THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY

APPLICATION TO THE DIRECTOR OF THE DEPARTMENT OF WATER AND SEWERAGE SERVICES FOR PERMISSION TO INSTALL **SEWER** FACILITIES TO SERVE PROSPECTIVE CONSUMERS, AND AGREEING TO DEED THE SAME TO THE METROPOLITAN GOVERNMENT PRIOR TO RECEIVING SERVICE THEREFROM:

To the Director of Water and Sewerage Services
The Metropolitan Government of Nashville and Davidson County

DATE: _____

We, the undersigned, hereby make application to the Director of Water and Sewerage Services for permission to install the following water facilities at the following locations:

Being the construction of approximately 166 LF of 10-inch sanitary sewer main (DIP), 60 LF of 8-inch sanitary sewer main (DIP), 684 LF of 8-inch sanitary sewer main (PVC), and 5 sanitary sewer manholes to serve the 1686 Sunset Road development, all as more particularly shown by plans on file in the office of the Director of Water and Sewerage Services. Said plans designated as Project Nos.: 25SL0234.

We agree to deed the above-described **sewer** facilities to the Metropolitan Government as soon as the same are installed, free and unencumbered. We reserve only the right to those tap fees which the Department collects, in accordance with The Metropolitan Code of Laws, Title 15, as amended, for taps made onto the above described water during the period of fifteen years following their installation; provided, however, that in no event shall the right to such collections exceed the actual cost of installation of said water, based on notarized statement to be furnished the Department, and provided further that the actual cost does not exceed the estimated cost by the Department.

We agree that this construction is to be made in accordance with the provisions of The Metropolitan Code of Laws, Title 15, as amended, rules and regulations governing the supplying of water service by the Department of Water and Sewerage Services, which are not in conflict with provisions of The Metropolitan Code of Laws, Title 15, as amended.

We agree that, in the event we should become water consumers of The Metropolitan Government of Nashville and Davidson County, we will abide by all Ordinances, rules and regulations which may now be in force or which shall hereafter be placed in force governing the supplying of water service to its consumers by the Department of Water and Sewerage Services.

We hereby agree that no taps are to be made to these water and/or sewer facilities until they have been deeded to The Metropolitan Government of Nashville and Davidson County, inspection bills paid, and cost certificates received.

Inspection fees include the addition of the 10% technology fee (BL2022-1254) and consist of **$4,154.15** for the sewer main assembly shall be paid prior to the pre-construction meeting.
