SPRINGS VALLEY SCHOOLS EMPLOYMENT OPPORTUNITY

Springs Valley Community Schools is seeking a qualified candidate to fill the following anticipated position effective January 5, 2026:

Position Available: School Nurse (184 days, 40 hours per week)

Desired Qualifications: The school nurse must hold a valid nursing license (LPN or RN) in the state of Indiana. RN is preferred, but not required.

Deadline: Until filled

Pay is negotiable according to experience and qualifications. This position is eligible for health, dental, and vision insurance.

Responsibilities include, but are not limited to:

- Provide direct care to students for injuries, illness, and chronic health conditions
- Manage and administer student medications and health care treatments
- Maintain accurate and confidential health records
- Conduct vision screenings and monitor immunization compliance
- Respond to medical emergencies and coordinate care as needed
- Collaborate with families, teachers, and administrators to support student health plans
- Ensure compliance with state health policies

Those interested should send a completed application and credentials to:
