

AGENDA
REGULAR MEETING OF THE BOARD OF TRUSTEES OF THE VILLAGE OF FORSYTH, ILLINOIS
6:30 P.M.
TUESDAY, FEBRUARY 2, 2021
VILLAGE HALL, 301 SOUTH ROUTE 51, FORSYTH, ILLINOIS

CALL TO ORDER

PLEDGE OF ALLEGIANCE

ROLL CALL

CONSENT AGENDA: Items listed under the Consent Agenda are considered to be routine in nature and will be acted upon by one motion and one vote. If separate action on any particular item is desired, the item will be removed from the Consent Agenda and will be considered separately.

1. APPROVAL OF MINUTES OF THE REGULAR MEETING OF JANUARY 19, 2021
2. APPROVAL OF WARRANTS

PUBLIC COMMENT: At this time, the public has the opportunity to express views or make comments to the Mayor and Board of Trustees on agenda items or any other Village issue. Comments must be limited to not more than three (3) minutes.

ADMINISTRATION REPORTS

1. LAW ENFORCEMENT REPORT
2. VILLAGE STAFF REPORTS

OLD BUSINESS

NEW BUSINESS

1. DISCUSSION AND POTENTIAL ACTION REGARDING SPRING CLEANUP PROPOSAL (PUBLIC WORKS DIRECTOR FOWLER)
2. DISCUSSION AND APPROVAL OF STREET SWEEPER PURCHASE (PUBLIC WORKS DIRECTOR FOWLER)

5 ILCS 120/2(c)(1): The appointment, employment, compensation, discipline, performance, or dismissal of specific employees, specific individuals who serve as independent contractors in a park, recreational, or educational setting, or specific volunteers of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee, a specific individual who serves as an independent contractor in a park, recreational, or educational setting, or a volunteer of the public body or against legal counsel for the public body to determine its validity.

ADJOURNMENT

CONSENT AGENDA

ITEM 1

**MINUTES OF A REGULAR MEETING OF THE BOARD OF TRUSTEES
OF THE VILLAGE OF FORSYTH, ILLINOIS,
HELD AT 6:30 P.M. ON TUESDAY, JANUARY 19, 2021
AT FORSYTH VILLAGE HALL**

CALL TO ORDER

Mayor Marilyn Johnson called the meeting to order at 6:30 P.M.

PLEDGE OF ALLEGIANCE

ROLL CALL

Upon call of the roll, the following members were physically present: Mayor Marilyn Johnson, Trustee Jeremy Shaw, Trustee Jim Peck, Trustee David Wendt

On phone: Trustee Kerry Denison, Trustee Bob Gruenewald

Others on phone: Library Director Rachel Miller

Absent: Trustee Jeff London

Staff Present:

Village Administrator David Strohl, Community & Economic Development Director Jake Smith, Village Engineer Matt Foster, Public Works Director Darin Fowler, Treasurer Rhonda Stewart, Village Clerk Cheryl Marty, Village Attorney Greg Mordock

Others Present: Alex Rhoda, Busey Ag Services

None.

CONSENT AGENDA

1. APPROVAL OF MINUTES OF THE REGULAR MEETING OF JANUARY 5, 2021
2. APPROVAL OF WARRANTS
3. APPROVAL OF TREASURER'S REPORT FOR THE MONTH OF DECEMBER, 2020

MOTION

Trustee Wendt made a Motion to approve the Consent Agenda as presented and Trustee Peck seconded the Motion.

Upon a call of the roll, the vote was as follows:

Yeas: 5 – Denison, Wendt, Gruenewald, Shaw, Peck

Village of Forsyth
Board Meeting Minutes
January 19, 2021

Nays: 0 – None
Absent: 1 – London

Motion declared carried.

PUBLIC COMMENT

Mayor Johnson stated that at this time, the public can express views or make comments to the Mayor and Board of Trustees on agenda items or any other Village issue. Mayor Johnson asked that comments be limited to not more than three (3) minutes and opened the meeting for the public to address the Board.

None.

ADMINISTRATION REPORTS

1. Law Enforcement Report

Sheriff's Deputy Joe Herbert stated other than the accident at Weaver Road and Route 51, there were only a few other minor incidents, otherwise it's been calm. Trustee Wendt complimented the deputies for their quick responses to issues in the park and overall doing an excellent job, and other Board members agreed.

