedback: *Students don't know how to manage their cell phones.*

If a staff member witnesses a student breaking the rule they MUST turn over device to Dean's Office

- No teacher warnings or teacher-assigned consequences.

5-19: Cell Phones/Personal Electronic Devices CONTINUED

Consequences:

- **1st offense:**
  - device held at Dean's office until end of day.
  - one detention assigned.
  - educational component assigned.

- **2nd offense & each subsequent offense:**
  - device held at Dean's office until a parent/guardian can pick it up (between 7am-3pm).
  - One Saturday detention assigned.

- **NOTE:**
  - **Students with excessive offences may be subject to further disciplinary action.**
  - **Refusal to turn over cell phone to staff = insubordination = more consequences.**

STAFF CELL PHONE USE:

- The rules are different for staff, because staff sometimes have to use their cell phones as part of their jobs (just like you might have to someday).
- Examples:
  - Ms. Cook receives a text from the main office about an emergency.
  - A shop teacher receives a call on their cell phone from a co-op employer who is hoping to hire students.

Additional Student Handbook Changes

Most Notable Changes:

1. Students must pass in notes (dismissal, medical, etc.) **before the end of homeroom, or upon arrival to school.**

2. Students can visit offices for work permits and parking permits **during homeroom or after school.**

3. Clarified safety expectations for student drivers and updated consequences for unsafe driving:
   - 1st offense: warning, Saturday detention, & educational assignment.
   - 2nd offense: lose parking privileges for 30 days.
   - 3rd offense: lose parking privileges.

4. Students must complete OSHA at Shawsheen under supervision of Shawsheen staff.

School-Year Priority: Keeping Students in Class/Shop

Expectations:

- students are in class/shop at assigned times so they do not miss critical instruction and skill development – *you cannot learn if you are not present*.
- staff will be monitoring to ensure students are spending minimal time out of class/shop.
- students and staff will follow the internal chart (see next slide) to determine when and how students can miss class for something.
- students and staff will be required to use the Securly pass system.
- administration will be monitoring hallways and pass system use.
