LHS Spotlight: Chemistry in Action: Gas Laws Come to Life!

Recently, Mrs. Glover's Honors Chemistry class had an interesting lab. They demonstrated two gas laws in the lab. They put Charles' Law and Boyle's Law into action! These students continue to learn and grow in Chemistry.

Viking Theatre Workshop

This past month, the Viking Theatre Workshop performed their production of *Oklahoma* (Youth Edition), directed by Erika Roberts and Paula Williamson. Student actors took on the stage in front of peers, parents, and community members to provide an awesome show. The talent we have in Latta Schools is incomparable, and we look forward to seeing these smiling faces on the stage and all the hard workers backstage, in the sound booth, and working lights in the future!

YOU'VE GOT THIS!

Spring Dance Showcase

The Latta Middle and Latta High School Dance Education students will hold their spring semester dance showcase, "All that Jazz," on Thursday, May 14th and Friday, May 15th in the EPAC. The students will perform dances based on the historical development of the American-born dance style of jazz dance along with student self-choreographed dances! The show begins at 6:30 pm each night, and admission is $5.00 per guest.

Library Returns

- All library books need to be turned in by Wednesday, May 13th
- Chromebooks, chargers, and cases will be turned in to first block teachers during the week of May 18th-22nd.

Baseball & Softball Playoffs

Be sure to cheer on the Baseball and Softball teams as they compete in the playoffs. Go Vikings!

EOCEP Student Reminders:

- Please arrive at school by 8:15 a.m. on your assigned test date(s).
- Report to the library first thing on your assigned test date(s).
- Electronic devices, including cellphones and Smartwatches, are not permitted.
- Practice using the Desmos calculator and other available tools via the Online Tools Training (OTT).