Trustee Peck asked the Board members their thoughts about closing the park at dusk. Trustee Wendt shared that residents are still using the walking trail after dusk so there is activity. He's still watching the park at night and said the gathering of people has slowed down slightly. He shared that a neighbor walked through the parking lot the other night and those who were gathered in the parking lot then disbursed upon his/her arrival.

Trustee Peck said he continues to hear concerns from a resident who still thinks that's closing it at dark is the answer yet leaving the lights on. Parking is still available at the Village shed. Trustee Wendt is interested to see what happens once the restaurants open for indoor dining again and if these gatherings will dwindle. Shutting the park down now at night may not be a problem now but as it starts staying lighter in the evenings it may become more of an issue.

Trustee Peck is still leaning toward shutting down at dark. Trustee Wendt said he needs to follow up with Frank Hubbard on their security cameras at parks and said they had installed signs saying that this park is under video surveillance and that quieted things down quite a bit. Cost would be a factor in considering this. Deputy Herbert asked the Board for their permission to close the park if they observe unsafe actions happening, and the Board agreed and gave permission.

Trustee Shaw is not yet ready to agree to closing it down at dark and prefers to first get the word out in the Village Vision, so the public is aware that a crackdown is occurring, and

the enforcement of ordinance violations will continue.

Trustee Wendt asked if an individual has a violation and the Village takes them to court is that a situation where we can ban them from the park. Deputy Herbert said no we can not ban them from the park. What we can do is increase the fine amount from what the ticket stated to what our ordinance allows, and this is what he recommends. Village Attorney Mordock confirmed that is possible to do. Trustee Wendt has told park neighbors that this is simply a neighborhood watch concept and to not approach any troublemaker, and to call the deputies to handle any issues.

Trustee Shaw reiterated again that he'd like us to publicize that we are cracking down on these disturbance issues and maybe that will calm things down. Trustee Wendt will continue to share his observations and how it's going.

Trustee Peck asked if the current park violation has been paid to which Village Attorney Mordock replied that it has not been paid. The next step is to file a complaint in Macon County and have a summons issued and served on the individual. This is a civil proceeding not a criminal proceeding. Trustee Wendt suggested we recoup any possible costs by increasing the fine. Village Attorney Mordock confirmed that the ordinance allows us to go up to \$750 over the original \$50 ticket. This would help get the word out that if you ignore the ticket the fine will rise and court proceedings will occur. He confirmed that the individual is not a Forsyth resident but was unsure of their age.

2. Village Staff Reports

Trustee Peck asked Village Attorney Mordock for the status of the Westerman counsel. He shared that they have new counsel as of today, so the next step is for him to contact the new counsel and together prepare a new schedule order to present to the court for the time frame we believe we need.

OLD BUSINESS

None.

NEW BUSINESS

1. DISCUSSION AND POTENTIAL ACTION REGARDING FARM OPERATIONS (ALEX RHODA)

Busey Ag Services representative Alex Rhoda shared the 2020 results of the Village Farm activities. Reported income was \$82,777.72 with expenses of \$32,880.55, leaving a net distribution of \$36,000.00 for 2020. He then shared the income specific to corn and to soy

beans for the year along with acreage farmed. Board members asked general questions to which he responded, and the Board was satisfied with the discussion. Trustee Gruenewald asked if the ponding area was figured in with these results to which Rhoda confirmed that it was included.

2. APPROVAL OF WATER TREATMENT PLANT PROJECT (PUBLIC WORKS DIRECTOR FOWLER)

Public Works Director Fowler shared that he has obtained a quote to repair the valves and circuit boards in the sludge system. In December they lost a circuit board on the motor, so staff is manually operating this valve. A contractor is working on fixing it, but it doesn't look good. Meanwhile he did get a quote and it was cheaper than fixing the valves only. The water plant needs actuators and valves. The quote was \$6,650 for actuators, valves and circuit board, and Burdick will install it for \$1,850 from Burdick. He recommends the Board to approve this purchase.

MOTION

Trustee Peck made a Motion to approve the purchase as presented and Trustee Wendt seconded the Motion.

Upon a call of the roll, the vote was as follows:

Yeas: 5 – Denison, Wendt, Gruenewald, Shaw, Peck
Nays: 0 – None
Absent: 1 – London
Motion declared carried.

ADJOURNMENT

Trustee Wendt made the Motion to adjourn Open Session and move to Closed Session and Trustee Peck seconded the Motion.

