Dear Hawks,

We are headed into the winter season of athletics and activities!

The cold and flu bug is also going around in full force! We know we make a big deal about kids coming to school, however if they have a fever, please keep them at home. We can also work out them coming in to take a test in the office and going back home if the test is the concern.

We will be running academic eligibility for athletics on Tuesday, November 10, 2026. Tuesday will also run on a Mon/Thur/Fri schedule due to Wednesday being Veteran's Day.

Good luck to our varsity football team who is playing in the 2nd round of the state tournament tonight at Willcox High School!

Love is the most sincere and necessary human emotion we have - and yet, heartbreak, confusion, and tragedy often go hand in hand with this most beautiful part of the human experience. So the question is why? Why, at the risk of pain, do we give the heart what it wants?

The Pride of Tanque Verde would like to invite staff, students, and community members to **Legacy Night, Monday 11/9 at 7:00 pm at the TVHS stadium.** We would like to present the most complete performance of our fall show for our community before state championships on November 14th at Millennium High School.

We have had an amazing season – earning podium finishes at every competition and assembling perhaps the most developed show the program has ever produced. We hope you join us as "What The Heart Wants," and the 2026 Pride of Tanque Verde, end the season and become part of the Legacy of Tanque Verde.

Our Agriscience students brought the heat AGAIN!

Congratulations to our TVHS Agriscience students on winning Chile Fest for the THIRD year in a row!

At the annual Chile Field Day, our students learned about plant science, genetics, and food processing from renowned chile breeder Ed Curry—and brought home another win!
We love seeing our Hawks take their learning beyond the classroom and shine. Three years. Three wins. #HawkYeah!

Open Enrollment is Officially OPEN!

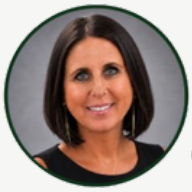

Do you have a student or know of one who currently lives out of our district boundaries AND does not currently attend a TVUSD school? Open Enrollment for TVUSD opened on November 1st! We will be hosting a new family night on December 1st
