

# Dexter Butler Scholarship

"I have known the Butler family for my entire 45 years working in Key West," said Ira Leesfield, Founder and Managing Partner of Leesfield & Partners on Whitehead Street. "There is no finer family in the community who has done more for high school athletic programs.

Dexter Butler was a true role model."

Please choose **one of the three essay prompts** to help us learn more about who you are and how you reflect the legacy of mentorship, kindness, and community exemplified by Coach Dexter Butler.

***Each response should be between 300 and 450 words.***

1. Coach Dex believed in the power of compassion, mentorship, and leadership. Describe a time when you embodied these values on or off the court, and how that experience has shaped who you are today.
2. Coach Dex was known for leaving an ‘indelible impact’ on those around him. Describe a moment when you made a positive difference in your community or school. What motivated you in that instance, what did you learn?
3. Dexter ‘Coach Dex’ Butler devoted himself to uplifting young people. Tell us about a mentor who shaped your life and how you hope to carry that mentorship forward in your own community.

**DUE MONDAY, MARCH 16th**