Upon a call of the roll, the vote was as follows:

Yeas: 5 – Denison, Wendt, Gruenewald, Shaw, Peck
Nays: 0 – None
Absent: 1 – London

Motion declared carried.

Mayor Johnson then reconvened the Regular Open Meeting at 7:25. Trustee Wendt made

Village of Forsyth
Board Meeting Minutes
January 19, 2021

a motion to adjourn and Trustee Peck seconded the motion. All members agreed by voice vote to adjourn the meeting.

By: Cheryl Marty
Village Clerk

ADMINISTRATION REPORTS

02/02/2021

Economic Development

- I have continued work on the large number of zoning and FOIA requests on properties located on US-51. As always, I will continue to monitor the properties, and will report any upcoming activity as it becomes public.
- I have met with SOLVR Group and have received multiple options for the redesign of our economic development materials.
- I have continued outreach with prospective regional and national brands, attempting to explore their plans and gauge the intent and climate of new businesses in 2021.

Community Development

- I have completed creating a Site Plan Review application, which can be used both independently, or in conjecture with the Development and Zoning Approvals Consolidated Guide as an exhibit.
- All exhibits for the Development and Zoning Approvals Consolidated Guide are complete, and the consolidated guide is ready for use on projects in the future.

Miscellaneous

- I attended an Illinois Association of Municipal Management Assistants (IAMMA) seminar on Tuesday, January 19 focused on Leading from the Second Chair.
- I attended an IAMMA Luncheon on Wednesday, January 27 with others from the Downstate Region.

Respectfully submitted,

Jake Smith

Community and Economic Development Coordinator/

Assistant to the Village Administrator

Project 6928 – Bike Path to Grade School

No new update. We still are waiting on IDOT clearances for the hazardous waste, biological and wetland reviews. We will finalize a draft Project Development Report for submittal to IDOT for review once those items are received.

Project 6972 – Phillip Circle & Cale Court Rehabilitation

Final paperwork for the drainage portion of the project has been received and final payment has been released to the contractor. We will need to close out the IEPA land disturbance permit and wrap up a set of “as-built” plans for the Village records before our work is complete on the project.

Project 7893 – 2021 Advisory

No response from the property owners regarding the temporary easement for accessing the Greenbrier pond has been received. Multiple phone calls and emails have gone unanswered. I plan to touch base with Public Works director Fowler to discuss other options for contacting them.

The Village attorney is working on setting up a closing on the property Sports Park property. We are working with IDNR on the final wording of the archaeological restriction covenant that is required in the northwest corner of the property. Once ready, the closing will proceed.

We have continued to work on the IEPA construction permit for changing out the liquid chlorine system for a gas chlorine system at the water treatment plant.

Project 7485.01 – Well 7 Subdivision

Paperwork for the easements for the windfarm have been reviewed and approved by the windfarm company. A resolution will be presented to the Board for consideration at the meeting. Additional details on the easements will be available in the Village attorney’s report. A closing on the property will be scheduled once the release has been secured and the final paperwork has been executed by the property owners.

Project 7542 – 2020 Street Maintenance

This project has been deferred to 2021 to give Public Works an opportunity to evaluate the MasticOne crack filling material over a winter to see how it holds up under snowplows. Now we have had a couple snow events, we will be taking a closer look at how it performed soon.

Project 7635 – IEPA Loan Water Project Planning

The project plan has been resubmitted to the IEPA. The last two signoffs have been received and submitted to IEPA. Once approved by the IEPA, the Village will have to hold a Public Hearing on the IEPA’s Preliminary Environmental Impact Determination (PEID) in order to complete the project plan. An approved Project Plan is necessary for projects to be included on the intended funding list in July 2021.

Project 7778 – The Greenbrier Rehabilitation

Design of the project has continued. We have been looking closer at the layout of the sidewalk ramps at the intersection. The plan is to bid this work out in the spring for construction during the summer of 2021.

