LHS Spotlight: Following Carbon's Journey!

Recently, Ms. Branch's Biology students brought the carbon cycle to life with an interactive classroom activity! Students took on the role of carbon molecules and traveled through different stages of the carbon cycle, including plants, animals, the atmosphere, oceans, and more. At each stop, students rolled dice to determine their carbon molecule's fate and next step in the cycle, experiencing firsthand the many different pathways carbon can take through Earth's systems. Students recorded each stop along the way to track their carbon molecule's unique journey. What an engaging way to turn the carbon cycle into a hands-on learning experience!

College Application Day at LHS

LHS seniors took an exciting step toward their futures during College Application Day that occurred last month! Students spent time completing college applications and exploring their options for life after high school.

Throughout the event, students received one-on-one assistance from an admissions counselor from Coastal Carolina University.

We are proud of our students for taking the initiative to plan for their futures and appreciate everyone who helped make College Application Day a success!

Viking Journey to 100% Perfect Attendance! 🍀🍀

Beginning the second nine weeks, Latta High School is launching our initiative "Viking Journey to 100% Perfect Attendance!" First-block classes will work together to earn pieces of their Viking Voyage by achieving 100% attendance and punctuality. Classes can earn exciting rewards, including snacks, pizza parties, doughnut celebrations, and free tickets to a home game! Students will also earn entries into a special prize drawing for each full day they attend school. Every day counts, Vikings!

Second Annual Pumpkin Contest

Again this year, LHS students will get the opportunity to participate in some fall fun with our second annual Book Character Pumpkin Contest. This event is sponsored by the library, and the top prize is \$50! Submissions are due by Wednesday, October 28th. See Mr. Williams in the library if you have any questions.
