2nd place – won medals

This was a good meet for our new swimmers to see what a competitive meet was like. We have a few swimmers that only had 1-2 days practice before this meet. Our goal for this meet was to complete the races we had entries in and to not have any disqualifications. I was very pleased to see our girls do just that! Every one of our girls helped score points for our team, with each member also winning at least 1 medal. This was a good starting place for our team. I see a lot of potential and talent in our girls. I look forward to having a great season with them and helping them to achieve all their goals!

Go Lightning!
