SO YOU WANT TO BE A SCHOOL BOARD MEMBER?

GET ON BOARD

BECOME A VOICE FOR OKLAHOMA STUDENTS

A BOARD OF EDUCATION HAS ONE OF THE MOST IMPORTANT RESPONSIBILITIES IN OUR SOCIETY - HELPING PLAN THE EDUCATION OF THE CHILDREN IN THEIR COMMUNITY.

The board's decisions impact the lives of students and parents, the livelihoods of district employees and the economic well-being of the community.

OSSBA launched the "Get on Board" campaign to raise awareness about school board service in Oklahoma and to provide prospective school board candidates with an overview of the expectations, requirements and regulations of school board service.
