About Me

I'm Ms.Molnar! I just recently moved to Bradenton from Plant City area. This is my 7th year as a VE Teacher. I was born and raised in NJ where I pursued my Bachelor's degree in Education at Kutztown University of Pennsylvania. In 2023, I obtained my Master's degree at UCF in ESE with a focus in Interdisciplinary Language and Literacy Interventions. I love what I get to do everyday and taking that knowledge I learn through experience to be an even better Educator.
