

Full-time Paramedic - St. George EMS

The Town of St. George is seeking a full-time Paramedic to join our EMS department. This is an opportunity to work in a small, community-focused department providing emergency medical services, ALS intercepts, and mutual aid to surrounding communities. We are looking for a paramedic who values high-quality patient care, teamwork, professionalism, and being an active part of the community.

The Town of St. George serves a year-round population of approximately 2,600 residents, with a seasonal increase to approximately 5,000, and responds to approximately 500 calls annually.

The Paramedic responsibilities include:

- Providing emergency responses and ALS care
- Safely operating EMS vehicles and equipment
- Completing accurate, timely, and thorough patient care reports
- Participating in ongoing training, QA/QI, and continuing education
- Demonstrating professionalism, compassion, and strong community engagement
- Supporting department initiatives, education, and service growth

Qualifications:

- Valid Maine Driver's License
- Current Maine EMS Paramedic License
- Current BLS, ACLS, PALS and PHTLS certifications (or equivalent)
- Physical ability to perform essential job functions
- Strong communication skills and professional demeanor
- Commitment to high-quality patient care, teamwork, and community service

Preferred Qualifications:

- Firefighting experience, including Firefighter I & II certification, or willingness to obtain training
- Experience in Community Paramedicine or willingness to pursue Community Paramedicine training
- Interest or experience in EMS education and training

Compensation:

- Pay rate: \$28.65 per hour
- Regular full-time schedule of 48 hours per week, with 8 hours of overtime paid each week
- Paid holidays
- Competitive benefits package

Interested applicants should apply by submitting a cover letter and resume to Chief Katie Jacob at K.jacob@stgeorgemaine.com. Initial interviews are anticipated to take place in late September