Library Director's Report

February 2, 2021

- The library reopened for walk-in service for library users on January 19. Take-out service is still available for those that prefer it. We continue to protect library users and staff with social distancing and disinfecting measures. Materials returned to the library continue to be quarantined for three days before being put back on the shelves.
- Library programming remains virtual or to-go. Preschool story times are posted on Facebook and a craft is available to pick up. Take and Make craft kits continue to be available for both adults and children, with the next adult kits available beginning February 3.
- STEAM projects for ages 6 years and older will be available beginning February 8. These projects focus on science, technology, engineering, art, and math. Every other week a supply kit will be available with an explanation as to how the project relates back to these categories. These kits will be ready to pick up on Monday mornings and will be available while supplies last.
- Fifty-five valentines were mailed to the VA hospital in Danville as part of the Valentines for Vets craft program.
- The library's annual certification has been submitted to the Illinois State Library. Certification is required in order for libraries to continue to qualify for system services, grants, and programs.
- The ILLINET Interlibrary Loan and Reciprocal Borrowing Statistical Survey, a report required by the Illinois State Library, has been completed and submitted.
- Staff evaluations have been completed.
- The library received a \$500 donation to be used for large-print books. Those books have arrived and will soon be available for check-out.
- The library has begun utilizing Wowbrary, an email-based communication tool. Emails will be sent out each week and will include links to new material owned by the library as well as information about programs and upcoming events. Here is a link to the first issue: <http://wowbrary.org/nu.aspx?fb&p=5131-1>

Rachel Miller
January 28, 2021

Public Works Report 1-25-21

Parks:

Park trash barrel re-painting.
Park picnic table re-painting.
Cleaning Park / PW buildings.
Equipment winter maintenance.
Snow / Ice Removal.
Park building bathroom repainted.

On our Park to do list is:

Repair water main that supplies water to park bathroom (4/5)
Park maintenance and cleaning.
#4, #5 Field Dugout roof repair.
#4 light replacement (two out).
Remove bushes on Forsyth Parkway.
Finish batting cage construction (nets will be put up in spring).
Add two new park benches in the main park (1) and James Ct pocket park (1).
Add grill to Veteran's Park Pavilion.

Village:

We continued to maintain the Village Hall, and other property / easements throughout the Village.
Library hit list (chairs).
Ice Storm limb removal.
Dead tree removal.
Snow / Ice removal.
We worked on locates, inspections, new construction assistance.
We worked any concerns residents had.

On our Village to do list is:

Continue with Village cleanup.
Road patching.

Water Treatment Plant / Sewer:

Continued with meeting IEPA sampling and analysis requirements.
We worked any concerns residents had.
High Service Pump motor repaired, re-installed.
Sludge Valve actuator and valves ordered.
Ferric Chloride leak troubleshooting (Sidener to fix).
Lime Transducer replaced.
#4 turbidimeter troubleshooting, flow switch changed out, needs new solenoid valve.

On our Water / Sewer to do list is:

Complete monthly IEPA sampling and other required sampling.
Curb-box repairs.

Thanks, Darin

NEW BUSINESS

ITEM 1

Trustees,

We have a proposal from Waste Management (formerly Advanced Disposal) in regards to this year's Forsyth Cleanup Days. The proposal is generally the same except that they included white goods (appliance) disposal.

In the past, we have relied on "recyclers" to come through the Village and take all of the white goods for their junking needs. Last year, there wasn't a strong showing of "recyclers" that came through the Village... which left us with the task of ridding ourselves of the white goods. We would like to use this option from Waste Management to see if this is a more efficient way of conducting business.

Thanks,

Darin

2021 WasteManagement / Forsyth Cleanup Days Cost Proposal

May 3 - May 7

- Regular Bulk Cleanup (same as previous years serviced from the curbside)
 - * \$1,200 per load

- White Goods (appliances) Pick-Up
 - * \$350 per load
 - * WM keeps any rebates from recycler
 - * WM would deliver the 30 yard rolloff container to a location of Forsyth's choosing inside Village limits. Forsyth would call WM when full for dumping and return 30 yard rolloff container if needed.
 - ** Village is responsible for picking up and loading white goods into 30 yard container.

NEW BUSINESS

ITEM 2

Trustees,

We have a purchase and a Lease / Buy Back proposal from Key Equipment to obtain a new Elgin street sweeper for our needs. Elgin makes a very good sweep, top of the line. The street sweeper will be used to cleanup up trash, daily grindings, leaves, grass clippings, sticks from storms / ice storms, etc... within the Village, throughout the year. We plan on splitting the Village into quadrants and routinely sweeping a quadrant each week with the whole Village being swept each month. We can also sweep Rt 51 more frequently.

This would benefit the Village and also assist with storm water compliance as it would keep foreign items entering the storm water grates, slowing drainage, and eventually send the items to Stevens Creek.

This purchase / lease is budgeted in line item 30-00-862-4 (\$216,000)

Thanks,

Darin
